## Suzanne Young

*The Program* Suzanne Young, 2023-11-14 After suicide becomes a worldwide epidemic, the only known cure is The Program, a treatment in which painful memories are erased, a fate worse than death to 17-year-old Sloane who knows that The Program will steal memories of her dead brother and boyfriend.

**The Treatment** Suzanne Young, 2023-11-14 Working with rebels to bring down The Program, a suicide prevention treatment in which painful memories are erased, Sloane and James consider taking The Treatment to unlock their memories.

**The Recovery** Suzanne Young, 2015-02-24 Realm hopes that with each past he helps to recover, he'll be able to reclaim a small bit of his own in this spinoff story to Suzanne Young's bestselling duology, *The Program* and *The Treatment*. Six months after the fall of *The Program*, ex-handler Michael Realm is struggling with his guilt. After all, he was instrumental in erasing the memories of several patients—including one he claimed to love. With a lifetime of regret stretched before him, Realm vows to set things right. Along with his friend (yes, friend) James Murphy, Realm will track down those he's hurt in an attempt to give them back their lives—starting with Dallas Stone. He's not looking for forgiveness or redemption; he's not a hero. But helping others may be the only way to save himself.

**The Program & The Treatment** Suzanne Young, 2016-05-17 Suzanne Young's New York Times bestselling duology *The Program* and *The Treatment*—which Booklist called “a fast-paced story that combines an intriguing premise, a sexy romance, and a shifting landscape of truth” in a starred review—are now available together in a collectible boxed set! From New York Times bestselling author Suzanne Young comes a duology set in a chilling world where teen suicide has become an epidemic—and the Program is the only solution. In *The Program*, Sloane and her boyfriend, James, fight to stay out of a government facility that “cures” teen depression by erasing their memories. Their story continues in *The Treatment* as the couple tries to escape from the Program while untangling all the secrets and lies that surround them.

**The Remedy** Suzanne Young, 2023-11-14 Seventeen-year-old Quinn provides closure to grieving families by taking on the short-term role of a deceased loved one, until huge secrets come to the surface about Quinn's own past.

**The Program Complete Collection (Boxed Set)** Suzanne Young, 2019-05-14 Suzanne Young's New York Times bestselling Program series—which Booklist called “a fast-paced story that combines an intriguing premise, a sexy romance, and a shifting landscape of truth” in a starred review—is now available in a collectible boxed set! Enter the world of *The*

Program, where teen suicide is an epidemic and the solutions might be even more dangerous. In *The Program* and *The Treatment*, Sloane and James believe their love is strong enough to withstand anything. But what happens to love without memories? In *The Remedy* and *The Epidemic*, Quinlan McKee is a closer—someone who spends her life playing the role of the recently deceased in order to give their families closure. But can one girl take on so many identities without losing her own? In *The Adjustment* and *The Complication*, Tatum must fight to get her boyfriend Weston to remember her after his stint in *The Program*. Her path to the truth will bring them all together—Sloane, Quinlan, Tatum—in one shocking conclusion to the series.

[The Epidemic](#) Suzanne Young, 2023-11-14 After uncovering a web of deceit that shatters her sense of self, Quinlan McKee embarks on a relentless quest for the truth and stumbles upon a horrifying conspiracy as she learns of an unstoppable impending epidemic.

**The Program Collection (Boxed Set)** Suzanne Young, 2023-11-14 Suzanne Young's complete New York Times bestselling Program series—which Booklist called “a fast-paced story that combines an intriguing premise, a sexy romance, and a shifting landscape of truth” in a starred review—is now available in a hardcover boxed set with a reimagined look! With teen suicide now an international epidemic, all adolescents are under constant scrutiny, with any change in mood landing them in *The Program*, the uncompromising “treatment” that returns patients as shadows of their former selves—blank slates with no memory of their depression...or anything else. What can be done when cures are just as brutal as the disease? Even the Adjustment, meant to undo *The Program*'s damage with an influx of donated memories, leaves teens at odds with themselves. Still, there are some determined to fight back. Sloane and James hope their love can survive stolen memories in *The Program* and *The Treatment*. Quinn's adventures as a closer—someone who spends her life playing the role of the recently deceased to give their families closure—show how *The Program* came to be in *The Remedy* and *The Epidemic*. Tatum and Weston struggle to reclaim their lives and their love after Wes is released from *The Program* in *The Adjustment*, and *The Complication* brings all six teens together in the shocking series conclusion. This thrilling hardcover boxed set includes: *The Program* *The Treatment* *The Remedy* *The Epidemic* *The Adjustment* *The Complication*

**The Complication** Suzanne Young, 2018-04-24 Tatum and Weston seek revenge against *The Program* in this heart-pounding final installment in Suzanne Young's New York Times bestselling Program series—now with a reimagined look. Every cure has a cost. Tatum Masterson learned this after years of being monitored by *The Program*. She witnessed it when her boyfriend, Weston, came back changed, erased. *The Adjustment* came into Tatum's life just when she thought she needed it most, a promise for Wes to get back his forgotten memories. But when the procedure went wrong, a revelation shattered everything Tatum thought she knew. Now with no one left to trust, Tatum must find out what really happened last summer. With the help of the boyfriend she lost, Tatum digs into the past and future of *The Program* and its handlers. Will the two

teens be able to bring about the reckoning their tormentors deserve?

*The Adjustment* Suzanne Young, 2023-11-14 When Tatum's boyfriend Weston loses his memories of her in *The Program*, they decide to undergo *The Adjustment*, where Tatum's memories of their time together are implanted into Weston's mind, but trouble lies ahead when Weston's emotions do not match the experiences.

*The Adjustment* Suzanne Young, 2017 How do you go back to a life you can't remember? Find out in this follow up to the New York Times bestselling *The Program* and *The Treatment*. Tatum Masterson never went through *The Program*. She never had her memory stripped, never had to fight to remain herself. But when Weston, her longtime boyfriend and love of her life, was taken by handlers, she hoped he'd remember her somehow—that their love would be strong enough. It wasn't. Like all returners, Weston came back a blank canvas. The years he and Tatum spent together were forgotten, as well as the week when he mysteriously disappeared before *The Program* came for him. Regardless of his memory loss, Tatum fights to get Weston to remember her. And just as they start to build a new love, they hear about the *Adjustment*--a new therapy that implants memories from a donor. Despite the risks, Tatum and Weston agree to go through the process. Tatum donates her memories from their time together. But the problem with memories is that they are all a matter of perspective. So although Weston can now remember dating Tatum, his emotions don't match the experiences. And this discrepancy is slowly starting to unravel him, worse than anything *The Program* could have done. And as the truth of their life together becomes clear, Tatum will have to decide if she loves Weston enough to let him go, or to continue to live the lie they'd build together. Prepare for your *Adjustment*.

*The Epidemic* Suzanne Young, 2016-04-19 Can one girl help others find closure by slipping into the identities of their loved ones? Find out in this riveting sequel to *The Remedy* and companion to the New York Times bestselling *The Treatment* and *The Program*. In a world before *The Program*... Quinlan McKee has spent her life acting as other people. She was a closer—a person hired to play the role of the recently deceased in order to give their families closure. Through this process, Quinn learned to read people and situations, even losing a bit of herself to do so. But she couldn't have guessed how her last case would bring down her entire world. The only person Quinn trusts is Deacon, her best friend and the love of her life. Except Deacon's been keeping secrets of his own, so Quinn must set out alone to find Arthur Pritchard, the doctor who's been trying to control her life. The journey brings Quinn to Arthur's daughter, Virginia, who tells Quinn the truth about Pritchard's motives. The former closer will start to see that she is the first step in fighting an epidemic. But Quinlan doesn't want to be a cure. And with all the lies surrounding her, she realizes she has no one left to rely on but herself—even if she doesn't know who that is anymore.

**In Nightfall** Suzanne Young, 2023-03-28 In the quaint town of Nightfall, Oregon, it isn't the dark you should be afraid of—it's the girls. *The Lost Boys* meets *Buffy the Vampire Slayer* in this propulsive novel from the New York Times bestselling

author of *The Treatment*. Theo and her brother, Marco, threw the biggest party of the year. And got caught. Their punishment? Leave Arizona to spend the summer with their grandmother in the rainy beachside town of Nightfall, Oregon—population 846 souls. The small town is cute, when it's not raining, but their grandmother is superstitious and strangely antisocial. Upon their arrival she lays out the one house rule: always be home before dark. But Theo and Marco are determined to make the most of their summer, and on their first day they meet the enigmatic Minnow and her friends. Beautiful and charismatic, the girls have a magnetic pull that Theo and her brother can't resist. But Minnow and her friends are far from what they appear. And that one rule? Theo quickly realizes she should have listened to her grandmother. Because after dark, something emerges in Nightfall. And it doesn't plan to let her leave.

*All in Pieces* Suzanne Young, 2016-11-08 From New York Times bestselling author Suzanne Young comes a “tremendously moving” (Booklist) novel about a girl struggling to deal with anger issues while taking care of her younger brother with special needs. “Anger-management issues.” That’s how they classified Savannah Sutton after she drove a pencil into her ex-boyfriend’s hand because he mocked her little brother, Evan, for being disabled. That’s why they sent her to Brooks Academy—an alternative high school that’s used as a temporary detention center. The days at Brooks are miserable, but at home, life is far more bleak. Savvy’s struggling to take care of her brother since her mom left years ago, and her alcoholic dad can’t be bothered. Life with Evan is a constant challenge, but he’s also the most important person in the world to Savvy. Then there’s Cameron, a new student at Brooks with issues of his own; a guy from a perfect family that Savvy thought only existed on TV. Cameron seems determined to break through every one of the walls Savvy’s built around herself, except if she lets herself trust him, it could make everything she’s worked so hard for fall apart in an instant. And with her aunt seeking custody of her brother and her ex-boyfriend seeking revenge, Savvy’s fighting to hold all the pieces together. But she’s not sure how much tighter she can be pulled before she breaks completely.
