

John D Rockefeller Book

Allan Nevins

Titan Ron Chernow, 2004-03-30 National Book Critics Circle Award Finalist From the acclaimed, award-winning author of *Alexander Hamilton*: here is the essential, endlessly engrossing biography of John D. Rockefeller, Sr.—the Jekyll-and-Hyde of American capitalism. In the course of his nearly 98 years, Rockefeller was known as both a rapacious robber baron, whose Standard Oil Company rode roughshod over an industry, and a philanthropist who donated money lavishly to universities and medical centers. He was the terror of his competitors, the bogeyman of reformers, the delight of caricaturists—and an utter enigma. Drawing on unprecedented access to Rockefeller's private papers, Chernow reconstructs his subjects' troubled origins (his father was a swindler and a bigamist) and his single-minded pursuit of wealth. But he also uncovers the profound religiosity that drove him "to give all I could"; his devotion to his father; and the wry sense of humor that made him the country's most colorful codger. *Titan* is a magnificent biography—balanced, revelatory, elegantly written.

John D. Rockefeller on Making Money John D. Rockefeller, 2015-03-31 Advice and words of wisdom from the greatest American businessman and philanthropist. John D. Rockefeller is considered to be the wealthiest man to have ever lived, after adjusting for inflation. An American businessman who made his wealth as a cofounder and leading figure of the Standard Oil Company, he also had a pivotal role in creating our modern system of philanthropy. Collected in *John D. Rockefeller on Making Money* are the words from the man himself, offering advice on how to successfully start and manage a booming business, as well as the most efficient ways to preserve your wealth once you have acquired it. These quotes also cover: Happiness in the face of great wealth Money and its effects Thoughts on facing public criticism Thoughts on big business in the USA Included are John D. Rockefeller's thoughts on the most sage and conscientious manner of distributing and sharing your wealth when your wealth is overflowing. Finally, we get a glimpse into Rockefeller's life with the inclusion of some of his most personal correspondence.

Titan Ron Chernow, 1998 John D. Rockefeller, Sr.—history's first billionaire and the patriarch of America's most famous dynasty—is an icon whose true nature has eluded three generations of historians. Now Ron Chernow, the National Book Award-winning biographer of the Morgan and Warburg banking families, gives us a history of the mogul etched with uncommon objectivity and literary grace . . . as detailed, balanced, and psychologically insightful a portrait of the tycoon as we may ever have (Kirkus Reviews). *Titan* is the first full-length biography based on unrestricted access to Rockefeller's

exceptionally rich trove of papers. A landmark publication full of startling revelations, the book will indelibly alter our image of this most enigmatic capitalist. Born the son of a flamboyant, bigamous snake-oil salesman and a pious, straitlaced mother, Rockefeller rose from rustic origins to become the world's richest man by creating America's most powerful and feared monopoly, Standard Oil. Branded the Octopus by legions of muckrakers, the trust refined and marketed nearly 90 percent of the oil produced in America. Rockefeller was likely the most controversial businessman in our nation's history. Critics charged that his empire was built on unscrupulous tactics: grand-scale collusion with the railroads, predatory pricing, industrial espionage, and wholesale bribery of political officials. The titan spent more than thirty years dodging investigations until Teddy Roosevelt and his trustbusters embarked on a marathon crusade to bring Standard Oil to bay. While providing abundant new evidence of Rockefeller's misdeeds, Chernow discards the stereotype of the cold-blooded monster to sketch an unforgettably human portrait of a quirky, eccentric original. A devout Baptist and temperance advocate, Rockefeller gave money more generously--his chosen philanthropies included the Rockefeller Foundation, the University of Chicago, and what is today Rockefeller University--than anyone before him. Titan presents a finely nuanced portrait of a fascinating, complex man, synthesizing his public and private lives and disclosing numerous family scandals, tragedies, and misfortunes that have never before come to light. John D. Rockefeller's story captures a pivotal moment in American history, documenting the dramatic post-Civil War shift from small business to the rise of giant corporations that irrevocably transformed the nation. With cameos by Joseph Pulitzer, William Randolph Hearst, Jay Gould, William Vanderbilt, Ida Tarbell, Andrew Carnegie, Carl Jung, J. Pierpont Morgan, William James, Henry Clay Frick, Mark Twain, and Will Rogers, Titan turns Rockefeller's life into a vivid tapestry of American society in the late nineteenth and early twentieth centuries. It is Ron Chernow's signal triumph that he narrates this monumental saga with all the sweep, drama, and insight that this giant subject deserves. From the Hardcover edition.

John D. Rockefeller Hubbard Silas, 1901

John D. Rockefeller Allan Nevins, 1969

John D. Rockefeller Grant Segall, 2001-02-08 Each book is illustrated with a wealth of photographs, documents, memorabilia, framing the personality and achievements of its subject against the backdrop of history.

John D. Rockefeller John Kennedy Winkler, 1931

John D. Rockefeller Allan Nevins, 1959 The life of the nineteenth- and twentieth-century businessman and philanthropist, tracing his rise from worker to oil multi-millionaire and founder of the Standard Oil Company.

John D. Rockefeller, Sr.: America's First Billionaire Daniel Alef,

Titan Ron Chernow, 1999 At the turn of the 20th Century, John D. Rockefeller was America's richest man, the mastermind and creator of the country's first and most powerful monopoly: the Standard Oil Company. The story of

Rockerfeller is the story of a pivotal moment in modern history; the shift, after the American Civil War, from small-scale business to economy of scale.

John D. Rockefeller, 1839-1937, Industrial Pioneer and Man Wallace Trevor Holliday, 1948

John D. Rockefeller, Jr.: A Portrait Raymond B. Fosdick, 2019-07-31 “Mr. Fosdick has written a biography in its formal meaning — fully documented, chronologically precise — and not simply a personal tribute to a friend of more than forty years’ standing. The book, in consequence, is both biography and history, satisfying all the rigorous canons of personal and social analysis. It is to be read as part of the history of our time and as the record of a man of as much consequence to us as have been those other leaders and creators among his contemporaries who have affected public conduct. What we have here, then, is the narrative of a rich man who overcame the almost impossible handicaps of great wealth, limited religious upbringing, and a narrow and protective family circle. He might have become defensive and suspicious, or a recluse cultivating private and expensive hobbies, or a popular leader and therefore a demagogue (such patterns of the behavior of men of inherited fortunes are familiar throughout history), but instead he was able to grow and to assume great, national obligations. What might have been a puzzle slowly disappears under Mr. Fosdick’s skillful scholarship and his deep regard for his friend. The young Rockefeller (he is called throughout the book ‘JDR Jr.’), as early as 1910, when he was 36, severed his direct connections with business: did he do so because of a real or unconscious rejection of his father? Quite the contrary; father and son early forged strong bonds of mutual affection and respect, but while there never was hostility on the part of the son, neither was there subservience. JDR Jr. continued to support the philanthropies founded by the older man, the Rockefeller Institute for Medical Research, the General Education Board, and the Rockefeller Foundation, and to expand them; did he do this because he, like other men in public life — like Theodore Roosevelt, Woodrow Wilson, Louis D. Brandeis — was inevitably swept up in the ‘reform movement’ of the day? That was only a part, and possibly a minor one, of his development. For as his tastes became surer and his vocation clearer, he ranged wider and wider until his interests were as large as those of his country and his world. As one goes over the catalogue of his benefactions and interests — none ever representing a perfunctory concern, most requiring long years of careful planning with a devotion to exact detail that only the truly outstanding seem to possess — one grasps the sweep and boldness of JDR Jr.’s mind. Williamsburg; the Cloisters; Rockefeller Center; the Museum of Modern Art; the restoration of the Athenian Agora; Rheims, Versailles, Fontainebleau; Negro education; the four International Houses; Jackson Hole and the Jersey Palisades; the Library of the League of Nations at Geneva, and the site of the U.N. at New York; the interdenominational movement; the long battle to achieve industrial understanding in two decades marked by bitter strife between management and labor: this is only a partial list. Mr. Fosdick seeks the key to the Rockefellers in some observations made by Frederick T. Gates, that restless and fascinating man who had such a great influence on the lives of both father and son. In 1905, Gates wrote to the father: ‘Two courses are open to

you. One is that you and your children while living should make final disposition of this great fortune in the form of permanent corporate philanthropies for the good of mankind... or at the close of a few lives now in being it must simply pass into the unknown, like some other great fortunes, with unmeasured and perhaps sinister possibilities.' In 1929, Gates was satisfied, for he put down in a private document these remarks concerning JDR Jr.: 'I have known no man who entered life more absolutely dominated by his sense of duty, more diligent in the quest of the right path, more eager to follow it at any sacrifice.'" — Louis M. Hacker, The New York Times "The central theme of Raymond B. Fosdick's book is its subject's career as a philanthropist... This is not an impartial book and was not so intended. Mr. Fosdick is an admiring friend and associate of the man of whom he writes. But if the book is understandably friendly to John D. Rockefeller, Jr., it is also an honest book." — John D. Hicks, The Saturday Review

John D. Rockefeller, 1937

The Classic Autobiography of John D. Rockefeller Random Reminiscences of Men and Events John D.

Rockefeller, 2021-12-07 Random Reminiscences Of Men And Events gives interesting insights into the life of the richest person in modern history. - Probably in the life of every one there comes a time when he is inclined to go over again the events, great and small, which have made up the incidents of his work and pleasure, and I am tempted to become a garrulous old man, and tell some stories of men and things which have happened in an active life. In some measure I have been associated with the most interesting people our country has produced, especially in business men who have helped largely to build up the commerce of the United States, and who have made known its products all over the world. These incidents which come to my mind to speak of seemed vitally important to me when they happened, and they still stand out distinctly in my memory.

John D. Rockefeller on Making Money John D. Rockefeller, 2015-03-31 Advice and words of wisdom from the greatest American businessman and philanthropist. John D. Rockefeller is considered to be the wealthiest man to have ever lived, after adjusting for inflation. An American businessman who made his wealth as a cofounder and leading figure of the Standard Oil Company, he also had a pivotal role in creating our modern system of philanthropy. Collected in John D. Rockefeller on Making Money are the words from the man himself, offering advice on how to successfully start and manage a booming business, as well as the most efficient ways to preserve your wealth once you have acquired it. These quotes also cover: Happiness in the face of great wealth Money and its effects Thoughts on facing public criticism Thoughts on big business in the USA Included are John D. Rockefeller's thoughts on the most sage and conscientious manner of distributing and sharing your wealth when your wealth is overflowing. Finally, we get a glimpse into Rockefeller's life with the inclusion of some of his most personal correspondence.

John D. Rockefeller Earl Latham, 2013-10 This is a new release of the original 1949 edition.

Steady Hands, Lasting Impact John D Rockefeller,2025-09 John D. Rockefeller's enduring insights on success, character, and legacy come to life in this modern edition of his memoirs, complete with guided reflections to help today's entrepreneurs lead with purpose and give back with impact.

Random Reminiscences of Men and Events John D. Rockefeller,2019-11-19 In Random Reminiscences of Men and Events, John D. Rockefeller provides a compelling glimpse into his extraordinary life and the forces that shaped American enterprise in the late 19th and early 20th centuries. The narrative style is introspective and reflective, blending personal anecdotes with broader historical contexts, making it both a memoir and a chronicle of the capitalist spirit. Through vivid recollections, Rockefeller captures pivotal moments and influential figures, from his early days in the oil industry to his philanthropic endeavors, showcasing the intricate interplay between wealth, morality, and societal change. John D. Rockefeller, often heralded as one of America's most significant industrialists, transformed the landscape of business and philanthropy. Born into modest means, his rise to prominence as the founder of Standard Oil reflects not only personal ambition but also the broader dynamics of American capitalism. His experiences and insights often challenge prevailing perceptions of monopoly and altruism, revealing a complex character driven by both profit and purpose, deeply influenced by his own religious convictions and commitment to societal betterment. This book is highly recommended for anyone interested in American history, business ethics, or the evolution of philanthropy. Rockefeller's unique perspective offers valuable lessons on leadership, resilience, and the moral implications of wealth, making it an essential read for scholars, entrepreneurs, and historians alike. In this enriched edition, we have carefully created added value for your reading experience: - A succinct Introduction situates the work's timeless appeal and themes. - The Synopsis outlines the central plot, highlighting key developments without spoiling critical twists. - A detailed Historical Context immerses you in the era's events and influences that shaped the writing. - An Author Biography reveals milestones in the author's life, illuminating the personal insights behind the text. - A thorough Analysis dissects symbols, motifs, and character arcs to unearth underlying meanings. - Reflection questions prompt you to engage personally with the work's messages, connecting them to modern life. - Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. - Interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read.

John D. Rockefeller and His Career Silas Hubbard,1904

The Autobiography of John D. Rockefeller John D Rockefeller,2025-09-03 Step inside the mind of one of history's most influential and enigmatic figures-John D. Rockefeller Sr., the titan of American industry and philanthropy. In this compelling autobiography, Rockefeller shares personal reflections, business philosophies, and vivid recollections of the people and events that shaped his extraordinary journey from humble beginnings to becoming the world's wealthiest man. John Davison Rockefeller Sr. was an American business magnate and philanthropist. As the founder of Standard Oil, he

played a central role in shaping the modern petroleum industry and the foundations of corporate America. He is widely regarded as the wealthiest American of all time and the richest person in modern history, whose legacy continues to influence economics, philanthropy, and ethical business practices. In *Random Reminiscences of Men and Events*, Rockefeller writes with clarity, humility, and surprising warmth, offering insights into his views on business, success, character, and the power of giving. Far from being a dry chronicle, this book presents Rockefeller's life in his own words-rich with anecdotes, reflections, and timeless wisdom. Inside you'll discover: Rockefeller's early days and first business ventures His thoughts on risk-taking, opportunity, and perseverance Lessons on leadership, partnerships, and ethical wealth-building His revolutionary views on philanthropy and social responsibility This edition is beautifully designed and ideal for anyone interested in history, business, or personal development. Whether you're a student of finance, a budding entrepreneur, or simply curious about the life of a true American icon, this book offers a rare and intimate glimpse into the principles that built an empire-and the man behind it.
