Rick Warren

The Purpose Driven Life Rick Warren, 2009-03-17 Another Landmark Book by Rick Warren. You are not an accident. Even before the universe was created, God had you in mind, and he planned you for his purposes. These purposes will extend far beyond the few years you will spend on earth. You were made to last forever! Self-help books often suggest that you try to discover the meaning and purpose of your life by looking within yourself, but Rick Warren says that is the wrong place to start. You must begin with God, your Creator, and his reasons for creating you. You were made by God and for God, and until you understand that, life will never make sense. This book will help you understand why you are alive and God's amazing plan for you---both here and now, and for eternity. Rick Warren will guide you through a personal 40-day spiritual journey that will transform your answer to life's most important question: What on earth am I here for? Knowing God's purpose for creating you will reduce your stress, focus your energy, simplify your decisions, give meaning to your life, and, most importantly, prepare you for eternity. The Purpose Driven Life is a blueprint for Christian living in the 21st century---a lifestyle based on God's eternal purposes, not cultural values. Using over 1,200 scriptural quotes and references, it challenges the conventional definitions of worship, fellowship, discipleship, ministry, and evangelism. In the tradition of Oswald Chambers, Rick Warren offers distilled wisdom on the essence of what life is all about. This is a book of hope and challenge that you will read and re-read, and it will be a classic treasured by generations to come.

Homespun Gospel Todd M. Brenneman, 2014 Through an examination of the literary works of popular ministers Max Lucado, Rick Warren, and Joel Osteen, Todd M. Brenneman offers insight into a previously unexplored aspect of American evangelical identity: sentimentality.

God and Country Monique El-Faizy, 2008-12-05 In this important exploration of one of the most misunderstood phenomena of our day, former fundamentalist Christian Monique El-Faizy argues that evangelicals have become the new establishment, constituting over 40% of our population by some estimates. The 2004 Presidential election opened the eyes of many so-called blue state Americans to the reach of evangelical Christianity, yet much of the media and Hollywood still fail to understand the paradigm shift that has placed evangelicals in the American mainstream. With the intimate perspective of a former insider, *God and Country* takes readers past the edges of the evangelical community into its heart, presenting an in-depth look at megachurches, Christian rock, Christian publishing, and the day-to-day lives of evangelical Americans. El-Faizy

shows how, by mimicking many elements of secular America and creating strong communities, evangelical leaders lure converts by the thousands. But while the public face of the movement has softened, the conservative old guard still drives the political agenda. Evangelicals see every aspect of their life through the prism of their faith; their belief is central to every decision, personal, social or political. To dismiss or miscast such an influential population would be a grave mistake. Intelligent, clear-headed and piercing, *God and Country* is essential reading for anyone interested in our nation's future.

Baptizing Business Bradley C. Smith, 2020-07-27 *Baptizing Business* sifts through popular perceptions regarding the relationship between business and religion and the agenda of conservative Christian business leaders, drawing on personal interviews with the most diverse group of evangelical executives yet studied.

Buying In Rob Walker, 2008-06-03 Brands are dead. Advertising no longer works. Consumers are in control. Or so we're told. In *Buying In*, Rob Walker argues that this accepted wisdom misses a much more important cultural shift, including a practice he calls *marketing*, in which people create brands of their own and participate, in unprecedented ways, in marketing campaigns for their favorites. Yes, rather than becoming immune to them, we are rapidly embracing brands. Profiling Timberland, American Apparel, Pabst Blue Ribbon, Red Bull, iPod, and Livestrong, among others, Walker demonstrates the ways in which buyers adopt products not just as consumer choices but as conscious expressions of their identities. Part marketing primer, part work of cultural anthropology, *Buying In* reveals why now, more than ever, we are what we buy—and vice versa.

Purpose Driven Life Case of 16 Rick Warren, D.Min., 2003-03 A groundbreaking manifesto on the meaning of life. The most basic question everyone faces in life is Why am I here? What is my purpose? Self-help books suggest that people should look within, at their own desires and dreams, but Rick Warren says the starting place must be with God and his eternal purposes for each life. Real meaning and significance comes from understanding and fulfilling God's purposes for putting us

on earth. The Purpose-Driven Life takes the groundbreaking message of the award-winning Purpose-Driven Church and goes deeper, applying it to the lifestyle of individual Christians. This book helps readers understand God's incredible plan for their lives. Warren enables them to see the big picture of what life is all about and begin to live the life God created them to live. The Purpose-Driven Life is a manifesto for Christian living in the 21st century a lifestyle based on eternal purposes, not cultural values. Using biblical stories and letting the Bible speak for itself, Warren clearly explains God's 5 purposes for each of us: You were planned for God's pleasure, so your first purpose is to offer real worship; You were formed for God's family, so your second purpose is to enjoy real fellowship; You were created to become like Christ, so your third purpose is to learn real discipleship; You were shaped for serving God, so your fourth purpose is to practice real ministry; You were made for a mission, so your fifth purpose is to live out real evangelism. This long-anticipated book is the life-message of Rick Warren, founding pastor of Saddleback Church. Written in a captivating devotional style, the book is divided into 40 short chapters that can be read as a daily devotional, studied by small groups, and used by churches participating in the nationwide 40 Days of Purpose campaign this Fall, 2002.
