**Alexandre Dumas**

**Just by Looking at Him** Ryan O'Connell,2023-06-06 From the first line of Just by Looking at Him, you'll know this story is so much more than boy meets boy. First, there's the humor. Elliot is a writer who spends his days navigating the back stabbing, the pressure, and the day to day snark of writing aggressively average television. In laugh out loud detail, we're immediately with him on his journey to try to get his lines onto the screen. But there's a deeper, and more poignant, story beating at the heart of this would be rom com. Instead of the usual boy meets boy, the person you really fall in love, the one you're rooting for until the end, is the protagonist himself. As a gay man with cerebral palsy, Elliot has always searched for the one, and he thought he found that person in Gus, his doting boyfriend. And yet, he can't seem to stop cheating. Elliot falls into a rabbit hole of sex, drinking, and addiction, and ultimately learns that the person he truly needs to learn to accept is himself. As incisive commentary on gay life today, a heart centered, laugh out loud exploration of self and a rare insight into life as a person with disabilities who refuses to be a victim, critics and readers alike will fall in love with this story--

**Just Look Up** Courtney Walsh,2017 After tirelessly climbing the ranks of her Chicago-based interior design firm, Lane Kelley is about to land her dream promotion when devastating news about her brother draws her back home--a quaint tourist town full of memories she'd just as soon forget. With her cell phone and laptop always within reach, Lane aims to check on her brother while staying focused on work--something her eclectic family doesn't understand. Ryan Brooks never expected to settle down in Harbor Pointe, Michigan, but after his final tour of duty, it was the only place that felt like home. Now knee-deep in a renovation project that could boost tourism for the struggling town, he is thrilled to see Lane, the girl he secretly once loved, even if the circumstances of her homecoming aren't ideal. Their reunion gets off to a rocky start, however, when Ryan can't find a trace of the girl he once knew in the woman she is today. As he slowly chips away at the walls Lane has built, secrets from his past collide with a terrible truth even he is reluctant to believe. Facing a crossroads that could define his future with Lane and jeopardize his relationship with the surrogate family he's found in the Kelleys, Ryan hopes Lane can see that maybe what really matters has been right in front of her all along--if only she'd just look up.
