**Catalogue of Music for Organ and Instruments** James Laster, 2005 This book presents music titles in which the organ is part of a chamber ensemble. Alphabetized by composer, entries contain the bibliographical information for each title and a brief commentary or description, as well as information on the level of difficulty, timing, mood, fingerings/pedalings, and other performance aids. The selections are suitable for concerts and religious services and are written in a variety of styles, from Baroque to contemporary. This catalogue will be of interest to church organists searching for a piece for organ and brass appropriate for Easter, visiting instrumentalists choosing music for a Sunday service, teachers introducing their organ students to the experience of accompanying a violin, and instrumentalists seeking a composition to play with the organ, among many others.--BOOK JACKET.
