

Como Hacer Un Business Case

Michael Hoelscher

Managing Successful Projects with PRINCE2 Office of Government Commerce, 2009-11-17 Spanish translation of 5th edition of Managing successful projects with PRINCE2 (2009, ISBN 9780113310593)

Practice Of Business Ethics - Case Study Of Johnson & Johnson Hiroo Takahashi, 2022-10-04 This book is an excellent book on business ethics and will be an invaluable resource for all readers who are keen to learn about the business ethics and key characteristics of a successful company. It focuses on the case study of a global company, Johnson & Johnson (J&J), which oversees more than 250 operating units throughout the world. Through extensive interviews with top executives at J&J's headquarters, including Masami Atarashi and Mitsuo Hirose and attending workshops, Prof Hiroo Takahashi acquired an in-depth understanding of the management style of J&J, grasped the company's ethics and the code of business conduct which is shared by J&J's members throughout the world.

Exploring Politeness in Business Emails Vera Freytag, 2019-10-11 Exploring Politeness in Business Emails explores the contextual complexities of workplace emails by comparing British English and Peninsular Spanish directive speech events and systematically assessing the impact of contextual factors. Through a combination of qualitative and quantitative methods of data collection and analysis, and the inclusion of metapragmatic insights in the interpretation of the results, the book offers an innovative approach to the study of politeness. The book partially contradicts previous assumptions about English and Spanish directives and provides new insights into the role of politeness in the workplace. By offering a meticulous account of the linguistic choices made by the English and Spanish first language users and the contextual factors influencing these choices, the book suggests far-reaching implications for future research in cross-cultural pragmatics and business discourse, as well as practical implications relevant for academics, postgraduate students and practitioners interested in these fields.
