What Do Jewish People Think about Jesus? Michael L. Brown, 2007-10 A Jewish believer himself, Dr. Michael L. Brown provides clear answers to questions about modern and historical Jewish practices. He also addresses questions Christians have about their own relationship to the Old Testament Law, such as Should Christians observe the Sabbath on Saturday? and Are Gentile Christians spiritual Jews?

Questions Christians Ask the Rabbi Ronald H. Isaacs, 2006

Come to the Well Mathew Gilbert, 2016-07-27 Jonathan Edwards once described God as an infinite fountain of divine glory and sweetness. This is good news for Christians journeying through the dryness and weariness of a fallen world. In *Come to the Well*, author Mathew Gilbert takes Christians to the well of God so they may drink and be satisfied in him. Through fifty meditations on various Bible passages, theological topics, and life issues, Gilbert offers Christians a devotional book that carries significant theological weight to allow them to think more deeply about God without having to crack open a systematic theology. These short writings ground Christians in the gospel so they will find lasting joy in the face of suffering and temptation.

A Stranger in Jerusalem Trevan G. Hatch, 2019-06-26 In *A Stranger in Jerusalem*, Trevan Hatch attempts to situate the stories about Jesus within their Jewish context. Jesus was a Jew, his friends were Jews, his first followers were Jews, he studied the Hebrew Scriptures (either orally or from texts), he worshiped in the synagogue, and he occasionally traveled to Jerusalem to observe the Israelite festivals. Hatch illustrates that Jesus does not seem to have rejected Judaism or acted as a radical outsider in relation to his Jewish peers, but rather he worked within a Jewish framework. The overarching questions addressed in this book are (1) how can an understanding of early Judaism illuminate our understanding of the Jesus traditions, (2) how did Jesus relate to his Jewish world and vice versa, (3) why did the Gospel writers portray Jesus and his Jewish peers the way they did, and (4) how would Jews in the first and second centuries have interpreted the Jesus traditions upon hearing or reading them? Hatch explores several topics, including childhood and family life in first-century Galilee;

Jewish notions of baptism and purity; Jewish prophets and miracle workers; Jewish ideas about the messiah; and Jesus' relationship with Judas, the Pharisees, the priestly establishment in Jerusalem, the Jewish populace, and his own disciples.

Judeophobia and the New Testament Sarah E. Rollens, Eric M. Vanden Eykel, Meredith J. C. Warren, 2025-04-24 An essential resource for understanding the troubling role of the Christian scriptures in anti-Semitism This eye-opening collection of essays is essential reading for anyone concerned about the ways that Christian scripture has been used—both in the past and the present—in service of anti-Semitism. The authors seek to identify, contextualize, and problematize New Testament “Judeophobia,” a broad heading that encompasses anti-Semitism, supersessionism, and various discriminatory practices against Jews at different points in history. In the first half of *Judeophobia and the New Testament: Texts and Contexts*, readers engage with the subject matter through thematic essays. In the second half, readers engage with text-based essays that focus on individual books of the New Testament as well as relevant non-canonical literature. Throughout, the book’s goal is to educate readers about the ways that New Testament texts have been used to engender Judeophobia from the early church to today. While the book is designed primarily as a resource for teachers and students, it also aims to help New Testament scholars account for Judeophobic interpretations, take responsibility for them, and encourage the discipline to work against its own role in rising anti-Jewish rhetoric and violence. American Journal of Islam and Society (AJIS) - Volume 40 Issues 1-2 Adrien Chauvet, Louay Fatoohi, Murie Hassan, Tammy Gaber, Martin Nguyen, Carimo Mohamed, Betania Kartika, H. Masud Taj, Saheed Ahmed Rufai, Enes Karić, Muhammad Saekul Mujahidin, 2023-07-05 In this issue, you will find three peer-reviewed articles and two forum essays. Adrien A. P. Chauvet’s “Cosmographical readings of the Qur’an” is a trained physicist’s probing, multidisciplinary inquiry

about a topic of great interest to the recent generations of Muslims about the compatibility of Islam and science, and about the obvious exuberance Muslims feel when some modern discoveries point to the Qur'anic truth. As a trained physicist, he wonders whether and how we can be sure that the scientific paradigms endorsed today will endure, and therefore, more pertinently, "how can the text stay scientifically relevant across the ages, while science itself is evolving?" It thus advances the scholarship on the scriptures' relevance to past and present scientific paradigms, reviewing multiple ancient cosmographical paradigms (Egyptian, Mesopotamian, Hebraic, Greek, Christian, Zoroastrian and Manichean) as well as modern ones, while being grounded in Islamic theology and philosophy of science. It manages to advance a novel thesis in the growing field of Islam and science, advocating for a multiplicity of correspondences between both past and modern scientific paradigms, even if these paradigms conflict with one another.

The Orphans Among God's Children Seymour Fiedler, 2004-04 This book takes you back to the beginning of the Jewish religion and history from the time of the patriarch Abraham until the twenty-first century. Many people not only Gentiles but Jews as well, are unaware of the horrendous events that have burdened the Jewish people through the 2000 years of Christian history. This book will offer a comprehensive picture of the roots of anti-Semitism and will shed light on the reason why Pope John Paul II and Cardinal O'Connor asked the Jews for forgiveness at the start of the new millennium.
