**Tobias Bleicker**

**My Mouth is a Volcano** Julia Cook, 2005-01-01 Teaching children how to manage their thoughts and words without interrupting. Louis always interrupts! All of his thoughts are very important to him, and when he has something to say, his words rumble and grumble in his tummy, they wiggle and jiggle on his tongue and then they push on his teeth, right before he ERUPTS (or interrupts). His mouth is a volcano! But when others begin to interrupt Louis, he learns how to respectfully wait for his turn to talk. My Mouth Is A Volcano takes an empathetic approach to the habit of interrupting and teaches children a witty technique to help them manage their rambunctious thoughts and words. Told from Louis' perspective, this story provides parents, teachers, and counselors with an entertaining way to teach children the value of respecting others by listening and waiting for their turn to speak.

Treasures from an Old Book Lorin Bradbury Ph.D., 2025-05-21 This book is unique in that it is not another commentary on the book of Proverbs; it is a practical application of each proverb written by Solomon and included in chapters 10 and 11 of the book of Proverbs. These lessons were originally taught to the Bethel United Pentecostal Church in Bethel, Alaska on Wednesday evenings between 2003 and 2008. In current form, these lessons are excellent devotionals easily read in one setting. "Ever since I got my hands on a copy of Treasures from an Old Book: Ancient Wisdom for a Modern World Volume 1, I've been eagerly looking forward to receiving Volume 2. Once again, Dr. Lorin Bradbury provides valuable insights through these lessons that are beneficial to both teachers and students. I highly recommend this excellent resource on the book of Proverbs!" —C. Anthony Ballesterio, Pastor New Destiny Worship Center Clearwater, Florida Treasures from an Old Book, Volume 2. "The author draws from the rich treasure trove of Scripture and offers timeless wisdom from the book of Proverbs, expertly unpacked to provide practical insights for everyday life." —Justin Henry, Evangelist/Youth Pastor Odessa, Texas Treasures from an Old Book, Volume 2. "Each lesson is a Gold Mine of knowledge. I count it a high privilege to comment on Dr. Lorin Bradbury's book presentation. I want to express that only a consecrated life of Holiness like Dr. Bradbury's reflects lessons that keep us mindful of the light that the Word of God produces for our families. Solomon asked for divine wisdom and God allowed him to express God's wisdom for our lives. Dr. Bradbury is another conduit of God's wisdom for us today. I have no doubt the Lord inspired this book. Read this book and be blessed." —Ron Guidroz, Evangelist Brenham, Texas

*The New York City Artisan, 1789-1825* Howard B. Rock, 1989-01-01 This is the first collection of primary sources by and about artisans in the early national era. In a number of ways it is as significant as the many volumes by the founding fathers that now grace library shelves because artisans were at the forefront of both the political and economic developments that would make this era so formative in American history. The documents illustrate the expectations spawned by the American Revolution within this sector of American society and the efforts of the artisans. It tells the colorful, dramatic, and hopeful, if ultimately disappointing story of their efforts, and the vital part they played in the shaping of American social and labor history.

In the era of multi-formatting, picture discs, coloured vinyl, multiple remixes, funny shaped records and tiny CDs you could lose down the back of the sofa, this book lists every format of every single, EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts, from ABBA to Paul Young. This fourth edition has been fully revised and expanded to include even more acts than ever before, with additional sections to cover Band Aid-style charity congregations and compilation albums from the early '80s K-Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the '80s music website Sound of the Crowd and writer, producer and co-host of the unconventional '80s chart show Off The Chart, broadcast weekly on Mad Wasp Radio.

Teach Freedom Charles M. Payne,Carol Sills Strickland,2008-04-12 The self-conscious use of education as an instrument of liberation among African Americans is exactly as old as education among African Americans. This dynamic anthology is about those forms of education intended to help people think more critically about the social forces shaping their lives and think more confidently about their ability to react against those forces. Featuring articles by educator-activists, this collection explores the largely forgotten history of attempts by African Americans to use education as a tool of collective liberation. Together these contributions explore the variety of forms those attempts have taken, from the shadow of slavery to the contradictions of hip-hop. Contributors address “Lessons from the Past” and discuss Citizenship Schools in the South, Ella Baker and the Harlem Y, Mississippi Freedom Schools, and Black Panther Liberation Schools. Contemporary models are covered as well, demonstrating the depth and tenacity of the tradition in such efforts as the Freedom Schools established by the Children’s Defense Fund.
