Dolores Cannon

They Walked with Jesus Dolores Cannon, 2011-05-30 Sequel to Jesus and the Essenes. The past-life memories of two women capture a true and compelling portrait of Jesus the man, from the healing miracles he performed to the gentle philosophy he preached. This is an INSIDER view, direct from Jesus' time, deep in feeling tones and profound in implications, giving a sense of how things truly were. This book includes drawings of the Temple and Old Jerusalem, and includes scenes at the Temple in Jerusalem, visits to homes and leper colonies, political intrigues leading to the crucifixion, and also the personal feelings of those who met him. The realism of this information is astounding.

Application of Impossible Things - My Near Death Experience in Iraq Natalie Sudman, 2021-02-09 Natalie's near death experience when her truck was hit with a roadside bomb in Iraq. She recalls the entire spirit side experience as they repair her body so she could live.

The Rise of the Kingdom of Heaven, Volume 1 (Paperback) Gerhard Alm, 2008-10-25 Living in a Hippie Community in the Australian rainforest, I, in January 1992, started to write about my visions and spiritual experiences. I described ten places in our heads as homes of the human spirit. There are many publicly known people, who are involved in the move of the Earth to a higher dimension in 2013. More than 200,000 people live on Earth and at the same time on a parallel world, which is a home for immortal people. The evangelist John spoke with a Cross of Light. I believe that a new Cross of Light will appear on Earth soon. In July 1979 I met the devil and his wife on the inner-German border. I name some people, who have been the devil of previous Earth-like planets in older universes. Alex Collier wrote in '95 that since my 40th birthday (on 3/23/1994) vibrations leave all black holes of our (local) universe, changing its nature, lifting all planets into higher dimensions. I believe these frequencies come from the Immortals, living on Earth now, including me.

Lifting the Veil on the Lost Continent of Mu, the Motherland of Men Jack Churchward, 2011-08-01 A re-issue of the 1926 classic by James Churchward, The Lost Continent of Mu: Motherland of Men supplemented with fresh research and new material by the author's great-grandson. In the 1920s, James Churchward wrote a series of groundbreaking books about the lost continent of Lemuria which he called the land of Mu. The basic premises are these: • The Garden of Eden was not in Asia, but on a sunken continent in the Pacific Ocean. • The Biblical story of creation came not from the peoples of the Nile, but from this now submerged continent of Mu—the Motherland of Men. • Mu was an advanced civilization of 64 million

inhabitants... He obtained the information by living with monks and translating unknown manuscripts. Over the years, his books have come to be considered occult classics. Now his great-grandson, Jack Churchward, has resurrected this valuable work and added his own research. Included: · The Lost Continent · The Land of Man's Advent on Earth · Egyptian Sacred Volume, Book of the Dead · Symbols of Mu · North American's Place Among the Ancient Civilizations · The Geological History of Mu · Ancient Religious Conceptions · Ancient Sacred Mysteries, Rites and Ceremonies

Power of the Magdalene Stuart Wilson, Joanna Prentis, 2008 The long-awaited, compelling sequel of the best-selling book *The Essenes - Children of the Light*. 1. What is the secret of Mary Magdalene's power? 2. Who were the female disciples of Jeshua? 3. Did Jeshua and Mary Magdalene have a child? 4. How can we understand the New Children now being born? 5. What changes will the New Consciousness bring into our lives? This is the story of the Essenes and the female disciples of Jeshua who were deliberately marginalised and written out of the record. This book focuses on the partnership of Jeshua and Mary Magdalene, and culminates in the work of the Crystal Children who are just now being born. This fascinating story was revealed through the process of past life regression and through the insight of an angelic being called Alariel. This is the inner history of our planet as it has never been told before. A narrative to inspire the spirit and warm the heart.

My Master's Sandals: Embrujo Uno Mario Arturo Ramos, 2021-04-29 Where did we come from? What are we doing here? Are we alone in the universe? Where can we get those answers? This book is about an inner dialogue that started when I was a child and has led me to the answers within. You might relate to my story of struggles and pain that most humans go through in the process of remembering who they really are. My Master Sandals is a series of books on the road to enlightenment. It reveals the interactions to which all people have access. This book is a co-creative experience written by two friends totally in-

tune with the voice within. My Master Sandal's captivates the reader by connecting with their intuition and calls them forward in their journeys. It inspires others to their potential and reminds them of the desires within their hearts, leading the reader back to a place of recognizing we are all one.

Us the Universe Svein Harald Haukanes, 2016-07-12 Who are we? Why are we born into this life just to die and disappear again? Where do we come from, and where do we go? Every day, the earth's population is growing at an exponential rate. If we have souls and are not just pails of meat, where do all the new souls come from? All these questions and more have been tumbling around in my head since I was young. My whole life, I have been searching with an open mind for answers. The last few years, I have found many that I will try to share with you. There are about seven billion of us here on earth. Most of us believe in some kind of religion, and these religions tell us, Do what we tell you and don't start thinking for yourself. Even though these religions try to control us, I think there are some good things and some truth in them as well. It's just that they have become such man-made products. People with the need for power are attracted to religions as well as politics, business, and financial power systems. All these things have built up a trust-and-believe system where we are deactivated as thinkers, so we have stopped doing the necessary thinking and reflection ourselves. In this book, we are going to open up our minds and start asking questions. We are going to take in a lot of obvious ideas and analyze them. Not so long ago, we were thinking that the earth was flat, that the sun circled around the earth, and that the earth was the centre of the universe. All this was very true at that time, but not anymore. In this book, we are going to see what else we have to reconsider. The time is here.

Five Lives Remembered Dolores Cannon, 2009 THE BEGINNING What do you do when you discover information that is before its time? What do you do when your curiosity takes you on an adventure that is so bizarre that there is nothing normal to relate to? This is what happened to Dolores Cannon in 1968, long before she began her career as a past-life hypnotherapist and regressionist. Travel back with us to that time when the words reincarnation, past-lives, regression, walk-ins, New Age were unknown to the general population. This is the story of two normal people, who accidentally stumbled across past-lives while working with a doctor to help a patient relax. It began so innocently, yet it crossed the boundaries of the imagination to open up an entirely new way of thinking at a time when such a thing was unheard of. It went totally against the belief systems of the time. It was so startling that they should have stopped, but their curiosity demanded that they continue to explore the unorthodox. The experiment changed the participants and everyone involved, and their beliefs would never be the same. Dolores Cannon is now a world-renowned hypnotherapist who has explored thousands of cases in the forty years since 1968, and has written fifteen books about her discoveries. Her books are translated into more than 20 languages. She is teaching her unique form of hypnosis all over the world. When she lectures people ask, How did you get started on all of this? This is the story of her beginnings. The book was written in 1980, her very first book. It has laid dormant, gathering

dust, until now, waiting. Now is the time for it to come forth. Enjoy the adventure!

Ellas caminaron con Jesús Dolores Cannon,2020-09-22 Dolores Cannon es una terapeuta de regresión de vidas pasadas que periódicamente se encuentra con personajes y situaciones históricas cuando trabaja con sus clientes. En *They Walked with Jesus*, cuenta cómo dos clientes suyos habían conocido a Jesús en vidas anteriores durante su misión en Palestina. Los contenidos son profundamente conmovedores, dando un sabor palpable de la presencia e influencia de Jesús, así como relatos vívidos de sus actividades, viajes, curaciones y conversaciones personales. Este es material que no encontrará en la Biblia. Incluye escenas en el Templo de Jerusalén, visitas a hogares y colonias de leprosos, intrigas políticas que llevaron a la crucifixión y también los sentimientos personales de quienes lo conocen. Esta es una visión interna directa de la época de Jesús, profunda en tonos sentimentales y profunda en implicaciones, que da una idea de cómo eran realmente las cosas. Ellos caminaron con Jesús se suma al rico conocimiento dado en Jesús y los esenios, uno de los más vendidos de Gateway. Ambos libros proyectan un profundo sentimiento del amoroso poder que llevó Jesús. No es necesario ser cristiano para reconocer y sentir simpatía por su imagen de hombre vivo y dedicado que trabaja en tiempos difíciles para despertar y cambiar. La investigación de Dolores Cannon sobre la memoria lejana agrega una nueva dimensión a nuestra comprensión, con asombroso y profundo realismo, de personajes y momentos cruciales durante esa época ilustrada de la historia.
