

Murakami South Of The Border West Of The Sun

JS Bruner

South of the Border, West of the Sun Haruki Murakami, 2010-08-11 South of the Border, West of the Sun is the beguiling story of a past rekindled, and one of Haruki Murakami's most touching novels. Hajime has arrived at middle age with a loving family and an enviable career, yet he feels incomplete. When a childhood friend, now a beautiful woman, shows up with a secret from which she is unable to escape, the fault lines of doubt in Hajime's quotidian existence begin to give way. Rich, mysterious, and quietly dazzling, in South of the Border, West of the Sun the simple arc of one man's life becomes the exquisite literary terrain of Murakami's remarkable genius.

South of the Border, West of the Sun Haruki Murakami, 1999 In post-war Japan, a middle-aged family man and owner of two jazz clubs is dogged by a nagging sense of inauthenticity about his success and a boyhood memory of a wise, lonely girl. When the beautiful Shimamoto shows up one rainy night, the fault lines of doubt in Hajime's quotidian existence begin to give way.

Haruki Murakami's The Wind-up Bird Chronicle Matthew Strecher, 2002-01-11 This is an excellent guide to Haruki Murakami's extraordinary novel. It features a biography of the author (including an interview), a full-length analysis of the novel, and a great deal more. If you're studying this novel, reading it for your book club, or if you simply want to know more about it, you'll find this guide informative and helpful. This is part of a new series of guides to contemporary novels. The aim of the series is to give readers accessible and informative introductions to some of the most popular, most acclaimed and most influential novels of recent years - from 'The Remains of the Day' to 'White Teeth'. A team of contemporary fiction scholars from both sides of the Atlantic has been assembled to provide a thorough and readable analysis of each of the novels in question.

On the Mat with Yee I-Lann June Yap, 2024-12-04 Explore the textured aesthetics of Sabah-born artist Yee I-Lann, renowned for her versatile practice featuring photomedia, batik, weaving and video, in a publication that complements the exhibition Yee I-Lann: Mansau-Ansau at Singapore Art Museum. The exhibition presents works by the artist across two decades charting her engagement with topics such as colonial critique, politics and power, and their alternatives in egalitarian forms, language and economies. This publication provides a reflexive and interwoven reading of the concepts and philosophies in Yee's practice through regional and international writers, curators and critics.

David Mitchell Sarah Dillon, 2011 The outcome of the first international conference on David Mitchell's writing, this collection of critical essays focuses on his first three novels - 'Ghostwritten', 'number9dream' and 'Cloud Atlas' - to provide an analysis of Mitchell's complex narrative techniques and the literary, political and cultural implications of his work.

Japan, the Sustainable Society John Lie, 2021-12-28 From Japan as number one to the lost decades -- Growth reconsidered -- The regime as a concept -- Ordinary virtues -- The book of sushi -- The artisanal ethos in Japan: the larger context -- The book of bathing -- Ikigai : reasons for living.

Vintage Murakami Haruki Murakami, 2004 Not since Yukio Mishima and Yasunari Kawabata has a Japanese writer won the international acclaim enjoyed by Haruki Murakami. His genre-busting novels, short stories and reportage, which have been translated into 35 languages, meld the surreal and the hard-boiled, deadpan comedy and delicate introspection. Vintage Murakami includes the opening chapter of the international bestseller *Norwegian Wood*, sections from his monumental novel *The Wind-Up Bird Chronicle* and, for the first time in book form, the short story *Ice Man*.

A. Magazine , 1999

Modern Japanese Writers Jay Rubin, 2001 This is the first encyclopedia in the Scribner Writers Series to focus on Asian writers and genres. It highlights 25 of the most widely translated Japanese authors, such as Yukio Mishima, Kobo Abe, Junichiro Tanizaki and Fumiko Enchi.

Life in the Cul-de-sac Senji Kuroi, 2001 Kuroi traces the lives of four families living on the same street in suburban Tokyo.
