

Movie A Long Way Home

Caroline Joan Picart

Long Way Home Cameron Douglas, 2020-09-29 A “gripping memoir (Rolling Stone) of one man’s descent into the depths of addiction and self-destruction—and his successful renewal of family ties that had become almost irreparably frayed. On the surface, Cameron Douglas had everything: descended from Hollywood royalty (son of Michael Douglas, grandson of Kirk Douglas), he was born into a life of wealth, privilege, and comfort. But by the age of thirty, he had become a drug addict, a thief, and—after a DEA drug bust—a convicted drug dealer sentenced to five years in prison, with another five years added while he was incarcerated. Through supreme willpower, a belief in himself, and a steely desire to alter his life’s path, Douglas began to reverse his trajectory, to understand and deal with the psychological turmoil that tormented him for years, and to prepare for what would be a profoundly challenging but successful reentry into society at large.

The Long Way Home: The Collected Short Stories & Other Bruises of Frank Howson Frank Howson, 2016-08-26 The first collection of writings by acclaimed Australian author, filmmaker, playwright and lyricist Frank Howson.

The Long Way Home Kate Shayler, 2001 Australia's own Frank McCourt!' Sally Loane, ABC Radio This is an important story that has long been neglected. We are familiar with stories of the stolen generation and the British child migrants, but there is a third group about whom very little has been written- their white Australian contemporaries who as a result of family breakdown, court orders or abandonment were institutionalised as children. Kate Shayler (pseudonym) grew up a 'homes kid' in the fifties and sixties. Her memoir is more than just an account of her experience as an institutionalised white kid- it's a heartbreaking story of what happens to a child in the absence of emotional support and affection. Far from being a litany of despair, Kate manages to weave into her journey of self-discovery a sense of community, camaraderie, and humour of a childhood of sorts - a 'family' that she was forced to create for herself. *The Long Way Home- The Story of a Homes Kid* will strike a chord with anyone who has ever suffered discrimination, insecurity or the pain of separation from family. It's a timely and profound reminder that every child deserves to be cherished and valued.

The Long Way Home Margot Benary-Isbert, 1959 Thirteen-year-old Christopher comes from East Germany to America as a war orphan, expecting to be adopted by an ex-GI and his French wife. Unforeseen circumstances force him to spend a lonely winter in Chicago before he can join his new family in California.
