Kiyosaki, 2008-03-26 For years, Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly understand how one's finances work. Too many people are much more interested in the quick-hitting scheme, or trying to find a short-cut to real wealth. In INCREASE YOUR FINANCIAL IQ, Kiyosaki provides real insights on these key steps to wealth: o How to increase your money -- how to assess what you're really worth now, what your prospects are, and how to start mapping out your financial future. o How to protect your money -- for better or for worse, taxes are a way of life. Kiyosaki shows you that it's not what you make....it's what you keep. o How to budget your money -- everybody wants to live large, but you have to learn how to live within your budget. Rich Dad Poor Dad - 20th Anniversary Edition (Hindi) Robert Kiyosaki, 2013

Generation WTF Christine B. Whelan, 2011-05-01 We all know what “WTF” usually means: it’s an exclamation of frustration, anger, and an understandable reaction to the brutal new economic realities that have hit young adults harder than any other group. WTF happened to promises of a bright future? What happened to the jobs? And what do we do now that the rules have changed? Recent college grads were raised in a time of affluence and entitlement, lulled into thinking that a golden future would happen. Young adults with few role models to teach values like thrift, perseverance, and self-control are ill-equipped to cope with sacrifice and failure. Their dismal employment prospects are merely the most visible symptom of more significant challenges. Fortunately, it’s not too late to change course. This optimistic, reflective, and technologically savvy generation already possesses the tools to thrive—if only they learn to harness the necessary skills for success. In Generation WTF, Christine Whelan does just that. Dr. Whelan, one of the foremost authorities on the history of the self-help genre, worked with more than one hundred young people to test and tweak the best old-school advice and personalize it for the modern twenty-something. After a decade of researching the industry—and years advising “WTFers” as they struggle to make their way in the “real world”—Dr. Whelan knows firsthand what advice works and what Generation WTF has to offer.

Rather than focusing on the frustration that “WTF” usually stands for, Dr. Whelan leads the charge to reclaim the acronym as a battle cry for a positive future: Generation WTF will be a wise, tenacious, and fearless generation, strengthened by purpose and hope. This practical new guide will show these WTFers the way to success and instill lasting habits that will serve them well in both good times and bad.

Rich Dad Poor Dad (Kannada) Robert Kiyosaki, 2020-10-26 Robert Kiyosaki's 'Rich Dad Poor Dad' is the #1 Personal Finance book of all time... translated into dozens of languages and sold around the world. 'Rich Dad Poor Dad' is Robert's story of growing up with two dads — his real father and the father of his best friend, his rich dad — and the ways in which both men shaped his thoughts about money and investing. The book explodes the myth that you need to earn a high income to be rich and explains the difference between working for money and having your money work for you. In many ways, the messages of 'Rich Dad Poor Dad', messages that were criticized and challenged two decades ago, are more meaningful, relevant and important today than they were 20 years ago. Rich Dad Poor Dad...

- Explodes the myth that you need to earn a high income to become rich
- Challenges the belief that your house is an asset
- Shows parents why they can't rely on the school system to teach their kids about money
- Defines once and for all an asset and a liability
- Teaches you what to teach your kids about money for their future financial success
