

# Isabel Dalhousie Series In Order

## Alexander McCall Smith

**The Quiet Side of Passion** Alexander McCall Smith, 2018-07-31 Isabel finds herself grappling with ethically-complex matters of the heart as she tries to juggle her responsibilities to friends, family, and the philosophical community. With two small boys to raise, a mountain of articles to edit for the Review of Applied Ethics, and the ever-increasing demands of her niece, Cat, who always seems to need a helping hand at the deli, Isabel barely has any time for herself. Her husband, Jamie, suggests acquiring extra help, and she reluctantly agrees. In no time at all, Isabel and Jamie have a new au pair, and Isabel has an intelligent assistant editor to share her workload. Both women, though, have romantic entanglements that threaten to interfere with their work, and Isabel must decide how best to navigate this tricky domestic situation. Can an employer ever inject herself into her employees' affairs? Meanwhile, Isabel makes the acquaintance of Patricia, the mother of Charlie's friend Basil. Though Isabel finds Patricia rather pushy, she tries to be civil and supportive, especially given that Patricia is raising her son on her own, without the help of his father, a well-known Edinburgh organist, also named Basil. But when Isabel sees Patricia in the company of an unscrupulous man, she begins to rethink her assumptions. Isabel must once again call on her kindness and keen intelligence to determine the right course of action, at home, at work, and in the schoolyard.

**A Distant View of Everything** Alexander McCall Smith, 2017-07-18 In this installment of the beloved Isabel Dalhousie series, Isabel is called upon to navigate complex social situations both at home and in her community. A new baby brings an abundance of joy to Isabel and her husband, Jamie—but almost-four-year-old Charlie refuses to acknowledge Magnus, and Isabel struggles to impress upon her older son the patience and understanding that have guided her throughout her own life. These are the very qualities that bring Bea Shandon, an old acquaintance, to seek Isabel's help. Something of a matchmaker, Bea has introduced a wealthy female friend to a cosmetic surgeon, but soon uncovers information leading her to doubt his motives. Isabel agrees to find out more, but as her enquiries take an unexpected turn, she starts to wonder whom exactly she should be investigating. As ever, Isabel's intelligence, wit, and empathy come to her aid as she grapples with issues like friendship and its duties, the obligation of truthfulness, and the importance of perspective.

**A Distant View of Everything** Alexander McCall Smith, 2019 Recently distracted by the arrival of her and Jamie's second son, Magnus, Isabel Dalhousie, editor of the Review of Applied Ethics, has a lot to worry about, including the delayed next issue. It is with some relief, therefore, that she returns to helping out at her niece Cat's delicatessen, where surely the

most taxing duty is the preparation of sandwiches. But it's not long before she's drawn into customers' problems, specifically that of ambitious self-proclaimed matchmaker Bea Shandon. Bea has staged a potentially dangerous liaison involving enigmatic plastic surgeon Tony MacUsraig, who may not be quite what he claims. Intrigued, Isabel dives into the mystery. And when the truth finally reveals itself, she must conclude that no one, including herself, is immune to misunderstandings, or the neurotic fantasies that arise from keeping secrets ...

**The Sunday Philosophy Club** Alexander McCall Smith, 2010-05-28 Introducing the new series from the international bestselling author of The No. 1 Ladies' Detective Agency books — the Sunday Philosophy Club series is set in Edinburgh, Scotland, and stars Isabel Dalhousie, editor of The Review of Applied Ethics and part-time detective. Isabel enjoys wading through the mysteries of life, everything from the morning's crossword to higher philosophical dilemmas, often with the advice of her ethically upright housekeeper, Grace. In this first novel of the series, Isabel witnesses a young man plunge to his death from the upper balcony of the Edinburgh Concert Hall. When Isabel discovers that the young victim had uncovered illicit activities at the brokerage house where he worked, the hunt for answers, and the killer, is on. This new series is a delightful look at a reasonable and logical woman who keeps getting involved in mysteries despite all reason and logic.

**Friends, Lovers, Chocolate** Alexander McCall Smith, 2006-08-29 The delightful second installment in Alexander McCall Smith's already hugely popular new detective series, The Sunday Philosophy Club, starring the irrepressibly curious Isabel Dalhousie — editor of the Journal of Applied Ethics — and her no-nonsense housekeeper, Grace. When Isabel's niece, Cat, asks Isabel to run her delicatessen while she attends a wedding in Italy, Isabel meets a man with a most interesting problem. He recently had a heart transplant, and is suddenly plagued with memories of events that never happened to him. The situation appeals to Isabel as a philosophical question. Is the heart truly the seat of the soul? And it piques her insatiable curiosity: could the memories be connected with the donor's demise? Grace, of course, thinks it is none of Isabel's business. Add to the mix the lothario Cat brings home from the wedding in Italy, who, in accordance with all that Isabel knows about lotharios, shouldn't be trusted . . . but goodness, he is charming. That makes two mysteries of the heart to be solved — just the thing for Isabel Dalhousie.

**Friends, lovers, chocolate** Alexander McCall Smith, 2006 I Edinburgh møder Isabel Dalhousie en mand, der er hjertetransplanteret og nu plages af minder, han ikke selv kan forklare.

The Conditions of Unconditional Love Alexander McCall Smith, 2025-06-10 Everyone's favorite moral philosopher and amateur sleuth, Isabel Dalhousie, is back and once again finds herself facing a number of tricky situations and philosophical questions, both public and private. "McCall Smith's assessments of fellow humans are piercing and profound . . . [His] depictions of Edinburgh are vivid and seamless." —San Francisco Chronicle It seems as if Isabel's life has fallen into a comfortable and tidy rhythm. Well, as tidy as things can be with two small boys wreaking havoc around the house. But when

her husband, Jamie, invites a woman named Dawn—recently embroiled in a contentious affair with a member of Jamie’s orchestra—to stay with them, things begin to go awry. Strange noises can be heard from the upper floor, even when Dawn is supposedly at work, and the couple wonders whether something more nefarious may be afoot. If that weren’t enough, Professor Robert Lettuce is staging an academic conference and has asked Isabel to publish the conference papers in a special issue of the *Review of Applied Ethics*. But something is definitely suspect about the funding, and it will be up to Isabel to sort it out. As the truth comes to light, Isabel must once more rely on her kindness, powers of deduction and philosophical expertise to navigate these sensitive matters.

**The Forgotten Affairs of Youth** Alexander McCall Smith, 2011-12-06 The eighth delightful installment in the ongoing saga of the life and loves of Isabel Dalhousie. As the editor of an applied ethics journal, Isabel Dalhousie is usually tucked away in her editorial office, in the comfortable Edinburgh house she shares with her fiancé and their young son, and does not often meet many fellow philosophers. But while helping in the delicatessen owned by her niece, Cat, she meets Jane Cooper, an Australian philosopher who is spending a sabbatical in Scotland. Isabel learns that Jane needs to find out something about her past. Jane was born in Scotland but taken to Australia as a baby by her adoptive parents. She knows who her mother is, but her father's identity is still a mystery. Can Isabel help Jane uncover this important and potentially unsettling information? And in Isabel's own life, there is the ever-present question of marriage, and also the perennially difficult issue of her relationship with Cat, whose choice of men is as dubious as ever.

**The Novel Habits of Happiness** Alexander McCall Smith, 2015-07-21 The insatiably curious Edinburgh philosopher and amateur sleuth Isabel Dalhousie returns, taking on a case unlike any she’s had before—this one with paranormal implications—in the eagerly anticipated new installment of Alexander McCall Smith’s beloved and best-selling series. Through a mutual acquaintance, Isabel is introduced to a six-year-old boy who has been experiencing vivid recollections of a past life, which include a perfect description of an island off the coast of Scotland and a house on the island where he claims to have lived. When the boy’s mother asks Isabel to investigate, Isabel naturally feels inclined to help, and so she, her husband, Jamie, and their son, Charlie, set off for the island. To their great surprise, they actually locate the house that the boy described, which leads to more complicated questions, as Isabel’s desire to find rational explanations comes up against the uncanny mystery unfolding before her. It’s an extraordinarily delicate situation that will require all of her skills, as both sleuth and philosopher, to solve. Back home, as she begins to prepare the next issue of the *Review of Applied Ethics*, Isabel confronts a threat to her professional well-being in the form of two visiting academics—Lettuce and Dove—who she fears will be a destabilizing influence on her cozy perch in enlightened Edinburgh. But no matter the trials she faces, Isabel is blissfully content in her personal life, which is centered on her young son and devoted husband. Readers will be filled with happiness as they once again spend time with their beloved heroine and the people she holds dear.

The Charming Quirks of Others Alexander McCall Smith, 2010-10-12 The seventh installment in the beloved chronicles of Isabel Dalhousie finds our inquisitive heroine facing new intellectual challenges, but buoyed by her recent engagement to the nearly perfect Jamie. After having dinner with Jamie, Isabel is approached by a pair of old friends, asking her to help them in a rather tricky situation. A successor is being sought for the headmaster position at their alma mater. The board has four final candidates. They received an anonymous letter, however, alleging that one of them has a very serious skeleton in their closet. Could Isabel discreetly look into it? The answer is of course, yes. Although for Isabel the whole investigation is even more revealing: she finds herself attracted to one of the candidates, which complicates her life immeasurably because she is engaged to Jamie, the father of her young son. Dealing with issues of charity, forgiveness and humility, Isabel's most recent investigation is a revealing look at the need we all have to keep a little bit of ourselves hidden.

*The Uncommon Appeal of Clouds* Alexander McCall Smith, 2012-10-23 ISABEL DALHOUSIE - Book 9 Nothing captures the charm of Edinburgh like the bestselling Isabel Dalhousie series of novels featuring the insatiably curious philosopher and woman detective. Whether investigating a case or a problem of philosophy, the indefatigable Isabel Dalhousie, one of fiction's most richly developed amateur detectives, is always ready to pursue the answers to all of life's questions, large and small. In this latest installment of Alexander McCall Smith's endearing Isabel Dalhousie series, the Edinburgh philosopher and amateur sleuth answers an unexpected appeal from a wealthy Scottish collector who has been robbed of a valuable painting. One afternoon over coffee at Cat's delicatessen, a friend of Isabel's shares a call for help from Duncan Munrowe. Crafty thieves have stolen a prized painting from his collection, a work by the celebrated French artist Nicolas Poussin that was earmarked for donation to the Scottish National Gallery. Munrowe has been approached by the thieves and hopes that Isabel will assist him in recovering the painting. Never one to refuse an appeal, she agrees, and discovers that the thieves may be closer to the owner than he ever would have expected. Against the backdrop of this intriguing case, Isabel copes with life's issues, large and small. She and Jamie have begun to suspect that their three-year-old son, Charlie, might be a budding mathematical genius. What should be done about it? Then there is the question of whether Isabel should help a young couple who want to move in together—against the wishes of the girl's parents. The boyfriend is hoping Isabel might intercede. As she wrestles with these problems, Isabel finds herself tested as a parent, a philosopher and a friend. But, as always, she manages to use the right combination of good sense, quick wits and a kind heart to come to the right solution, proving once again why Isabel Dalhousie has become one of Alexander McCall Smith's most beloved characters. This ebook edition includes a Reading Group Guide

**The Sweet Remnants of Summer** Alexander McCall Smith, 2022-07-19 The latest Isabel Dalhousie novel finds our favorite moral philosopher is caught up in a delicate dispute between members of a prominent family as her husband, Jamie, is dragged into his own internecine rivalry. When Isabel is invited to serve on the advisory committee of the Scottish National

Portrait Gallery, her husband, Jamie, expresses concern about the demands on her time. Never one to duck an obligation, however, Isabel says she'd be happy to join. There she meets a woman named Laura, whose husband—a prominent wine merchant from an illustrious family—and son are at odds. Laura asks whether Isabel might arbitrate between them. Isabel is reluctant to intervene in a familial drama but, always one for practical and courteous solutions to theoretical problems, she feels obligated to help. Will the demands on her moral attention never cease? Meanwhile, having criticized Isabel for getting involved in the affairs of others, Jamie does precisely that himself. He's helping to select a new cellist for his ensemble but suspects that the conductor's attention may be focused on something other than his favored candidate's cello skills. Jamie feels it's important that the most qualified applicant gets the job—but how to determine whether the conductor has the right qualifications in mind? With so many complicated and fraught issues demanding their attention, Isabel and Jamie will have to tap deep into their reserves of tact and goodwill as they navigate the tricky and turbulent waters of these emotional matters.

**The Uncommon Appeal of Clouds** Alexander McCall Smith, 2013-07-02 The ninth entry in the ever-delightful Isabel Dalhousie series Isabel, Jamie and Charlie are off to Highland Perthshire to visit an old schoolfriend of Isabel's, who married into a family of wealthy newspaper owners. The weekend is a success apart from one thing: Charlie witnesses a fox being shot by the estate manager, and is very upset. A few weeks later, the Edinburgh press reports a major art theft from the friend's Highland estate, including a valuable Dutch masterwork that was going to pay the estate tax. In helping her friend and the team of lawyers to negotiate the ethical dilemmas of paying ransom for the painting's return, Isabel will face her first real criminals. The lawyers are distinctly suspect, and may be closely tied to the thieves--they may even be the thieves themselves. At the same time, she must confront the thorny issues of old friendships that have run their course and truth-telling in the provision of references.

**The Novel Habits of Happiness** Alexander McCall Smith, 2016-08-23 The tenth book in this beloved author's consistently bestselling series featuring his insatiably curious, ever-delightful Edinburgh philosopher and amateur sleuth who now takes on a case like none she's had before: one with paranormal implications. From a small town outside Edinburgh comes the news that a young boy has been recounting vivid recollections of a past life: a perfect description of an island off the coast of Scotland which he couldn't possibly know, and a house there, where he claims to have spent his former life. When the boy's mother asks Isabel to investigate his claims, she feels she must--of course!--help them learn the truth, and she and Jamie set off for the island. But finding the house the boy described only leads to more complicated questions. And when they learn the tragic story of the family who lived there, Isabel is suddenly faced with a situation of extraordinary delicacy that will require all of her skills both as sleuth and philosopher. (Meantime, back in Edinburgh: Will an elderly lothario take Grace, her stalwart housekeeper, companion and babysitter, away from Isabel? Would Isabel be able to manage without Grace?)

**The Geometry of Holding Hands** Alexander McCall Smith, 2020-07-28 Isabel finds herself entangled in some tricky familial and financial situations that will require all of her kindness, charm, and philosophical expertise to navigate. Just when Isabel and Jamie finally seem to have some time to connect and unwind, a wealthy Edinburgh resident reaches out to Isabel with an unusual request—he would like her to become the executor of his large Highland estate. Though Isabel initially demurs, he presses on. He has only a short time to live, and, without any direct heirs, is struggling to determine which of his three cousins would be the best caretaker. Should it go to the bohemian artist, the savvy city property developer, or the quiet, unassuming bachelor? As if this weren't enough to keep Isabel occupied, she's also spending more time helping her niece Cat at the deli. Cat, perennially unlucky in love, seems to have finally found her match in the leonine Leo. But Isabel is beginning to suspect that Leo might be interested in more than Cat's charms, namely her access to the family trust. Isabel will need to rely upon remarkable reserves of intelligence and compassion in order to give all parties exactly what they want and deserve—no more, and no less.

**The No. 1 Ladies' Detective Agency Box Set (Books 2-4)** Alexander McCall Smith, 2018-05-01 Here are three heartwarming books in Alexander McCall Smith's No. 1 Ladies' Detective Agency Series—now available in a convenient ebook box set. This box set includes books 2-4 of the series: Tears of the Giraffe, Morality for Beautiful Girls, and The Kalahari Typing School for Men. Fans around the world adore the bestselling No. 1 Ladies' Detective Agency series and its proprietor, Precious Ramotswe, Botswana's premier lady detective. In this charming series, Mma Ramotswe—with help from her loyal associate, Grace Makutsi—navigates her cases and her personal life with wisdom, good humor, and the occasional cup of tea.

The Right Attitude to Rain Alexander McCall Smith, 2006-09-19 ISABEL DALHOUSIE - Book 3 Nothing captures the charm of Edinburgh like the bestselling Isabel Dalhousie series of novels featuring the insatiably curious philosopher and woman detective. Whether investigating a case or a problem of philosophy, the indefatigable Isabel Dalhousie, one of fiction's most richly developed amateur detectives, is always ready to pursue the answers to all of life's questions, large and small. The delectable third installment in the bestselling and already beloved adventures of Isabel Dalhousie and her no-nonsense housekeeper, Grace. When friends from Dallas arrive in Edinburgh and introduce Isabel to Tom Bruce - a bigwig at home in Texas - several confounding situations unfurl at once. Tom's young fiancée's roving eye leads Isabel to believe that money may be the root of her love for Tom. But what, Isabel wonders, is the root of the interest Tom begins to show for Isabel herself? And she can't forget about her niece, Cat, who's busy falling for a man whom Isabel suspects of being an incorrigible mama's boy. Of course Grace and Isabel's friend Jamie counsel Isabel to stay out of all of it, but there are irresistible philosophical issues at stake - when to tell the truth and when to keep one's mouth shut, to be precise - and philosophical issues are meat and drink to Isabel Dalhousie, editor of the Review of Applied Ethics. In any case, she's certain of the ethical

basis for a little sleuthing now and again – especially when the problems involve matters of the heart.

**Sweet, Thoughtful Valentine** Alexander McCall Smith, 2016-05-31 Philosopher and amateur sleuth Isabel Dalhousie has an unstinting commitment to her principles. Sticking to her promises has always been one of them. Then Isabel runs into an old classmate facing marital and financial troubles, who reveals a secret that becomes more and more difficult for Isabel to keep. Thankfully, Isabel's devoted husband, Jamie, is there to help our heroine navigate her competing moral obligations. Beautifully perceptive and witty, this original short story by Alexander McCall Smith shows Isabel calling upon all of her intelligence, charm, and tact. A Vintage Shorts Short Story Month Original Selection. An ebook short.

The Comforts of a Muddy Saturday Alexander McCall Smith, 2008 Isabel Dalhousie is asked to help a doctor who has been disgraced by allegations of scientific fraud concerning a newly marketed drug.

**The Careful Use of Compliments** Alexander McCall Smith, 2007-08-07 ISABEL DALHOUSIE - Book 4 Nothing captures the charm of Edinburgh like the bestselling Isabel Dalhousie series of novels featuring the insatiably curious philosopher and woman detective. Whether investigating a case or a problem of philosophy, the indefatigable Isabel Dalhousie, one of fiction's most richly developed amateur detectives, is always ready to pursue the answers to all of life's questions, large and small. In the fourth installment of this enchanting, beloved series, Isabel Dalhousie, who is now a mother, returns to investigate an irresistible puzzle in the art world. Isabel Dalhousie—the nosiest and most sympathetic philosopher you are likely to meet—now has a son, Charlie, whose doting father Jamie has an intriguing idea to pose to Isabel: marriage. But Isabel wonders if Jamie is too young to be serious? And how would Cat respond? On top of these matters, the ambitious Professor Dove has seized Isabel's position as editor of the Review of Applied Ethics. However, nothing it seems can diminish Isabel's innate curiosity. And when she recognizes that two paintings attributed to a deceased artist have simultaneously appeared on the market, she can't help but think that they're forgeries. So Isabel begins an investigation and soon finds herself diverted from her musings about parenthood and onto a path of inquiry into the soul of an artist.

## Whispering the Strategies of Language: An Psychological Quest through **Isabel Dalhousie Series In Order**

In a digitally-driven world where displays reign supreme and quick connection drowns out the subtleties of language, the profound strategies and psychological nuances hidden within phrases frequently go unheard.
