Miracle Karen S. Chow, 2023-03-28 A glittering story about life and loss that follows Amie as she learns to heal and move forward over the course of a life-changing year, for fans of *When You Trap a Tiger* and *The Remarkable Journey of Coyote Sunrise*. Amie has spent her life perfectly in tune with Ba-ba, her father—she plays the violin, his favorite instrument; she loves all his favorite foods, even if he can't eat them during his cancer treatments; and they talk about books, including Amie's favorite series, *Harry Potter*. But after Ba-ba dies, Amie feels distanced from everyone close to her, like her mother and her best friends, Rio and Bella. More devastating still, she loses her ability to play the violin—the notes that used to flow freely are now stilted and sharp. Will Amie ever find her way back to the music she once loved? With hope and harmony lighting the way—and with help from the people who care about her most—Amie must find the strength to carry on. In the end, she'll learn that healing, while painful, can be its own miraculous song. Advance Praise for *Miracle*: A beautifully written debut about family, friendship, and life after loss. *Miracle* will be a miracle for the readers who need it. —Dusti Bowling, bestselling author of *Insignificant Events in the Life of a Cactus* and *The Canyon's Edge* A symphony of loss and healing that's certain to tug at your heartstrings. —Cindy Baldwin, author of *Where the Watermelons Grow* Genuine, sincere, authentic—this book is a gift to readers. —Mary E. Lambert, author of *Family Game Night and Other Catastrophes* A touching book about a difficult subject. It brings a quiet hope to young readers who may be dealing with their own loss, showing that they can find a path forward even after the hardest events. —Melissa Dassori, author of *J.R. Silver Writes Her World* A CCBC BEST BOOK OF THE YEAR A moving, musical interlude on grief ... a great pick for anyone with a love of music or with a cloud of grief lingering over them. Hand to fans of Lynne Kelly, Christine Day, and Paul Acmopora. —Booklist Bolstered by an undercurrent of hope, Chow honors the tween protagonist's complexities and priorities as explored via

Amie's candid voice." —Publishers Weekly This lyrical narrative weaves in musical elements to effectively describe the complexity of Amie's grief and its effects on her love for music. —BCCB Perfect for middle school music nerds, especially those undergoing personal turmoil. —School Library Journal

A Violent Conscience Leonard Engel,2010-03-08 Mysteries and detective stories are among the most popular of books but the writers of such genre fiction suffer from a perception that their work is to be taken less seriously than so-called literary fiction. The novels of James Lee Burke, one of the most distinguished writers of crime novels, challenge that notion, as do the 12 essays in this collection. This work examines Burke as a writer who has expanded the mystery-detective genre with an astonishing diversity of themes, imaginative language and descriptions, and unforgettable characters. He seems unbounded by limitations of genre. An interview with Burke is included.

A View Most Glorious (American Wonders Collection Book #3) Regina Scott,2021-10-05 Scott's historical inspirational romance captures the magnificence of the mountain and the thrilling triumph of climbers in the 1890s . . . This is a truly remarkable conclusion to Scott's exceptional American Wonders trilogy.--Booklist starred review *** Reluctant socialite Coraline Baxter longs to live a life of significance and leave her mark on the world. When her local suffragette group asks her to climb Mount Rainier to raise awareness of their cause, she jumps at the chance, even though she has absolutely no climbing experience. If she can do it, any woman can do it. And after her mother issues an ultimatum--that Cora marry the man of her mother's choosing if she is not successful--Cora must do it. But she can't do it alone. Noted mountain guide Nathan Hardee initially refuses to help Cora, but has a change of heart when he sees what is at stake. He knows enough about the man Cora's mother has chosen to know that the headstrong young woman should have nothing to do with him, much less marry him. Climbing Rainier will require all of Cora's fortitude and will lead her and Nathan to rediscover their faith in God and humanity. These two loners make unlikely partners in righting a wrong and may just discover that only together is the view most glorious.
