**Pravs\_3618**

**My irresistible Stepsister** Pravs\_3618, Aiden knight is 25 and is a businessman. He runs hotel chains in and around the country. He gets whatever he wants and whenever he wants it. Until Aria, his irresistible step sister. She is the forbidden fruit, he craves. Their one-night stand didn't help the situation either. His irresistible stepsister, who is naive and innocent, came into his life in her old pickup truck, with her cowboy boots and hat on, searching for her father, who is now his stepfather. His mother's husband number two. After a series of failed boyfriends and dates, his mother married Martin, her father. Aria knows he is bad news from the moment she saw him. That's why she ran away the morning after a crazy night together. He agrees with her. Her temptation is too much to handle and his hate for her father is a huge wall in between them. But the little fact they both can never forget is that she is his runner, who gifted him her innocence. Will he be able to resist his irresistible step-sister? Why does Aiden hate Martin so much? Do they have a history from where his hatred stems from? Where does that leave Aria and Aiden? He hates her at the same time, he craves her. What is the result of their crazy love-hate relationship? A happily ever after, maybe?

**My Stepsister's Dad** S.E. Law, Josie: I'm roommates with my former stepsister Alyssa, and it works. We giggle together, gossip together, and generally get along great ... except for the secret crush that I have on her dad. Cyrus is gorgeous. What woman wouldn't want him? He's got piercing blue eyes, a build like a gladiator, and a big piece of equipment that I've glimpsed in the shower. Of course, he's off limits. Totally. Definitely. Besides, hot older billionaires don't go for silly girls like me. But I can't get Cyrus and his special item out of my head. I've never forgotten about it after all these years, and now that I'm old enough, I'm going to convince the billionaire to show me how to use it ... but what happens when I get pregnant? Holy cow, call the fire department because this blaze is out of control! Josie's got the worst crush on a man who likes to be called "Daddy," but will she consent to Cyrus's dark and dirty ways? Buckle up for a whirlwind ride and be sure to take a deep breath because you're going to be hyperventilating with NEED by the end! This book is a follow-up to Dirty Boss Daddy, but all of my books are standalones and do not need to be read in order. No cheating, no cliffhangers, and always a HEA for my readers.

**Stepsister** Jennifer Donnelly, 2019-05-14 \* Printz Honor winner Donnelly offers up a stunningly focused story that rips into the heart of familiar fairy tale. Isabelle [is] a shattered but not unreedemable girl with a warrior's heart. -- Booklist,

starred review An instant New York Times bestseller Optioned for film by Lynette Howell Taylor, the producer of A Star is Born and Bruna Papandrea, producer of Big Little Lies A Seventeen Best of the Year Longlisted for the Carnegie Medal An American Librarian Association-YALSA Best Fiction for Young Adults book An American Library Association Feminist Book Project book A Bank Street College of Education Best Children's Book of the Year Isabelle should be blissfully happy -- she's about to win the handsome prince. Except Isabelle isn't the beautiful girl who lost the glass slipper and captured the prince's heart. She's the ugly stepsister who cut off her toes to fit into Cinderella's shoe . . . which is now filling with blood. Isabelle tried to fit in. She cut away pieces of herself in order to become pretty. Sweet. More like Cinderella. But that only made her mean, jealous, and hollow. Now she has a chance to alter her destiny and prove what ugly stepsisters have always known: it takes more than heartache to break a girl. Evoking the darker, original version of the Cinderella story, Stepsister shows us that ugly is in the eye of the beholder, and uses Jennifer Donnelly's trademark wit and wisdom to send an overlooked character on a journey toward empowerment, redemption . . . and a new definition of beauty.

**The Stepsister** Maude Leeson,1915

Days with My Stepsister, Vol. 6 (light novel) Ghost Ghost Mikawa,2025-11-11 Infected by the magic of Halloween night, Yuuta and Saki sought out each other's warmth. Though it might look the same to those around them, their relationship has undergone a definite change. As they pass their first winter together, including its various celebrations, they struggle to balance communication and the joy of surprise. How can they make each other happy, and where are they headed? Are marriage and children in their future, or something else entirely?

**My Stepsister is a Fox (Literally)** Isla Chiu,2021-06-23 When a fox appears in front of me, I stop running. It's just a fox, so I don't know why I stopped when my stepsister is missing, but the color of its fur looks just like the red in Lan's hair... Lan? I say. Then I want to bang my head against a tree for my stupidity. It's a godd\*mn fox, not Lan. I yelp when a cloud of red sparks appears. I yelp again when the cloud dissipates and I see my stepsister. Who's very, extremely naked. My damn d\*ck acts up again when my eyes travel up and down her bare curves. It takes all of my willpower to not put my hands on her perfect fair skin... **Filthy Hot Billionaire** Nicole Edwards,2022-04-19 Knox Montgomery My obsession with Emily Campbell started when she was fifteen years old. Her age made her completely off-limits to me. The fact that her father was married to my mother only made it socially frowned upon. That was then. This is now. Emily's a woman now, and our parents are no longer married. However, there are still complications. Like the fact my mother stole seventy million dollars from me, and her father was complicit in the crime. When the time comes for them to repay that debt, her father offers Emily up on a silver platter. I turned him down because I'm many things, but certainly not a cliché. Instead, I gave him an additional three years to get his affairs in order. He didn't know it at the time, but that was more for me than for him. Not enough drama? Good, because I've

got another obsession. His name is Kieran O'Rourke. It started the day the Irishman introduced himself to me, although I've never admitted that to anyone. Certainly not him. Nor did I give in right away because that would've been too easy. Complications are compounded when Emily believes I betrayed her and her family by taking back what was rightfully mine, which only delays my plans. Being one of the wealthiest men in the world, I have an endless supply of resources, a long list of things to keep me busy, and an abundance of patience. No matter what, I will introduce Emily and Kieran to one another, and when I do, life as we know it will be irrevocably changed. This is my story of obsession, betrayal, and surrender. Some might say I have my work cut out for me. Good thing I enjoy a challenge. This is a standalone novel.

*Beyond Early Writing* David Waugh, Adam Bushnell, Sally Neaum, 2025-02-28 This essential text for primary trainees and teachers examines the key skill of writing beyond the earliest school years. Teaching writing involves much more than simply teaching the mechanics of spelling, grammar and punctuation, important though these are. There are particular issues around writing in school, including the fact that children's writing consistently lags behind their reading in external tests such as SATs, boys' relative lack of success and teachers' lack of confidence in modelling writing. This book addresses these topics as well as focusing on other pertinent practice issues such as working with proficient writers, engaging disengaged writers and working with children who have EAL and SEN.
