Under the Blood D.L. London, 2014-09-08 Under the Blood is a sensual novel of mystery, love, sex and betrayal encased in religion. Diana Landon is the mother of the young Luke who falls in love with the 20 year old Mattdrea Cyrus. She portrays the love of a mother and demonstrates what she will do to protect her sons. Diana is the connection through the story. Luke Landon is the 21 year old cop hero who wants to please and love Mattdrea no matter what he has to do to keep her happy. His attachment to the Cyrus family grows as his mission to be the stabilizer to a broken family that was ruined by a selfish, pathological liar. Luke takes the part of father to little Audrey, Mattdrea's sister. Mattdrea Cyrus is the beautiful young and innocent girl who grew up in a very strict Pentecostal religion. Used to having all the attention from the opposite sex and getting what she always wants, she meets her match with Luke. Mattdrea is the daughter of Matthew Cyrus, the prominent United Pentecostal Church preacher. Exposed to Luke, her life changes. The guilt of being with someone not baptized in the Pentecostal tradition wears on her. Thomas Dixon is the strong willed Southern preacher and the man Rachel, Mattdrea's mother, leaves her husband Matthew for. Rachel's selfish acts lead to disaster, disturbing the church and the families. Ultimately, Luke becomes ensnared in the corruption of lies and deceit. The intriguing story of betrayal and revenge takes place in Florida over a period of 9 years. Bible verses are used throughout the book bringing attention to the Word of God.

Teach Me What Mama Didn't Know Angela Baker-Ward, 2018-09-01 There once lived a little timid girl. She had in her lifetime been abused, neglected, and rejected by many. She was fed and believed the lies that she would never be worth anything to anyone. So she used to consider putting an end to her very existence. That was until one day, she heard about a man named Jesus, a man who loved her more than she could ever imagine. In Teach Me What Mama Didn't Know, author Angela Baker-Ward shares an intimate chronicle of her life both before and after she accepted the invitation from Jesus into her heart and asked him to be Lord over her life. It was from that very moment she began to see the dawning of new days filled with love, peace, and joy, and she offers this window into her life so that others may find the healing that only Christ

can provide. Teach Me What Mama Didn't Know is a perfect book for both individual and group studies. It's a great gift to aid in passing on life instructions to friends and family. For anyone tired of the everyday struggles, for anyone trying to start over, and for anyone leaving behind a life of abuse, Teach Me What Mama Didn't Know can lead to you a life full of hope. Teach Me What Mama Didn't Know is biblically based, heartfelt advice, some drawn from explicit exploration of painful life experiences spiritually interpreted to transform trauma to triumph. - Dr. Donna, M.D.

Destiny Peter James Ford,2024-03-04 "DESTINY" is a book recording the continual soul expansion of the seeker, Peter James Ford. Peter's journey began after a powerful spiritual experience in the little historic seaport in Newburyport, Massachusetts. In Peter's late night meditations which were along the Merrimac River, the boardwalk, the Salisbury Reservation on the Atlantic Ocean, Plum Island, Maudsley Estate State Park, Pow Wow Hill (Native American Burial Grounds) and Old Hill Burial Grounds he was having vivid visions in his mind of 'seeming' past life experiences and powerful insights. Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see. Peter's intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources. One source may be the Akashic Records/Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons. We can access this power through ancient spiritual practices and apparently Peter has done just that. Stories and Tales began flowing from Peter and he wrote his first book. In the last three years Peter has written ten more books and shares everything he has found from his journeys to the inner worlds. Peter wrote a seven-

book series under the title “MYSTICISM IN NEWBURYPORT” then the eighth and ninth bonus/companion books called “MYSTIC” & “VISION QUEST.” Then “SHAMBHALA’S GHOSTS” was to join the collection of mystical tales. Now you are holding his new writings in your hands. Peter laughingly calls himself “An Unlikely Messenger” as his younger years were nothing resembling anything spiritual. So, here is the story of just another seeker realizing his divinity and returning to his own heart...

Faithfully Religionless Timber Hawkeye,2016-01-26 Discover the difference between feelings and emotions, the disparity between truths and facts, and the countless benefits of mindful living. When his pursuit of happiness in Corporate America feels counterproductive, Timber Hawkeye escapes the fluorescent-lit hell of his cubicle in Seattle and sets out to fully embrace the stress-free lifestyle of Hawaii. Intrigued and curious about what people believe (and why they believe what they do), he questions everything he ever thought was true and discovers the beauty of letting go. If you consider yourself spiritual but not religious, then you're going to love this inspirational book. And if you want to lead a simple and uncomplicated life with happiness at your fingertips, then you'll want to read this page-turner more than once! It's not that I'm against religion, I simply don't have one (nor do I believe that we need it to be ethical). My faith is doctrine-free, with a definition of God that doesn't conjure a white man in the sky who dispenses blessings for good behavior and harsh judgments to condemn the bad. That's because I don't believe God does that; religion does. You see, faith is a spiritual practice of continually letting go of certainty, of ego, and of the underlying need to know, while religion is a ceremonial tradition of hanging on, clinging to concrete dogmas, stubborn rigidity, and ageless rituals.

We Are Market Basket Daniel Korschun,Grant Welker,2015-08-12 What if a company were so treasured and trusted that people literally took to the streets—by the thousands—to save it? That company is Market Basket, a popular New England supermarket chain. With its arresting firsthand accounts from the streets and executive suites, We Are Market Basket is as inspiring as it is instructive. What is it about Market Basket and its leader that provokes such ferocious loyalty? How does a company spread across three states maintain a culture that embraces everyone—from cashier to customer—as family? Can a

company really become an industry leader by prioritizing stakeholders over shareholders? After long-time CEO Arthur T. Demoulas was ousted by his cousin Arthur S. Demoulas, the company's managers and rank-and-file workers struck back. Risking their own livelihoods to restore the job of their beloved boss they walked out, but they didn't walk far. The national media and experts were stunned by the unprecedented defense of an executive. All openly challenged the Market Basket board of directors to make things right. In the end: They were joined by loyal customers at protest rallies—leaving stores empty. Suppliers and vendors stopped deliveries—rendering shelves bare. Politicians were forced to take sides. Set against a backdrop of bad blood and corporate greed, *We Are Market Basket* is a page-turner that chronicles the epic rise, fall, and redemption of this iconic and uniquely American company. Mysticism in Newburyport Peter James Ford, 2023-06-11 MYSTICISM IN NEWBURYPORT is a seven-book series revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter's powerful spiritual awakening in Newburyport, Massachusetts. Newburyport is a quaint little, historic seaport on the coast of Massachusetts heading towards New Hampshire. Peter had been sober in the 12-step recovery program for many years and had recovered from his alcoholism. Peter's love of Nature had brought him to the Newburyport area. This area is rich with Nature's treasures, Native American Heritage and many tales from the tall cargo ships of olden days. High street was lined with homes of these Sea Captains. Peter's awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past lives experience with his Mystery Woman guide named Layne. Layne was a mystic that would tell people things about themselves that there was no way she could know. She would look you in the eyes and tell you your deepest secrets. She also knew about the Earth's electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter's new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport. Market Square was one of the crossroads for these powerful electromagnet energies that gives life to our planet. Peter was to share the secrets that were revealed to him in his writings.
