**Southern Writers** Joseph M. Flora,Amber Vogel,2006-06-21 This new edition of Southern Writers assumes its distinguished predecessor's place as the essential reference on literary artists of the American South. Broadly expanded and thoroughly revised, it boasts 604 entries-nearly double the earlier edition's-written by 264 scholars. For every figure major and minor, from the venerable and canonical to the fresh and innovative, a biographical sketch and chronological list of published works provide comprehensive, concise, up-to-date information. Here in one convenient source are the South's novelists and short story writers, poets and dramatists, memoirists and essayists, journalists, scholars, and biographers from the colonial period to the twenty-first century. What constitutes a southern writer is always a matter for debate. Editors Joseph M. Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region, in either a personal or literary sense. New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication, as well as older talents previously unknown or unacknowledged. For almost every writer found in the previous edition, a new biography has been commissioned. Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners, Southern Writers is an indispensable reference book for anyone intrigued by the subject.

**Puttin' on the Grits** Deborah Ford,2005-12 From the heartfelt love in Grandma's dumplings at a family gathering to the stomping good fun at a hoedown, Puttin' on the Grits teaches how to be gracious, warm, and entertaining hosts--the Southern way.

*Journey Proud* Carolyn Fleming,2007-02-26 In 1933 the quiet and gentle life of Baxton, a small rural town in Georgia, is

disrupted when native son and world traveler, Jason Randolph, returns after an absence of eleven years. Mystery surrounds the simultaneous arrival of Josephine, an infamous beauty, who had visited Baxton only once before, eleven years earlier. Spunky nine-year-old Sunny Leigh and her worst friend, Jimbo Byrd, observe the developing crises and become participants in the fast-moving events. Sunny's parents, Allyson and David Leigh, play their parts in the drama on another level, as do the other inhabitants of this quintessential southern town. As they go about their Depression-era lives, they eventually uncover in one short summer the connection between events past and present. Jason's sister Fanny allows her intense hatred of Josephine to goad Fanny to an unspeakable act of destruction. In addition, Jason's good intentions are destroyed by an unexpected disaster, the Leighs and their neighbors confront the Ku Klux Klan, and the whole town is affected by a mysterious death. The surprise ending features Governor Eugene Talmadge, a real personage among otherwise fictitious characters. Integral to the story are Eldora and Willie Jackson, who have their own troubles to deal with, even as they become caught up in the town's problems. It is Eldora who teaches Sunny the real meaning of journey proud. She and Willie provide wisdom that will remain with the reader long after the book is laid aside. Other dividends of *Journey Proud* are its gentle humor woven into the picture of a bygone time and its people who considered that they had all the luxuries of life even if they lacked some of the necessities.

**The New Georgia Encyclopedia Companion to Georgia Literature** Hugh Ruppersburg, John C. Inscoe, 2011-08-15  
Georgia has played a formative role in the writing of America. Few states have produced a more impressive array of literary figures, among them Conrad Aiken, Erskine Caldwell, James Dickey, Joel Chandler Harris, Carson McCullers, Flannery O'Connor, Jean Toomer, and Alice Walker. This volume contains biographical and critical discussions of Georgia writers from the nineteenth century to the present as well as other information pertinent to Georgia literature. Organized in alphabetical order by author, the entries discuss each author's life and work, contributions to Georgia history and culture, and relevance to wider currents in regional and national literature. Lists of recommended readings supplement most entries. Especially important Georgia books have their own entries: works of social significance such as Lillian Smith's *Strange Fruit*, international publishing sensations like Margaret Mitchell's *Gone With the Wind*, and crowning artistic achievements including Jean Toomer's *Cane*. The literary culture of the state is also covered, with information on the *Georgia Review* and other journals; the Georgia Center for the Book, which promotes authors and reading; and the Townsend Prize, given in recognition of the year's best fiction. This is an essential volume for readers who want both to celebrate and learn more about Georgia's literary heritage.

Georgia Voices: Fiction Hugh Ruppersburg, 1992 Since the early 19th century, Georgia has produced an impressive number of distinguished fiction writers, from Joel Chandler Harris, Carson McCullers and Flannery O'Connor to such

present-day voices as Alice Walker, Ferrol Sams and Pat Conroy. Contains 39 stories and excerpts from novels.

**Making the Match** Teri S. Lesesne,2003 Explains how teachers and librarians can steer students to the literature they love by focusing on three key areas: knowing the readers, knowing the books, and knowing the strategies to motivate students to read.

*Contemporary Fiction Writers of the South* Joseph M. Flora,Robert Bain,1993-08-23 The extraordinary flowering of Southern literary talent in the early twentieth century, the Southern Literary Renaissance, has continued virtually unabated, showing increasing vitality in recent decades. These newer fiction writers, poets, dramatists, and journalists reflect in their work the changing social conditions of the South while also presenting traditional Southern values and qualities. Their astonishing output constitutes a phenomenon worthy of being called a Second Southern Literary Renaissance. Joseph M. Flora and Robert Bain, editors of the acclaimed *Fifty Southern Writers before 1900* and *Fifty Southern Writers after 1900*, found that they could only begin to suggest the continuing abundance and significance of Southern writing in the latter volume. Retaining the same format, they have developed two new volumes for the contemporary period. The first, focusing on fiction, comprises forty-nine talented novelists, including such popular figures as Pat Conroy, Gail Godwin, T. R. Pearson, Anne Tyler, and Alice Walker. The companion volume, (*Contemporary Poets, Dramatists, Essayists, and Novelists: A Bio-Bibliographical Sourcebook* forthcoming from Greenwood Press) will cover primarily poets, playwrights, and essayists as well as fiction writers who have made major contributions to these other genres. The essays, written by scholars and critics, present in each case a biographical sketch, an analysis of the writer's style and major themes, an assessment of reviews and scholarship, a chronological list of works, and a bibliography of selected criticism. Considered individually and comparatively and with attention to the editors' introductory essay, these bio-bibliographical studies clearly demonstrate the state and strength of Southern letters.
