

The Night In Question

Henry Roscoe, Horace Smith

The Night in Question Kathleen Glasgow, Liz Lawson, 2024-05-21 How do you solve a murder? Follow the lessons of the master—Agatha Christie! Iris and Alice find themselves in the middle of another Castle Cove mystery in the sequel to New York Times bestseller *The Agathas*, by powerhouse authors Kathleen Glasgow and Liz Lawson. Last October, Alice Ogilvie's ex-best friend, Brooke Donovan, was killed—and if it weren't for Alice's unlikely alliance with her tutor, Iris Adams, and her library of the complete works of Agatha Christie, the wrong person would almost certainly be sitting in prison for the crime. The Castle Cove police aren't exactly great at solving crimes. In fact, they're notorious for not solving crimes. Which is why, on the night of Castle Cove High's annual Sadie Hawkins dance, Alice takes the opportunity to explore Levy Castle—the site of one of Castle Cove's most infamous deaths. Mona Moody—the classic film star—died there almost a century ago, and Alice is pretty sure the police got that investigation wrong, too. But before she can even think about digging deeper, she walks right into the scene of a new crime. Rebecca Kennedy, on the ground in a pool of blood. And standing over Kennedy? Another one of Alice's ex-friends—Helen Park. The Castle Cove Police Department thinks it's an open-and-shut case, but Alice and Iris are sure it can't be that simple. Park isn't a murderer—and the girls know all too well that in life, and in mysteries, things are rarely what they appear to be. To understand the present, sometimes you need to look to the past. Castle Cove is full of secrets, and Alice and Iris are about to uncover one of its biggest—and most dangerous—secrets of all.

The Night in Question Susan Fletcher, 2024-04-02 For readers of *The Unlikely Pilgrimage of Harold Fry* and *The Hundred-Year-Old Man Who Climbed Out the Window and Disappeared*, comes this unforgettable novel about an eighty-seven-year-old woman on a quest for big answers and big adventures. Florrie Butterfield has lived a life full of unexpected travel and adventure. But at eighty-seven, she isn't expecting many more surprises to come her way. Then, one midsummer's night, something terrible occurs—so shocking and strange that Florrie grows wary. Is it really an accident, or is she being lied to? Is she living alongside a would-be murderer? The only clue is a magenta envelope, discarded earlier that day. With her suspicions overlooked and her abilities underestimated, Florrie is determined to uncover the truth. But as she turns detective, she finds herself looking back on her own life . . . and a long-buried secret, traced in faded scars over her knuckles, becomes ever harder to ignore. Will she discover what really happened that night? Or will much more come to light than even she had imagined? Prize-winning author Susan Fletcher's new novel is an absorbing whodunnit that also looks at—and

celebrates—the passions, regrets, secrets and adventures of one woman’s extraordinary and inspiring life.

The Night In Question Tobias Wolff,2010-09-01 One of the sinuous and subtly crafted stories in Tobias Wolff's new collection--his first in eleven years--begins with a man biting a dog. The fact that Wolff is reversing familiar expectations is only half the point. The other half is that Wolff makes the reversal seem inevitable: the dog has attacked his protagonist's young daughter. And everywhere in *The Night in Question*, we are reminded that truth is deceptive, volatile, and often the last thing we want to know. A young reporter writes an obituary only to be fired when its subject walks into his office, very much alive. A soldier in Vietnam goads his lieutenant into sending him on increasingly dangerous missions. An impecunious mother and son go window-shopping for a domesticity that is forever beyond their grasp. Seamless, ironic, dizzying in their emotional aptness, these fifteen stories deliver small, exquisite shocks that leave us feeling invigorated and intensely alive.

The Night in Question Kelsey Roberts,2009-01-01 FBI agent Matt DeMarco never thought his morning jog on the beach would draw him into a ring of cold-blooded killers. Or that one of the murder suspects would be the stunning half-conscious woman he found washed up on the beach...dressed in an evening gown and dripping blood. Trust no one was all she remembered. But as her memory of that night came back, so did an overwhelming fear and the feeling that she was in serious danger. With nowhere else to turn, she had to trust Matt with her life. And in an unguarded moment, he seemed willing to trust her with his darkest secret. But how long could they keep their mutual lust in check?

The Night in Question Susan Fletcher,2024-04-02 A lyrical and emotionally engaging novel infused with mystery and wisdom about love, friendship, and the power of forgiveness. Florrie Butterfield—eighty-seven, one-legged, and of cheerful disposition—believes there can't be any more adventures or surprises in life to experience. Yet one midsummer’s evening, there’s an accident at Babbington Hall—the adult residence where she lives—so shocking and strange that Florrie is suspicious; is this really an accident? Or is she being lied to? Is she, in fact, living alongside a potential murderer? In her efforts to learn the truth, Florrie is forced to look back on her own life, with all its passions and regrets; she must confront her own bloody secret—and, at last, forgive herself. Above all, Florrie learns, through the help of her new friend, Stanhope, that you’re never too old to have the life you’ve always dreamed of. When it comes to love, it’s never too late. Readers of moving fiction about late-in-life second chances such as Fredrik Backman's *A Man Called Ove* and Rachel Joyce’s *The Unlikely Pilgrimage of Harold Fry* will love this un-putdownable book.

The Night in Question Susan Fletcher,2024-04-02 Florrie Butterfield--eighty-seven, one-legged, and of cheerful disposition--believes there can't be any more surprises in life. Yet one evening, there's an accident at Babbington Hall--the adult residence where she lives--so shocking and strange that Florrie is suspicious; is this really an accident? Or is she being lied to? Is she living alongside a potential murderer? In her efforts to learn the truth, Florrie is forced to look back on her own life, with all its passions and regrets; she must confront her own bloody secret--and, at last, confess. Above all, she

learns, through the help of her new friend, Stanhope, that when it comes to love, it's never too late.

The Night in Question Nic Joseph, 2018 Your ride is here ... When Paula picks up her last passenger of the night, all she sees is a few more dollars to put toward her husband's medical bills. That's before she recognizes the quiet stranger in her back seat as a world-famous musician and realizes the woman waiting at his destination is not his equally famous wife. So, Paula does what any down-on-her-luck woman would do. She asks for money in exchange for silence. But when a woman is murdered in the same building days later, Paula discovers she is the only witness to the secret affair—an affair that incriminates the musician. Now, Paula's silence comes at a much more dangerous price.

The Night in Question Tobias Wolff, 1997 Written by the author of *The Barracks Thief*, *This Boy's Life* and *Hunters in the Snow*, this collection of stories looks at how people rewrite their own histories, and examines how revenge, as another urge to put things right, can take curious forms.

The Night in Question Harper Allen, 2012-05-15 A MOTHER'S HEART Being convicted for a crime she hadn't committed shattered Julia Tennant's world. Losing her daughter broke her heart. Free at last, she faced the special agent who'd sealed her fate, and asked for his help. Max Ross spoke coldly, but the flash of heat that seared through his eyes told her he heard her plea. This man had the strength of will needed to reclaim her child—once she convinced him that someone else had gotten away with murder. A MAN'S STRENGTH He'd hated himself for wanting her. Now Max would move heaven and earth to right the wrong done to Julia. He'd use all his considerable skills to prove her innocence and get her daughter back—though the cost might be his heart and soul....
