Virginity in Young Adult Literature after Twilight Christine Seifert,2015-01-27 Around 2005 something surprising happened in young adult literature: YA books became obsessed with presenting characters who wanted to have sex but couldn't—at least not without losing something vital to their identity. Since the publication of *Twilight*, the YA market has been flooded with books that feature naive virgins finding true love. While some YA novels do present nuanced depictions of sex and of healthy sexual relationships, the fiction most popular with young adult readers presents adolescent girls as virginal sex objects waiting to be fulfilled by their love interests. In *Virginity in Young Adult Literature after Twilight*, Christine Seifert looks at an alarming trend in YA novels. Labeling this phenomenon “abstinence porn,” Seifert argues that these novels that fetishize virginity are harmful to readers. Like pornography, such works reduce female characters to objects whose sexual acts are the sole expression of their identities. Chapters in this book examine paranormal, dystopian, and contemporary romance, paying particular attention to recurring virginity themes or tropes. The book also provides an antidote by showing how some sex-positive teen novels provide more empowering messages to readers. Organized by genre, the books were selected for this study based on their popularity with teens. Exploring how messages about virginity are sustained and repeated from text to text, this book also calls out key reader reactions to demonstrate how they are responding to these messages. Featuring a list of discussion questions, *Virginity in Young Adult Literature after Twilight* will be a valuable resource for teachers, librarians, parents, and mature young adult readers.

Hush, Hush Becca Fitzpatrick,2009-10-13 Nora finds forbidden love with her fallen angel, in the first book in the New York Times bestselling *Hush, Hush* saga. For Nora Grey, romance was not part of the plan. She's never been particularly attracted to the boys at her school, no matter how much her best friend, Vee, pushes them at her. Not until Patch came along. With his easy smile and eyes that seem to see inside her, Nora is drawn to him against her better judgment. But after a series of terrifying encounters, Nora's not sure who to trust. Patch seems to be everywhere she is, and to know more about her than her closest friends. She can't decide whether she should fall into his arms or run and hide. And when she tries to seek some answers, she finds herself near a truth that is way more unsettling than anything Patch makes her feel. For Nora is right in the middle of an ancient battle between the immortal and those that have fallen - and, when it comes to choosing sides, the wrong choice will cost her life.

Philip Pullman Laura La Bella,2013-12-15 Philip Pullman is an award-winning author perhaps best known for his epic trilogy, *His Dark Materials*, one of the few fantasy classics to feature a strong female central protagonist. Pullman is a creator of new worlds and the captain of adventures, spinning intricate and fantastical yarns. His life story is every bit as fascinating as the tales he has created from life, transforming them with storytelling magic into classics of fantasy literature. This is the life story of a master storyteller, and readers will receive a privileged glimpse into the mind and working methods

of a creative genius. This supports Common Core standards for the reading of biographies.

Hush, Hush Parts I and II Becca Fitzpatrick, 2014-08-14 Try as she might, Nora can't escape her dark and deep attraction to the mysterious, arrogant Patch Cipriano. But things aren't adding up - Nora is having terrifying hallucinations. Patch knows far, far too much about her. As dark, death-filled secrets are revealed, Nora begins to realise that her new-found love comes at a cost. It might just kill her.

"Throw the book away" Amie A. Dougherty, 2013-05-11 Children's literature is an excellent way to educate children, on everything from social behavior and beliefs to attitudes toward education itself. A major aspect of children's literature is the importance of books and reading. Books represent adult authority. This book examines the role that books, reading and writing play in children's fantasy fiction, from books that act as artifacts of power (The Abhorsen Trilogy, The Spiderwick Chronicles, Harry Potter) to interactive books (The Neverending Story, Malice, Inkheart) to books with character-writers (Percy Jackson, Captain Underpants). The author finds that although books and reading often play a prominent role in fantasy for children, the majority of young protagonists gain self-sufficiency not by reading but specifically by moving beyond books and reading.

Finale / Finale Becca Fitzpatrick, 2014-03 Nora y Patch pensaban que sus problemas habían acabado. Con Hank fuera de juego, por fin tendrían un descanso. Pero ahora, sin Hank, Nora se ha convertido de manera involuntaria en la líder de los Nefilim y tiene que acabar lo que él comenzó, lo que significa que deberá destruir a los ángeles caídos y con ellos a Patch. Nora, que nunca permitirá que eso ocurra, elabora un plan con Patch: harán creer a todos que han roto, convencerán a los Nefilim de que están cometiendo un error y evitarán así la guerra. Pero al conocer de cerca los detalles de su nuevo papel, Nora se siente irremediamente seducida por el poder que este le confiere. Comienza la batalla. Nora y Patch tendrán que confrontar las diferencias que siempre han existido entre ellos. ¿Permitirán que destruyan el amor por el que tanto han luchado?

Silence Becca Fitzpatrick, 2013 Patch and Nora enter a desperate fight to stop a villain who holds the power to shatter everything they've worked for -- and their love -- forever.

Hush, Hush (Collector's Edition) Becca Fitzpatrick, 2025-09-30 Sixteen-year-old Nora Gray is both drawn and repelled by her lab partner, but when she sees V-shaped scars on his back, Nora learns Patch is fighting an ancient battle between the fallen and the immortal.

Finale Hush Hush 4 / Hush Hush 4 Becca Fitzpatrick, 2013-03 Nora está más segura que nunca de que está enamorada de Patch. Sea un ángel o no, él es el indicado para ella. Su herencia y su destino pueden significar que están destinados a ser enemigos, pero ella no puede darle la espalda. Ahora Nora y Patch deben un

Nora should have known her life wouldn't stay perfect for long. Despite starting a relationship with her bad boy guardian angel, Patch, and surviving an attempt on her life, things are not looking up. Patch is starting to pull away and Nora can't figure out if it's for her best interest or if his interest has shifted to her arch-enemy Marcie Millar. Not to mention that Nora is haunted by images of her father and starting to become obsessed with finding out what really happened to him that night he left for Portland and never came home. The farther Nora delves into the mystery of her father's death, the more she comes to question if her Nephilim blood line has something to do with it as well as why she seems to be in danger more than the average girl when she has a guardian angel.
