Medina Charles River Charles River Editors,Jesse Harasta,2018-01-11 *Includes pictures *Traces the history of the area from before Medina to the current day *Includes footnotes and a bibliography for further reading *Includes a table of contents Whenever the Prophet...returned from a journey and observed the walls of Madinah, he would make his Mount go fast, and if he was on an animal (i.e. a horse), he would make it gallop because of his love for Madinah. - Sahih Bukhari - Book 30: Hadith 110 The reason for the existence of most of the world's cities is obvious to geography students. New York and Shanghai control deep ports and straddle great rivers bringing trade from the interior; Paris and London are at the crossing points of major cross-country rivers; Johannesburg sits atop a great mountain of gold ore; and Moscow and Madrid are at the heart of their great nations, easily able to control even the more distant corners of the land. Medina, however, is starkly different. Even centuries before the birth of the Prophet Muhammad, Jews settled on the land to escape persecution at the hands of the Babylonians and Romans, meaning the area and its arid environment brought inhabitants precisely because it wasn't an attractive or resource rich area. In fact, the city fated to become the second holiest city in Islam earned that spot simply by straddling trade routes to the religious city of Mecca, which brought traders and pilgrims in large enough numbers to make it a trade center. Of course, Mecca is now best known for being Islam's holiest city, and it is revered as the birthplace of Muhammad and the site where Allah first revealed the Qu'ran to him. However, the Prophet spent a great deal of time in Medina, especially when he and his supporters found themselves in conflict with the Meccans. Using Medina as a base, Muhammad eventually took Mecca, and both cities became integral parts of the Caliphate that followed. This meant that even as history brought geopolitical changes, Medina remained a city of religious significance for all Muslims, and even though its turbulent history is often overlooked, many people are still quite familiar with the city. Medina: The History of Islam's Second Holiest City traces the history of the most important site in Islam. Along with pictures depicting important people, places, and events, you will learn about Medina like never before, in no time at all.

mountain of gold ore; and Moscow and Madrid are at the heart of their great nations, easily able to control even the more distant corners of the land. Mecca, however, is different, as the city exists solely because it is holy. Even centuries before the birth of the Prophet Muhammad, the leaders of Mecca established that their city was the pre-eminent holy site in western Arabia and established a truce for pilgrims to the city. In the process, one effect of this was that Mecca became a center for might today be described as tourism, as even ancient visitors needed places for food, water, and sleep. At the same time, they could make offerings in the temples and leave with mementos of their time in Mecca. Many also found it convenient to bring their trade goods to the markets of Mecca, where they could find visitors bringing interesting wares from across the region, and the city also enjoyed the status of a trade center. Of course, Mecca is now best known for being Islam's holiest city, revered as the birthplace of Muhammad and the site where Allah first revealed the Qu'ran to him. Within Mecca is the Ka'aba, a building housed within the Al-Masjid al-Haram (Great Mosque) that is considered the holiest site, and wherever they are in the world, Muslims face in the direction of the Ka'aba while praying. A pilgrimage to Mecca is considered a necessity for devout Muslims at some point in their lives, and the city itself is off limits to non-Muslims. Indeed, Mecca is so integral to Islam that the name of the city has entered the English lexicon and is a commonplace reference to any area closely associated with something (such as Paris often being called the mecca of fashion). Even centuries before the birth of the Prophet Muhammad, Jews settled in the area that became Medina to escape persecution at the hands of the Babylonians and Romans, meaning the area and its arid environment brought inhabitants precisely because it wasn't an attractive or resource rich area. In fact, the city fated to become the second holiest city in Islam earned that spot simply by straddling trade routes to the religious city of Mecca, which brought traders and pilgrims in large enough numbers to make it a trade center. While people in the West are more familiar with Jerusalem's importance to Jews and Christians, Jerusalem's particular importance to the religion of Islam is without question one of the major sticking points in the Israeli-Palestinian conflict. Prior to Israeli control, Jerusalem had been predominantly controlled by Muslim rulers since the 7th century and had been used as a type of political currency, legitimizing the ruling dynasty's claim over the city. This right of control by Muslims was viewed no more differently than control over Mecca and Medina in the Arabian Peninsula. For the world's Muslim population, Jerusalem is a holy site because Muslims believe the Prophet Muhammad visited Jerusalem where he ascended to heaven during the famous Night Journey. There was also a period of time during the Prophet's life when Muslims prayed in the direction of Jerusalem, as opposed to Mecca. Just as in Judaism and Christianity, Jerusalem plays a central role in End of Days prophecies in Islamic theology. As a result, Jerusalem has been an important symbol for Muslims for nearly 1,300 years, and it has played a crucial political role throughout the history of Islamic civilization as this important city has passed from ruler to ruler and dynasty to dynasty.

Cities of the Middle East and North Africa Michael Richard Thomas Dumper, Bruce Stanley, 2006-11-16 The first work to offer 5,000 years of authoritative historical coverage of ancient and modern cities in the Middle East and North Africa—from their founding to the present—highlighting each city's cultural, social, political, and economic significance. Cities of the Middle East and North Africa: A Historical Encyclopedia is a comprehensive reference work on major ancient and modern cities in the Middle East and North Africa from their beginnings to today. In an unprecedented work of historical research, renowned experts Bruce Stanley and Michael Dumper provide 5,000 years of authoritative historical coverage as they trace the full trajectory of each city, discuss ties to other cities, and present a comparative analysis of the region through the lens of its cities. The A-Z entries feature extensive information about each city's location, geography, demographics, climate and environmental issues, ancient and classical history, Islamic history, post-1800 C.E. history, architecture, religious significance, cultural issues, society, municipal features, economic issues, and contemporary trends. Introductory essays explore urban general history and historiography, urban planning and modernization, poverty, interaction between cities, social welfare, culture, identity issues, and the place of these cities within the world economy.

The Management of Islamic Activism Quintan Wiktorowicz, 2001-01-01 Shows how the laws governing civil society are used to regulate Islamic activism in Jordan.

Islamic Finance in a Nutshell Brian Kettell, 2011-10-20 The recent turbulence in the global financial markets has drawn attention to an alternative system of financial intermediation: Islamic banking and finance, which has so far remained on the sidelines of the unrest. *Islamic Finance in a Nutshell* is a quick and easy guide to understanding the fundamentals of Islamic Finance and how the Islamic Financial markets work. Designed as a quick read for practitioners needing to pick up the basics of the industry, it will enable readers to understand the differences Islamic and Western finance. Starting with the rise of Islamic finance, the book highlights the key areas which practitioners need to grasp to understand the marketplace including financial statement analysis, Sharia'a law, making money in the absence of interest and regulation. The book also provides readers with a basic guide to Arab terminology and a guide to the top financial institutions within the Islamic markets. This is an ideal guide for anyone with an interest in how these financial markets work, but who do not want to be bogged down in complex and unnecessary terminology.

Also covered are the Native empires of the Americas and the rise of Islamic culture throughout the Middle East and Africa. Volume 3: The Modern World spans the period from the Enlightenment through modern Internet era and global economy, including the founding of the United States, colonial and post-colonial life in Latin America and Africa, and the growth of international cultures and new economies in Asia. Document sources include: The code of Hammurabi, The Manu Smṛiti, Seneca's On Mercy, Josephus's Jewish Antiquities, The Koran, Dante's Divine Comedy, Bernal Diaz del Castillo's The True History of the Conquest of Mexico, The Travels of Marco Polo, Brahmagupta's principles of mathematics and astronomy, The Mayan Popul Vuh, the diary of a Southern plantation wife during the Civil War, and letters from an American soldier in Vietnam Thematically organized sections are supplemented with a glossary of terms, a glossary of names, a timeline of key events, and an annotated bibliography. Document selections are guided by the National Standards for World History, providing a direct tie to the curriculum. This collection is an invaluable source for students of material history, social history, and world history.

The Athaan in the Bull City: Building Durham's Islamic Community Nazeeh Z. Abdul-Hakeem, 2015-08-18 The Athaan in the Bull City: Building Durham's Islamic Community tells the little-known story of the growth of the Islamic community in Durham, North Carolina. Drawing upon his own knowledge of the founding and development of Jamaat Ibad Ar-Rahman, Inc., Nazeeh Z. Abdul-Hakeem, the organization's principal founder, draws together personal recollections and the details of Durham's major Islamic organization to tell about Durham's burgeoning Islamic community. Reaching back across the community's history of more than thirty years, The Athaan in the Bull City recounts how Islam's foundations in Durham rest upon the lives of Black American Muslims. With the passing of years, the community has grown and has changed, as arriving immigrants, Muslims from around the world, have given the community a decidedly international

perspective and outlook.

City of the Great King Nitza Rosovsky, 1996 With majestic sweep and sparkling detail, this magnificent volume brings to life the great and ancient drama of the world's holiest city on the eve of a new millennium. Some three thousand years ago King David captured Jerusalem from the Jebusites and made the city his capital. There Solomon built the Temple and the Jewish people found their spiritual center. From its glory under the House of David to its emergence a thousand years later as the birthplace of Christianity, from its destruction by the Romans to its conquest by the forces of Islam and its Crusader and Ottoman periods, Jerusalem has been endlessly revered and warred over, passionately celebrated and desecrated. Mining the rich evidence of this remarkable history, the world-renowned authors gathered here conjure the Holy City as it has appeared in antique Hebrew texts; in the testimony of Jewish and Christian pilgrims and in art; in medieval Islamic literature and in western nineteenth-century accounts; in maps and mosaics and architecture through the ages. Here is Jerusalem in its physical splendor, the sun rising over the Mount of Olives to touch the golden crown of the Dome of the Rock and warm the crenelated walls of the Old City, with its foundations from the days of the Hasmoneans and Herod the Great, its seven gates and Jewish, Christian, Armenian, and Muslim quarters marked out by the Roman decumanus and the Byzantine cardo. Above the Ramban Synagogue, established by Nachmanides in 1267, looms the minaret of the fifteenth-century Sidi Umar Mosque. Nearby are the foundations and apses of the Crusader Church of St. Mary of the German Knights, which in turn abuts the underground Herodian Quarter, with its fresco-covered walls, mosaic floors, and opulent baths. Remnants of the Nea Church erected by Justinian in 543 and of the Ayyubid tower from the thirteenth century stand within the Garden of Redemption, a memorial to the six million Jews exterminated by the Nazis. Amid these marvels of geography and architecture, the authors evoke Jerusalem's spiritual history, the events and legends that have made the city the touching point between the divine and the earthly for Jews, Christians, and Muslims alike. They trace Jerusalem's fortunes as the City of David, as the site of the Crucifixion and Resurrection of Jesus, as the Furthest Shrine from which the Prophet Mohammed ascended to heaven. Writing from an enlightening variety of backgrounds and perspectives, the authors share a depth of feeling for their subject that imparts a warmth and immediacy to their depiction of the city in all its historic grandeur and

religious complexity. An Armenian Jerusalemite once wrote that in the Holy City each person carries a mirror, but each holds it in only one direction. This book brings all these reflections together to create a living picture of Jerusalem not only in history but also in the hearts of those who call it home and those who revere it as a Holy City.

The Challenge of Islam Douglas Pratt, 2005 Addressing challenges arising from Christian-Muslim encounter, this book engages with the primary challenge - enabling outsiders to understand the religion of Islam. Douglas Pratt offers distinctive perspectives that complement much other literature in the study of Islam and in particular of Christian-Muslim relations and the relation of Islam and the West. Whilst in recent years there have been many introductions to Islam, a book that combines introductory material with issues of the relationship of Islam to Christianity and Judaism, and issues of dialogical engagement, is rare and offers an important complementary perspective to other texts.--Jacket.
