

Instant Replay The Green Bay Diary Of Jerry Kramer

John Maxymuk

Instant Replay Jerry Kramer, Dick Schaap, 2011-09-13 A sports classic, Jerry Kramer and Dick Schaap's *Instant Replay* takes readers inside the 1967 season of the Green Bay Packers, following that storied team from training camp to their dramatic victory in Super Bowl II. Candid and often amusing, Jerry Kramer describes from a player's perspective a bygone era of sports, filled with blood, grit, and tears. No game better exemplifies this period than the classic "Ice Bowl" conference championship game between the Packers and the Dallas Cowboys, which Kramer, who made the crucial block in the climactic play, describes in thrilling detail. We also get a rare and insightful view of the Packers' legendary leader, coach Vince Lombardi. As vivid and engaging as it was when it was first published, *Instant Replay* is an irreplaceable reminder of the glory days of pro football.

That First Season John Eisenberg, 2009-10-15 The story of a team, a town, and a leader: Vince Lombardi's first year as head coach of the Green Bay Packers, and how he turned them into a powerhouse. The once-vaunted Green Bay Packers were a laughingstock by the late 1950s. They hadn't fielded a winning team in more than a decade, and were close to losing their franchise to another city. They were in desperate need of a savior—and he arrived in a wood-paneled station wagon in the dead of winter from New York City. In a single year, Vince Lombardi—the grizzled coach who took no bull—transformed a team of underachievers into winners and resurrected a Wisconsin city known for its passion for sport. He would lead them to championship to championship, and bring out the best in players including Bart Starr, Jim Taylor, Willie Davis, Forrest Gregg, and many more. From an award-winning sportswriter, *That First Season* is "a compelling read about perhaps the most compelling coach ever to stride an NFL sideline" (Washington Times). "Richly detailed in seamless prose, this is historical sportswriting at its finest."—Lars Anderson, New York Times bestselling author of *The Mannings: The Fall and Rise of a Football Family*

Packers by the Numbers John Maxymuk, 2003 Numbers conjure up vivid memories in sports. If you say 3 most sports fans would think of Babe Ruth; Green Bay Packer fans would remember Tony Canadeo. If you say 75 most football fans would think of Mean Joe Green, but Packer fans would recall Forrest Gregg. This unique book features 99 chapters one keyed to

each uniform number. The history of each number provides a different slice of Packer history, representing a thematic rather than chronological approach to Green Bay's rich heritage. There is no other book like this that reviews a team history by its uniform numbers. A refreshing take on a most popular team!

The NFL's Pivotal Years Brad Schultz, 2021-04-09 Recent years have been among the most challenging in NFL history, culminating in the 2020-21 coronavirus and social justice issues. Yet a complete understanding of where the NFL is today begins with a five-year period that was the most transformative for the league. From 1957 to 1962, the NFL saw: the advent of unionization, with a landmark Supreme Court decision; the legendary 1958 title game, the first to go into sudden death overtime; a challenge from the American Football League that would have important consequences for decades; the introduction of computerization and statistical analysis; the first steps towards globalization; and the hiring of legends Vince Lombardi and Tom Landry, who both contributed to the league's growing mythology. This book describes in detail the key events that helped shape the modern NFL, and why this period was so momentous to the league and its fans.
