Mountain of My Dreams Richard T. Antony,2003-03-07 Most people end up questioning what they've chosen to do with their life. Richard Antony, an electrical engineer, went beyond just asking himself the age-old question. In the late 1970s, he convinced his wife, Sandra, a contract specialist, they needed to give up their promising careers and comfortable suburban lifestyle to start an azalea nursery in the foothills of the Virginia Blue Ridge Mountains. Because the couple had no horticultural training or business experience, few mechanical skills, and absolutely no idea what they were getting themselves into, numerous adventures followed. In the first of four planned books, Richard recounts, through hundreds of vignettes, the couples colorful story, a story of triumph and despair, of high expectations and harsh reality, and of the people who touched their lives along the way. In the tradition of such classics as *The Little House on the Prairie* and *Walton's Mountain*, *Mountain of My Dreams* shares the true story of two ordinary people and their memorable, often remarkable twenty-five-year journey. Much more than just another back-to-the-land chronicle, this is a heartwarming tale of a man, a woman, and their belief in each other. If you've ever wondered why the less traveled road is less traveled, you need to read their story.

Beyond Reckless: Teller's Story, Part One (Lost Kings MC #8) Autumn Jones Lake,2017-09-18 Blood doesn't make you family, loyalty does. Marcel "Teller" Whelan, Treasurer of the Lost Kings MC, has always been two things—honest and

responsible. At ten years old, he was already taking care of his baby sister. At eighteen, he patched into the Lost Kings MC and took a major role in shaping the club's future. Three years ago, he thought he'd met the perfect woman, only to have her reject everything he is—a Lost King. One bullet is a lifetime supply. Now, after an accident that left a girl dead and him almost crippled, he's struggling through the darkest time in his life. Lashing out at everyone he loves most is how he copes. His niece, sister, and Lost Kings MC family are the only things holding him together, but his reckless actions are bound to drive everyone away. Then, in the most unlikely place, he crosses paths with her again. Love soothes our inner demons. The spark's still there—for both of them, even with Teller's many demons still chasing him down. She's not who he thought she was. But she is the true ride or die girl he needs by his side. Love is worth the chaos. As their relationship continues, he stops lashing out at his brothers and starts lying to them. When they find out who he's falling in love with, it will create a storm of chaos for the Lost Kings MC. But if there's one thing Teller's turbulent life has taught him, it's that sometimes love is worth the chaos.
