Now, after almost twenty years, his brother is applying to be released from a secure psychiatric hospital-and Cyrus is expected to forgive Elias and welcome him home. Elias is returning to a very different world. Cyrus is now a successful psychologist, working with the police, sharing his house with Evie Cormac, a damaged and gifted teenager who can tell when someone is lying. Evie has gone back to school and is working part-time at an inner-city bar, but she continues to struggle with authority and following rules. When a man is murdered and his daughter disappears, Cyrus is called in to profile the killer and help piece together Maya Kirk's last hours. Police believe she was drugged and driven away from the same bar where Evie is working. Soon, a second victim is taken, and Evie is the only person who glimpsed the man behind the wheel. But there's a problem. Only two people believe her. One is Cyrus. The other is the killer--
