

I Choose Myself Quotes

James Morison

Choose Me Beck Grey, 2022-11-22                               

The Art of Overthinking Ellen Zheng, 2025-08-05 Isla Wu is fine. Or, at least, that's what she tells herself. She has friends, semi-supportive—albeit judgmental—tiger parents, and good grades, so why wouldn't she be okay? Besides, anything other than “fine” is not suitable for an American-born Chinese girl with Ivy League dreams. But still, the numbness claws at her. Everything goes to crap when she spills coffee on a new guy (how meet-cute, NOT). Yet, as she starts to like him, everything she thought she once knew unravels until the numbness threatens to pull her under. Because when you're at the top, the only way to go is down, and ignoring her problems or feelings doesn't help anyone. Maybe Isla Wu is not fine. Set in the backdrop of New York City and immersed in the academically elite high school culture, “The Art of Overthinking” is a celebration of the ties that bond us and a love letter to mental health.

Engaging Agnes Heller Katie Terezakis, 2009-01-01 This collection of essays examines the life and thought of Agnes Heller, who rose to international acclaim as a Marxist dissident in Eastern Europe, then went on to develop one of the most comprehensive oeuvres in contemporary philosophy, putting forward a distinctive ethical theory and analyses of a vast range

of topics covering most every philosophical area. Here, philosophers, sociologists, journalists, and political scientists contextualize, compare and assess different elements of Heller's work; the collection as a whole highlights relevant shifts within that work as well as its intrinsic consistency. Essays in the collection address the relationship between philosophy, political practice and everyday life, Heller's theory of modernity and her ethical theory, her recent scholarship on comedy and the Biblical book of Genesis, her theories of radical needs and radical politics, her aesthetic theory, and questions about her relationship to feminist theory. The collection includes Heller's reflections on the collected essays, as well as an early essay on her mentor LukOcs that exposes her own steadfast engagement with certain practical and philosophical issues throughout her life's work.

Recovering Jewish-Christian Sects and Gospels Petri Luomanen, 2011-11-25 This book provides a new approach to patristic sources on the earliest Jewish Christians. It shows the artificial nature of the church fathers' discourse and challenges the widely accepted theory of three Jewish-Christian gospels, bringing the Gospel of the Hebrews closer to its synoptic cousins.

God Knows Michelle Lonsdale, 2024-10-13 This book had been in my head for a while now, but I think I somehow knew it wouldn't have had the ending it now will. I'd wondered why I had procrastinated so much but now I know that I actually had the knowing, but it wasn't the right time. I knew that there wasn't a Part 2 to this story. I knew that as I write this page and I am turning 50 next week that I am finally putting the pieces together in this puzzle of my life. I knew I could write it, but I also knew that something was missing and that missing thing that I have come to realise in almost 50 years which is the most important thing you will ever have in your life is SELF WORTH. I realised that even in the depths of our despair, there is always something good to see, not that I ever saw this. It wasn't until my mid 30s after I'd lost my dad to a heart attack when he was 67 that it was the beginning of the breaking and making of my heart. It took a little longer than I thought but it's all been an experience. Some of the greatest songs have been written by people in the depths of their despair and over the years have also been my saviour. Thank you Annie Lennox for your songs. Being an empath, I can feel your pain and I can see how you have risen above your pain over the years. There must be an Angel playing with my heart was one of the first vinyl's I ever bought around 1984 and also Bonnie Tyler's Total eclipse of the heart. I was grounded a lot of the time as a teenager, so I had plenty of time in my room listening to these songs and I'm still listening to them in my room almost 40 years later. These days I'm still grounded but in a more spiritual way. A way I wish I had been shown earlier. I'm going to write about anxiety, depression, narcissism, codependency, attachment and abandonment issues, personality disorder traits, unhealthy coping mechanisms, shame and vulnerability, addictions, twin flames, emotional abuse, jealousy, craziness, affirmations, guilt and forgiveness. To show how the Universe graces us with people to teach us, gives us signs and synchronicities, lessons in life which lead to the very thing that will put ourselves right, giving us peace in our hearts which is SELF WORTH. We've all

read quotes and not really given any thought to the meanings of them. I will be adding quotes along the way.
