A Nantucket Affair Pamela Sue Kelley, 2020

Nantucket Neighbors Pamela M. Kelley, 2020-11-06 Book your visit to the Beach Plum Cove Inn today.....meet widow Lisa Hodges and her four adult children, friends, and visitors to the newly opened waterfront bed and breakfast. In the first book, *The Nantucket Inn*, Lisa learned that her deceased husband had a hidden gambling addiction and had blown through their retirement savings. Since she'd been raising four children and hadn't worked in years, she had no employable skills. Her only option if she wanted to stay on the island near her loved ones, was to rent out her second floor rooms. And she's loving it so far. Lisa's first guest, restaurant owner Rhett Byrne quickly became a close friend and then something more. In her early fifties, it sounds strange to her to call him her boyfriend, but that's what he is. Her daughter Kristen, finally ended things with Sean, the separated man that no one in the family was excited about. It wasn't until she was beginning to move on, that he filed for divorce, and then begged her for another chance. So she gave him one, much to everyone's dismay. But then the cottage next door is sold, and she discovers who her new neighbor is. Chase, the only boy in the family, has never been serious about anyone before. But he's suddenly withdrawn and has been secretive about who he's seeing, which only makes everyone that much more curious. When they learn who it is, the concern grows as no one wants to see Chase hurt, again. Lisa's best friend, Paige, has a new neighbor too and it's one she is most decidedly not enthused about. Violet was one of the women who stood up at town meeting and protested against Lisa's inn being approved by the selectman. Because the house is right next door, Paige can't help but notice the steady stream of traffic. Violet seems to be very popular with a lot of people. The inn is doing well and bookings are up, but then one Friday night, a guest that prepaid for the weekend never shows up. And quite a few people, including the police, come asking questions.

Nantucket Threads Pamela M. Kelley, 2021-01-19 Izzy's life is about to change soon in the biggest way possible. She is excited and nervous and torn about whether or not to give her ex, Rick Savage another chance. Rick has tried to be a better man. He's gone through anger management classes and really seems to be making an effort. But is that enough? Does she owe it to him, to them, to try one more time? Or is it okay for her to move on and possibly even consider a future with someone else? Not that she is looking to do that, but there is someone else who she has known as a friend for a long time. He's a very good friend and at times she wonders if there could be something more there. But, she has bigger things to

consider first. Someone other than herself and it's all new to her. But, her sister Mia is there to help. Izzy is now living with Mia since her condo was renovated. And Mia has a promising new romance. And there's a lot going on with the Hodges family too. Kate has a very big announcement and Lisa learns that she has been violating a major rule for her bed and breakfast. So changes are coming....

Nantucket Homes Pamela M. Kelley, 2023-01-24 It's Fall on Nantucket--and change is in the air! There's a new arrival to the island. Kay Johnson, a widow, was a friend of Lisa's mother and is like an aunt to Lisa. Kay is excited to relax and enjoy Nantucket—she's already signed up for a Needlepoint class. She's not at all looking for romance, but she is happy to make a new friend in neighbor Walter Sturgess, a widower. When the story begins, Walter's son Travis, CEO of a tech company he founded in Silicon Valley, and his four-year-old daughter, Sophie, are living with Walter until Travis's new home is ready for them to move in. That new home is being built by Chase Hodges, Lisa's son, and is located on the ocean, next to the home where Victoria grew up--and is now living temporarily with her parents, since she and Sean—her long-term boyfriend and fiancé, broke up. When she sees Travis for the first time in many years, Victoria realizes he is in a similar place, since his divorce. She didn't even recognize Travis at first. He had to remind her that they'd once dated in high school, before she dumped him for Sean, the star quarterback. Travis is all grown-up now, but even if she was interested in dating, Victoria has never been anxious to have children, let alone take on someone else's. Meanwhile, Lisa's online food business was growing steadily until recently when she discovered several competitors making copycat lobster quiches and it is affecting her sales. Marley, her marketing advisor, studies the situation and advises what Lisa thinks is a questionable suggestion- but she's willing to give it a try. Chase and Beth are also dealing with some unwelcome competition, when Chase discovers that he's losing new business bids to an upstart construction company--that is underbidding by such an amount that Chase can't imagine how they are making a profit. And speaking of babies, Victoria isn't the only one who isn't sure she wants to have children. Now that she and Tyler are married, Kristen has been thinking a lot about that as well. Come back to Nantucket and see what all of your old friends are up to. If you like romantic women's fiction and family focused stories you might find yourself addicted to this series. Be sure to start with book one, *The Nantucket Inn*.

A Nantucket Affair Pamela M. Kelley, Everyone thought they had the perfect marriage. But things are sometimes not what they seem. An instant Wall Street Journal and USA Today best seller. Lisa Hodges has always thought her best friend Sue had a dream marriage. She'd married Curt, her high school sweetheart and current business partner. After thirty-five years of marriage, she never doubted him once--until Brandi Morgan joined their thriving insurance company. Brandi is thirty-five, blonde and beautiful and is also excellent at her account manager job. All the clients love her and business is up. Sue liked her quite a bit too--until the rumors started swirling. And it all began with *A Nantucket Affair*, the island's biggest charity gathering with a catered dinner and dancing on the beach. As usual, Curt is the chairman for the gala, and this year, he has a new second in command, Brandi. Sue didn't give it a second thought, until Curt suddenly dropped the fifteen pounds he'd been whining about wanting to lose and a few well meaning friends started asking her what was going on. Meanwhile, Kristen's boyfriend, Tyler is dealing with a devastating loss and Kristen wants to be there for him, but isn't sure how best to support him, especially when she discovers a secret he's been keeping, one that could have devastating consequences for both of them. Abby is busy learning how to be a new mother, and Lisa is madly in love with her first grandchild. And Chase and Beth have discovered a new passion project--flipping houses. Beth does the research to find the undervalued homes and Chase works his magic to renovate them. But then they get in over their heads when a project requires more than they could ever have imagined.

Abby is dealing with an issue she didn't expect. Marley's ex-husband announced he wants her back, now that she's moved on. And Taylor's co-worker, another newish reporter has heard a rumor about celebrities filming on the island and is chasing a story that doesn't want to be caught.

The Nantucket Inn Pamela M. Kelley, 2019-04-27 Lisa Hodges needs to make a decision fast. Thanks to her dead husband's gambling addiction, their savings is almost gone. In her early fifties with a large, waterfront home on Nantucket to support, Lisa hasn't worked in over thirty years, has no in-demand skills and is virtually unemployable. Her only options are to sell the house and move off-island, or, she could use her cooking and entertaining skills and turn her home into a bed and breakfast. She desperately needs it to succeed because she has four grown children with problems of their own and wants to stay close to them. Her oldest daughter, Kate, has a fabulous career in Boston--working as a writer for a popular fashion magazine and engaged to a dangerously handsome, photographer, who none of them have met. Kate's twin, local artist, Kristen, has been reasonably content with her on-again off-again relationship with an older, separated businessman. Her son, Chase, runs his own construction business and is carefree, happily dating here and there but nothing serious. Youngest daughter, Anna, is happily married to her high school sweetheart, and they've been trying to have a baby. But it hasn't happened yet, and Anna wonders if it's a sign that maybe their marriage isn't as perfect as everyone thinks. Come visit Nantucket and see how Lisa's new bed and breakfast has an impact on almost everyone in her family. Especially if they find out why she was fired. She has no family other than an overly vocal, elderly cat named Sam. Just as she's about to get her courage up to make the call and ask for help, a letter arrives by certified mail. With information about the will of a grandmother she never knew she had. And now this grandmother, Olivia Stark, has left her a cottage on Nantucket, a small island clear across the country. A quick google search tells her that selling it could be the answer to all of her financial problems. There's also a bank account with just about enough money to cover some needed repairs and a plane ticket to Nantucket. So, off she goes, intending to fix the house as fast as possible, sell and move home to San Francisco. But then she meets the Hodges family. And finds an old journal of her grandmother's while cleaning a closet. She also meets a charismatic, writer/film producer who splits his time between Nantucket and LA. Everyone warns her that Philippe Gaston isn't one to settle down, and he admits it himself, even as he finds himself drawn to Angela. But Angela is on a mission to fix up the cottage, sell and return to San Francisco. She's not looking to set down roots somewhere new.
