Stairway To Heaven Richard Cole,2014-09-25 The most powerful, popular and enduring rock band of all time, the excitement of Led Zeppelin's music was matched only by the fever pitch of their off-stage antics. In hotel rooms and stadiums, in a customized private Boeing 707 jet and country estates, tour manager Richard Cole saw it all - and here tells it all in this close-up, down-and-dirty, no-holds-barred account. This revised edition brings readers up to date on the lives and careers of the band members, whose wild excesses, bizarre lifestyles and ground-breaking music are now the stuff of legend.

STAIRWAY TO HEAVEN Morgan Ermenegildo,Antonio Pucci,2020-07-13 Finally, after nearly half a century from its release we get to know the true meaning of the most beautiful rock song ever produced, 'Stairway To Heaven' by Led Zeppelin. This book has not been written to win a Nobel Prize in literature, but has been written with passion and attention to details to solve one of the biggest mystery of the musical world. You will get to understand the inspiration behind the song, the beautiful and earthed comparison that the singer and author Robert Plant makes between Faith, Religion and Spirituality, topics which have got more questions than answers. Gently and respectfully Robert Plant has concentrated the life conundrum of the here and now and the possible afterlife options on a single page, while giving a deep meaning and a sense to the purpose of life itself, a result which religion has not been able to achieve in thousands of years. You will come to discover that this masterpiece, this beautiful song's secret is that it has no secrets. The linear and captivating story told in the lyrics represents all of us. It talks in the most humble and respectful way about our hopes and fears, doubts and certainty; it invites us to wonder, but above anything else, guides us gently to acquire a better understanding of the importance of tolerance in life. A song accused of the worst, lyrics with no coherent meaning being as abstract as a dream can be, to get to understand that it is really a dream at the end, the most beautiful dream that any person can ever have while wide awake. It calls in rationality and common sense to look at life and what it has become today, a competitive game with winners and loser, a frantic search for the missing item that can make us feel better, happier, to discover at the end that we are already having all that life needs to become a blessing, a beautiful adventure that we all should enjoy and cherish. Precisely the song that was supposed to have hidden and hideous messages to make people lose themselves, we are going to

understand that it is a song that makes you to find yourself, gives you the courage to be yourself and become a person that can help others along the way. The deepest descent in the topics of theology and religion in which many of us can get confused, completely simplified and expressed with such a clarity and respect that will surprise many. A song which goes from the present to the future, leading us also into the afterlife, explaining to us how to grasp the importance of the here and now, essential to be able to maintain the delicate equilibrium of life on this planets, which starts from an interior equilibrium, inside oneself, made up of well-being and respect, joy and effort used to offer as a result a helping hand to others rather than asking for it. A book of simplified complications and complicated simplicity following the song that has spoken always directly to our heart, leaving the mind Dazed and Confused. Not only you'll get to love 'Stairway to Heaven' more than you ever did before just because of the real simple meaning of it, but you will as well acquire more respect for the author that has made one of the most beautiful and comprehensive yet concise talk about the enormous topic which is spirituality. On top of which, he also laid those few words on one of the most iconic melodies, one of most beautiful musical composition that you can ever hear. If you thought that the song was the most beautiful one of the last 50 years, you will get to appreciate the fact that eventually it will be the most beautiful song ever, full stop. Get ready to be surprised, because at the end you will see that the story narrated in the lyrics, it is a story to which you can relate with easy, actually, you already related with this strangely familiar lyrics from as long as you can remember. This book is here to explain to you the reason why, because the story told in the lyrics, is actually your story.

Stairway to heaven Delinda Dane, 2020-10-01 Craquant en bad boy tatoué. Irrésistible en papa modèle. Il y a quelques années seulement, Tristan était un autre homme. Désabusé, indifférent au succès immense qu'il rencontrait en tant que tatoueur et curieux de toutes les addictions : drogues, alcool... femmes. Mais c'est justement une femme qui a bouleversé sa vie. Enfin, une version miniature : Briar Rose, un mois, fruit d'une nuit furtive avec une inconnue, a été déposée un matin sur le pas de sa porte, abandonnée par sa mère. Depuis, plus rien n'a jamais été pareil. Aujourd'hui, Tristan ne vit et ne respire que pour sa fille, une adorable blondinette de quatre ans. Et s'il y a un sujet qu'il traite avec beaucoup de sérieux, c'est le choix de la personne qui prendra soin de son trésor lorsqu'il travaille au salon de tatouage. Quand il reçoit Heaven Harper pour un entretien, il sait d'office qu'elle ne sera pas retenue pour le poste de baby-sitter. Elle est dé sordonnée, maladroite et, il faut bien l'admettre, beaucoup trop attirante. Très loin, donc, de l'image qu'il se faisait de sa future Mary Poppins ! Pourtant il doit bien prendre en compte l'attachement immédiat de Briar Rose pour cette étonnante jeune femme. Alors, Tristan cède. Pour sa fille, il saura mettre de côté ses réticences... et son trouble.

Selling the Stairway to Heaven Jim Osman,2015-04-01 Heaven visitations are all the rage today. A retelling of the sights, sounds, and smells of a supposed trip to Heaven can land an author at the top of the bestseller list and produce enough speaking engagements, morning television appearances, news segments, and interviews on Christian TV and radio to keep him at the top of the bestseller list for quite some time. In this book, author and pastor Jim Osman of Kootenai Community Church examines the claims of Heaven Tourists: Don Piper (90 Minutes in Heaven), Colton and Todd Burpo (Heaven Is for Real) and Eben Alexander (Proof of Heaven). Pastor Osman offers a critical theological critique of their writings and media appearances, comparing their claims to Scripture and to each other. He also examines their stories for internal consistency. He shows that these eye-witness testimonies of Heaven are not only self contradictory, but more importantly, they contradict Scripture. Pastor Osman calls upon faithful Christians everywhere to reject these cleverly devised fables and affirm their commitment to the sufficiency of Scripture as God's infallible and final revelation. This book will equip you to expose the errors of the Heaven Tourism industry and to defend the truth of Scripture. By providing critical theological reviews of these three bestsellers, this book helps expose the errors made by ALL those who claim to have visited Heaven. Chapter headings are as follows: Introduction Chapter 1 - A Critical Theological Review of Don Piper's Book 90 Minutes in Heaven Chapter 2 - A Critical Theological Review of Todd Burpo's Book Heaven Is for Real Chapter 3 - A Critical Theological Review of Eben Alexander's Book Proof of Heaven Chapter 4 - Conclusion: The Problems with Heaven Tourism Chapter 5 - Do You Know the True Gospel? About the Author All the proceeds from the sale of this book go to the Kootenai Community Church building fund. For more books by Jim Osman, visit <http://www.truthorterritory.com> or visit the Kootenai Church website at <http://www.kootenaichurch.org>.

The Bootleg Guide Garry Freeman,2003-07-14 The Bootleg Guide is the ultimate in reference works for the 1960s and the 1970s bootleg recordings. Within these pages lies a history of rock at its best, as performed on stage or in the studio. Each entry is catalogued by title, date, featured tracks, and contains a quality rating and comments on the nature and origin of the recording. Cross-references are provided to other titles and extensive information is available on alternate titles of bootlegs. In many cases, quirky facts about a particular title are given-something that in itself may make a title a highly desirable and sought-after 'rarity' amongst collectors. Limited editions are listed to help the reader and collector develop a clearer picture of just how obtainable a bootleg may be. Bootlegs are unofficial 'live' and studio recordings of artists and bands that are released onto vinyl, tape or CD. By definition, most are so rare that they change hands only for vastly inflated sums or are traded by networks of dedicated collectors worldwide. Serious fans and collectors have been known to spend as much as \$225 for an original, scratchy vinyl recording of bands like Deep Purple and the Grateful Dead dating back to the early seventies. The rarest of all are akin to valuable paintings as far as collectors and traders are concerned.

So You Think You Know Rock and Roll? Peter E. Meltzer, 2017-06-06 Rolling Stone magazine recently released its list of the 100 greatest albums in rock music history, a period spanning more than fifty years. Nearly 60 percent of those albums were released in the decade from 1965 to 1975—the golden age of classic rock. This book is a wide-ranging portrait of that transformative and remarkable time, from the dawn of the singer-songwriter era to days before disco. This book is presented in a question-and-answer format, but it is hardly a “trivia” book. It covers such diverse topics as censorship, chart phenomena, album covers, rock groupies, manufactured bands, one-hit wonders, rock festivals, supergroups, novelty songs, and the Beatles. All of the major figures of the ‘60s and ‘70s are here: Cream, CCR, Jimi Hendrix, Joni Mitchell, Simon and Garfunkel, the Who, the Rolling Stones, Led Zeppelin, Bruce Springsteen, Queen, Neil Young, the Eagles, the Allman Brothers, Lynyrd Skynyrd, Stevie Wonder, Elton John, Linda Ronstadt, Pink Floyd, Billy Joel, Marvin Gaye, David Bowie, James Taylor, Carole King, Aretha Franklin, Lou Reed, Carly Simon, Laura Nyro, and many others. Exhaustively researched, *So You Think You Know Rock and Roll?* is filled with “I never knew that!” moments on every page.
