**Heart of My Monster (Monsters Trilogy Band 3)** Rina Kent, 2026

**Secrets of My Heart** Imania Margria, 2016-06-07 The deepest desires hidden in the depth of my eyes, These are just a few secrets taking refuge in my heart ... Everyone has secrets hidden somewhere deep inside of them. Not everyone has the courage to reveal the secrets hidden deep inside them because they are afraid they might negatively affect their lives. But when the risk is worth taking, releasing the burden of secrets can provide rewards greater than our fears. In her collection of poetry and prose, Imania Margria shares long-hidden secrets of her heart with the hope that she will inspire others to do the same. Within verse that explores secrets of love, forbidden desire, hope, loss, and passion offered in English, Italian, and Spanish, Margria candidly reflects on her emotions as she searches for answers, her purpose, and her true love. Included in her poignant collection is an excerpt of Margria's soon-to-be-released romance novel, *Eyes*.

*Don't Go Kraken My Heart* Kaye Draper, 2021-09-24 Io never thought she could love--or be loved--so deeply. But there's no time to sort out her love life. A mysterious illness is spreading across the US, and it looks like Io is standing at it's epicenter. Author's Notes \*Kraken's Cult books are longer novellas to shorter novels (40,000-50,000+) words. They may or may not include cliff-hangers. Typically, one plot thread will be resolved or "resolved for now," while others may continue to build throughout the series. There's none of that "book that ends abruptly in the middle and I'm gonna call it a novella" stuff. \*Includes mentions of past trauma, including but not limited to: implied threat of sexual abuse as a minor, bullying, violence, emotional trauma. \*So much swearing. Seriously. \*Explicit sex with varying levels of heat and kink possible. \*Series contains M/F, F/F, M/M, MMMMFF romance. \*Characters with gender fluidity, non-binary/intersex characters, gender bending/gender swap, gray ace, and any other orientation you can think of may appear in this series. \*Let's face it, you're thinking about reading a book with a kraken main character. There may be tentacles put to use in ways that make some people uncomfortable. It's just to be expected.

*Monster's Heart* C.D. Gorri, 2024-05-28 Can a Witch with self-esteem issues reach this Monster's heart? Amrin It's the end of the term at Blackthorn Academy, and I'm just as invisible now as I was on day one. But what did I expect? I still don't

know where my talents lie and for the Cordoza Coven that is a huge no. I'm a plus-sized nobody with my head in the clouds. No wonder I'm barely passing. Lucky me, Professor McEwan is offering extra credit to students who can chart their path to love by the Spring Equinox Festival. It's a long shot, but it's that or fail. Sten No one at Blackthorn knows who I am, and that's fine with me. I'm not there to make friends. A direct descendant of Mani, the Norse God of the Moon, I've got bigger things to worry about than having a social life. But when a curvy witch asks me to tutor her, how can I refuse? She is unlike anyone I have ever met. Bold, yet shy. Beautiful, but insecure. Meeting her has changed everything. Can this curvy temptress capture my heart, or am I doomed to walk the night alone? Monster's Heart is book thirteen in the Blackthorn Academy for Supernaturals shared world, featuring a curvy Lunar Witch in danger of flunking out, an incognito Asgardian Monster with control issues, and more.

The Ashes of My Heart Edith Blinn, 1916

Growing a Passionate Heart Wendy Mahill, 2007-04 Growing a Passionate Heart is a Christ-centered curriculum for women wounded by childhood sexual abuse. Mahill provides victims with clear definitions for their experiences, helping them firmly establish responsibility where it rightfully belongs. The text also helps survivors replace faulty beliefs with biblical truth. (Christian)

**We Love You, Bunny** Mona Awad, 2025-09-23 A Most Anticipated Book for Goodreads, The Millions, BookPage, and Book Riot The highly anticipated follow up to the viral sensation Bunny, a brilliantly written, laugh-out-loud funny, dark, and delirious novel set in the Bunny-verse—a world that Margaret Atwood declared “soooo genius.” In the cult classic novel Bunny, Samantha Heather Mackey, a lonely outsider student at a highly selective MFA program in New England, was first ostracized and then seduced by a clique of creepy-sweet rich girls who call themselves “Bunny.” An invitation to the Bunnies’ Smut Salon leads Samantha down a dark rabbit hole (pun intended) into the violently surreal world of their off-campus workshops where monstrous creations are conjured with deadly and wondrous consequences. When We Love You, Bunny opens, Sam has just published her first novel to critical acclaim. But at a New England stop on her book tour, her one-time frenemies, furious at the way they’ve been portrayed, kidnap her. Now a captive audience, it’s her (and our) turn to hear the Bunnies’ side of the story. One by one, they take turns holding the axe, and recount the birth throes of their unholy alliance, their discovery of their unusual creative powers—and the phantasmagoric adventure of conjuring their first creation. With a bound and gagged Sam, we embark on a wickedly intoxicating journey into the heart of dark academia: a fairy tale slasher that explores the wonder and horror of creation itself. Not to mention the transformative powers of love and friendship, Bunny. Frankenstein by way of Heathers, We Love You, Bunny is both a prequel and a sequel, and an unabashedly wild and totally complete stand-alone novel. Open your hearts, Bunny, to another dazzlingly original and darkly hilarious romp in the Bunny-verse from the queen of the fever-dream, Mona Awad.

The Heart of the Continent Fitz Hugh Ludlow,1871

**Yours with All My Heart** Esther M. Baxendale,1904 This autobiography of Fairy was undertaken as a labor of love and remembrance for her beautiful life, which she lived among us with such sweetness and grace that it has lain upon my conscience to tell her story to the children, that it may move them to a closer observance of, and a greater compassion toward, all animals, so mutely dependent upon their sympathies. In all little Fairy's experiences, as well as those of other dogs which she cites, I have not allowed myself to depart from the truth; my whole motive has been to conscientiously mirror her loving life of thirteen years. -- adapted from author's preface.
