*Jump into the Story* Ray R. Friesen, 2019-02-27 Preaching is a challenging, privileged, and awesome responsibility. As important as mining the text for its meaning and message and making connections to our twenty-first-century world is the responsibility to engage the imaginations of the people in the pews (or chairs). In this book, Ray Friesen--life-long preacher and retired pastor--has provided twenty examples of how to be creative and engage those imaginations. Most were written under the pressures of bi-vocational ministry (preaching forty times a year as half-time pastor and operating a mediation practice). They are offered to you, not as sermons for you to preach, but as examples of what is possible, even with all the other responsibilities you may have. Each sermon and type of creativity will create an opportunity to set your imagination and creativity free to engage the imaginations, hearts, and dreams of your parishioners.

When a peculiar letter arrives inviting Armand Gamache to an abandoned farmhouse, the former head of the Sûreté du Québec discovers that a complete stranger has named him one of the executors of her will. Still on suspension, and frankly curious, Gamache accepts and soon learns that the other two executors are Myrna Landers, the bookseller from Three Pines, and a young builder. None of them had ever met the elderly woman. The will is so odd and includes bequests that are so wildly unlikely that Gamache and the others suspect the woman must have been delusional. But what if, Gamache begins to ask himself, she was perfectly sane? When a body is found, the terms of the bizarre will suddenly seem less peculiar and far more menacing. But it isn't the only menace Gamache is facing. The investigation into what happened six months ago—the events that led to his suspension—has dragged on, into the dead of winter. And while most of the opioids he allowed to slip through his hands, in order to bring down the cartels, have been retrieved, there is one devastating exception. Enough narcotic to kill thousands has disappeared into inner city Montreal. With the deadly drug about to hit the streets, Gamache races for answers. As he uses increasingly audacious, even desperate, measures to retrieve the drug, Armand Gamache begins to see his own blind spots. And the terrible things hiding there.

**Mortality, with Friends** Fleda Brown,2021-09-07 A collection of intensely personal lyrical essays about mortality, living well, art, and love. Mortality, With Friends is a collection of lyrical essays from Fleda Brown, a writer and caretaker, of her father and sometimes her husband, who lives with the nagging uneasiness that her cancer could return. Memoir in feel, the book muses on the nature of art, of sculpture, of the loss of bees and trees, the end of marriages, and among other things, the loss of hearing and of life itself. Containing twenty-two essays, Mortality, With Friends follows the cascade of loss with the author's imminent joy in opening a path to track her own growing awareness and wisdom. In Donna, Brown examines a childhood friendship and questions the roles we need to play in each other's lives to shape who we might become. In Native Bees, Brown expertly weaves together the threads of a difficult family tradition intended to incite happiness with the harsh reality of current events. In Fingernails, Toenails, she marvels at the attention and suffering that accompanies caring for our aging bodies. In Mortality, with Friends, Brown dives into the practical and stupefying response to her own cancer and survival. In 2019: Becoming Mrs. Ramsay, she remembers the ghosts of her family and the strident image of herself, positioned in front of her Northern Michigan cottage. Comparable to Lia Purpura's essays in their density and poetics, Brown's intent is to look closely, to stay with the moment and the image. Readers with a fondness for memoir and appreciation for art will be dazzled by the beauty of this collection.

A man they called the Black Wolf. But their relief is short-lived. In a sickening turn of events, Gamache has realized that plot, as horrific as it was, was just the beginning. Perhaps even a deliberate misdirection. One he fell into. Something deeper and darker, more damaging, is planned. Did he in fact arrest the Black Wolf, or are they still out there? He must be careful not to let the Black Wolf know he has recognized his mistake. In a quiet church basement, he and his senior agents Beauvoir and Lacoste, pore over what little evidence they have. team of supporters realize that for the Black Wolf to have gotten this far, they must have powerful allies, in law enforcement, in industry, in organized crime, in the halls of government. From the apparent peace of his little village, Gamache finds himself playing a lethal game of cat and mouse with an invisible foe who is gathering forces and preparing to strike.

**Quebec's Eastern Townships and the World** Cheryl Gosselin, Andrew C. Holman, Christopher Kirkey, 2025-03-04 The Eastern Townships of Quebec are celebrated in popular discourse as a charming and remote nature playground for busy Montrealers, an appendage to stately Quebec City, and a northern abutment to the Northeast Kingdom of the United States. A closer look reveals a region with its own gravity, sense of being, and worldly connections. Quebec's Eastern Townships and the World examines the region's direct links to larger prevailing international forces and identities. Here, the Eastern Townships take centre stage as the reader encounters the vibrancy of a place marked not by its insularity but by its long history: a central meeting ground shaped by its many engagements with the world. The book provides new perspectives on compelling and significant topics in Townships history and culture, including Indigenous land use, the mobility of peoples to and from the region, linguistic diversity, economic production, education, sport, religion, and culture in myriad forms. These studies recast the Eastern Townships as a centre, a borderland, a lieu de passage between nations, communities, and peoples. Featuring original and compelling insights, Quebec's Eastern Townships and the World confirms that this beautiful region was and is a global place, one intimately connected to the world.

The Routledge Introduction to Canadian Crime Fiction Pamela Bedore, 2024-02-27 Who are the most important Canadian crime and detective writers? How do they help represent Canada as a nation? How do they distinguish Canada's approach to questions of crime, detection, and social justice from those of other countries? The Routledge Introduction to Canadian Crime Fiction provides a much-needed investigation into how crime and detection have been, are, and will be represented within Canada's national literature, with an attention to contemporary popular and literary texts. The book draws together a

representative set of established Canadian authors who would appear in most courses on Canadian crime and detective fiction, while also introducing a few authors less established in the field. Ultimately, the book argues that crime fiction is a space of enormously productive hybridity that offers fresh new approaches to considering questions of national identity, gender, race, sexuality, and even genre.
