**News of the World** Paulette Jiles, 2016-10-04 Soon to be a Major Motion Picture National Book Award Finalist—Fiction In the aftermath of the Civil War, an aging itinerant news reader agrees to transport a young captive of the Kiowa back to her people in this exquisitely rendered, morally complex, multilayered novel of historical fiction from the author of *Enemy Women* that explores the boundaries of family, responsibility, honor, and trust. In the wake of the Civil War, Captain Jefferson Kyle Kidd travels through northern Texas, giving live readings from newspapers to paying audiences hungry for news of the world. An elderly widower who has lived through three wars and fought in two of them, the captain enjoys his rootless, solitary existence. In Wichita Falls, he is offered a \$50 gold piece to deliver a young orphan to her relatives in San Antonio. Four years earlier, a band of Kiowa raiders killed Johanna's parents and sister; sparing the little girl, they raised her as one of their own. Recently rescued by the U.S. army, the ten-year-old has once again been torn away from the only home she knows. Their 400-mile journey south through unsettled territory and unforgiving terrain proves difficult and at times dangerous. Johanna has forgotten the English language, tries to escape at every opportunity, throws away her shoes, and refuses to act "civilized." Yet as the miles pass, the two lonely survivors tentatively begin to trust each other, forming a bond that marks the difference between life and death in this treacherous land. Arriving in San Antonio, the reunion is neither happy nor welcome. The captain must hand Johanna over to an aunt and uncle she does not remember—strangers who regard her as an unwanted burden. A respectable man, Captain Kidd is faced with a terrible choice: abandon the girl to her fate or become—in the eyes of the law—a kidnapper himself.

**The Color of Lightning LP** Paulette Jiles, 2009-03-31 In 1863, the War Between the States creeps slowly yet inevitably toward its bloody conclusion—and eastern thoughts are already turning to different wars and enemies. Searching for a life and future, former Kentucky slave Britt Johnson is venturing west into unknown territory with his wife, Mary, and their three children—wary but undeterred by sobering tales of atrocities inflicted upon those who trespass against the Comanche and the Kiowa. Settling on the Texas plains, the Johnson family hopes to build on the dreams that carried them from the Confederate South to this new land of possibility—dreams that are abruptly shattered by a brutal Indian raid upon the settlement while Britt is away establishing a business. Returning to face the unthinkable—his friends and neighbors slain or captured, his eldest son dead, his beloved Mary severely damaged and enslaved, and his remaining children absorbed into an alien society that will never relinquish its hold on them—the heartsick freedman vows not to rest until his family is whole again. Samuel Hammond follows a different road west. A Quaker whose fortune is destroyed by a capricious act of an inscrutable God, he has resigned himself to the role the Deity has chosen for him. As a new agent for the Office of Indian Affairs, it is Hammond's goal to ferret out corruption and win justice for the noble natives now in his charge. But the proud, stubborn people refuse to cease their raids, free their prisoners, and accept the farming implements and lifestyle the white man would foist upon them, adding fuel to smoldering tensions that threaten to turn a man of peace, faith, and reason onto a course of terrible retribution. A soaring work of the imagination based on oral histories of the post-Civil War years in North Texas, Paulette Jiles's *The Color of Lightning* is at once an intimate look into the hearts and hopes of tragically flawed human beings and a courageous reexamination of a dark American history.

**The Compass of Character** David Corbett, 2019-11-19 Just as a compass provides direction for an explorer, so does motivation provide direction for characters in fiction. The compass of character motivation is composed of four points: Lack, Yearning, Resistance, and Desire. In *The Compass of Character* you'll learn to deeply consider the key question What does my character want? and learn techniques to answer that question by writing realistic and empathetic characters without falling into formulaic, unsatisfying results that only diminish the character. Bestselling author and acclaimed writing instructor David Corbett provides writers with the essentials for building characters with motivations that range from clear to complex by exploring topics such as: • human yearning • pathological maneuvers • the pain of life vs. the promise of life • backstory and behavior • mechanics of growth and transformation • dramatizing mistaken desire and misbegotten yearnings

- moral arguments The key to fascinating characters is rendering subtle inner states in straightforward external circumstances, which requires a fundamental understanding of the simple building blocks of complex motivation as they manifest themselves in behavior, where complexity of purpose collides with the messy, indifferent world. *The Compass of Character* is the one book that can guide writers to that end with both instruction and inspiration.

*The Evolution of the Western* Martin Kich, 2024-09-05 Explore the enduring influence of the Western – the quintessential American film genre – and its essential role in US and world culture. Follow the entire history of the Western, from its roots in the pulp novels of the early 20th century, through the serials of the silent era and the mid-century classics of John Ford and John Wayne, to the recent award-winning revisionist works, like *Unforgiven* and *No Country for Old Men*, that provide a more complex and nuanced take on history of the West. Perhaps more than any other pop culture genre, the Western allows us to view how Americans have seen themselves over the last 150 years. Build a foundational understanding of the genre with 5 introductory essays, exploring the development of the Western Mythos in the traditional Western, the heyday of the traditional Western in the post-WWII period, revisionist Westerns and the counterculture, race and identity, and the Western outside of the USA. Close to 100 encyclopedia entries examine one or more movies or television programs and show how their creation and plots demonstrate the overall evolution of the genre. Easily compare films and TV programs – from early genre favorites such as *Gunsmoke* to more recent releases like *Django Unchained* – with essential facts boxes accompanying each entry, with information on the director, studio, key actors, and box office receipts.

*Simon the Fiddler* Paulette Jiles, 2020-04-14 The critically acclaimed, bestselling author of *News of the World* and *Enemy Women* returns to Texas in this atmospheric story, set at the end of the Civil War, about an itinerant fiddle player, a ragtag band of musicians with whom he travels trying to make a living, and the charming young Irish lass who steals his heart. In March 1865, the long and bitter War between the States is winding down. Till now, twenty-three-year-old Simon Boudlin has evaded military duty thanks to his slight stature, youthful appearance, and utter lack of compunction about bending the truth. But following a barroom brawl in Victoria, Texas, Simon finds himself conscripted, however belatedly, into the Confederate Army. Luckily his talent with a fiddle gets him a comparatively easy position in a regimental band. Weeks later, on the eve of the Confederate surrender, Simon and his bandmates are called to play for officers and their families from both sides of the conflict. There the quick-thinking, audacious fiddler can't help but notice the lovely Doris Mary Dillon, an indentured girl from Ireland, who is governess to a Union colonel's daughter. After the surrender, Simon and Doris go their separate ways. He will travel around Texas seeking fame and fortune as a musician. She must accompany the colonel's family to finish her three years of service. But Simon cannot forget the fair Irish maiden, and vows that someday he will find her again. Incandescent in its beauty, told in Paulette Jiles's trademark spare yet lilting style, *Simon the Fiddler* is a captivating,

bittersweet tale of the chances a devoted man will take, and the lengths he will go to fulfill his heart's yearning. Jiles' sparse but lyrical writing is a joy to read. . . . Lose yourself in this entertaining tale." — Associated Press

**Balls and Stripes** Richard Shellhorn, 2018-03-01 Balls and Stripes is a collection of stories about Alaska's most popular sport, basketball — and more. The title comes from my many experiences playing, coaching, and broadcasting Naismith's game; as well as refereeing the sport and also wearing the stripes of a sergeant in the U.S. Army. Basketball has taken me all over Alaska, with radio gear or whistle in hand. From Barrow to Petersburg, from Dutch Harbor to Tok, it has been a marvelous journey, with countless amusing experiences as well as dramatic moments. Much of the action occurs in my hometown, Cordova. A small fishing town of 2500 located on Prince William Sound, its denizens are passionate about their hoops, and also their rivalry with Valdez, located just 70 miles away. In many ways, sports transcend location. Small town basketball is the same anywhere; yet Alaska, with its vast spaces and dramatic climates, offers unique experiences. In northernmost Barrow, I watched Inupiat cooks shut down a high school cafeteria so they could glimpse the sun for the first time in 67 days; on the way to Dutch Harbor, I heard a pilot announce the reassuring words that he would land the small prop plane whenever we can, to load on fuel necessary to complete the flight; in Petersburg, I learned about julebukking and Men's Night Out. Refereeing, always a source of potential controversy, has provided its share of highlights. How many officials can claim fame for calling a technical foul on a curtain; or playing the first minutes of a championship game with the wrong size ball? Football and baseball are also included. Guess who brought Oregon State's mascot Benny the Beaver to Cordova's Iceworm Festival; and dodged barbed wire while tracking down a fly ball in Korea? And, like so many others, who can not recall in vivid detail a last second shot that didn't go in? People, places, moments. Sports - drama, tears, and cheers. It's all here.

**The Color of Lightning CD** Paulette Jiles, 2009

Monticello Sally Cabot Gunning, 2016-09-06 From the critically acclaimed author of *The Widow's War* comes a captivating work of literary historical fiction that explores the tenuous relationship between a brilliant and complex father and his devoted daughter—Thomas Jefferson and Martha Jefferson Randolph. After the death of her beloved mother, Martha Jefferson spent five years abroad with her father, Thomas Jefferson, on his first diplomatic mission to France. Now, at seventeen, Jefferson's bright, handsome eldest daughter is returning to the lush hills of the family's beloved Virginia plantation, Monticello. While the large, beautiful estate is the same as she remembers, Martha has changed. The young girl that sailed to Europe is now a woman with a heart made heavy by a first love gone wrong. The world around her has also become far more complicated than it once seemed. The doting father she idolized since childhood has begun to pull away. Moving back into political life, he has become distracted by the tumultuous fight for power and troubling new attachments. The home she adores depends on slavery, a practice Martha abhors. But Monticello is burdened by debt, and it cannot

survive without the labor of her family's slaves. The exotic distant cousin she is drawn to has a taste for dangerous passions, dark desires that will eventually compromise her own. As her life becomes constrained by the demands of marriage, motherhood, politics, scandal, and her family's increasing impoverishment, Martha yearns to find her way back to the gentle beauty and quiet happiness of the world she once knew at the top of her father's "little mountain."
