**Sarah Janssen**

**The Awakening** Nora Roberts, 2020-11-24 #1 New York Times bestselling author Nora Roberts begins a new trilogy of adventure, romance, and magick in *The Awakening*. In the realm of Talamh, a teenage warrior named Keegan emerges from a lake holding a sword—representing both power and the terrifying responsibility to protect the Fey. In another realm known as Philadelphia, a young woman has just discovered she possesses a treasure of her own... When Breen Kelly was a girl, her father would tell her stories of magical places. Now she's an anxious twentysomething mired in student debt and working a job she hates. But one day she stumbles upon a shocking discovery: her mother has been hiding an investment account in her name. It has been funded by her long-lost father—and it's worth nearly four million dollars. This newfound fortune would be life-changing for anyone. But little does Breen know that when she uses some of the money to journey to Ireland, it will unlock mysteries she couldn't have imagined. Here, she will begin to understand why she kept seeing that silver-haired, elusive man, why she imagined his voice in her head saying Come home, Breen Siobhan. It's time you came home. Why she dreamed of dragons. And where her true destiny lies—through a portal in Galway that takes her to a land of faeries and mermaids, to a man named Keegan, and to the courage in her own heart that will guide her through a powerful, dangerous destiny...

**The Becoming** Nora Roberts, 2021-11-23 A new epic of love and war among gods and humans, from Nora Roberts—the #1 New York Times bestselling author of *The Awakening*. The world of magick and the world of man have long been estranged from one another. But some can walk between the two—including Breen Siobhan Kelly. She has just returned to Talamh, with her friend, Marco, who's dazzled and disoriented by this realm—a place filled with dragons and faeries and mermaids (but no WiFi, to his chagrin). In Talamh, Breen is not the ordinary young schoolteacher he knew her as. Here she is learning to embrace the powers of her true identity. Marco is welcomed kindly by her people—and by Keegan, leader of the Fey. Keegan has trained Breen as a warrior, and his yearning for her has grown along with his admiration of her strength and skills. But one member of Breen's bloodline is not there to embrace her. Her grandfather, the outcast god Odran, plots to destroy Talamh—and now all must unite to defeat his dark forces. There will be losses and sorrows, betrayal and bloodshed.

But through it, Breen Siobhan Kelly will take the next step on the journey to becoming all that she was born to be.

The Choice Nora Roberts, 2022-11-22 *The Choice* is the conclusion of the epic Dragon Heart Legacy trilogy from Nora Roberts, the #1 New York Times bestselling author of *The Awakening* and *The Becoming*. Talamh is a land of green hills, high mountains, deep forests, and seas, where magicks thrive. But portals allow for passage in and out—and ultimately, each must choose their place, and choose between good and evil, war and peace, life and death... Breen Siobhan Kelly grew up in the world of Man and was once unaware of her true nature. Now she is in Talamh, trying to heal after a terrible battle and heartbreaking losses. Her grandfather, the dark god Odran, has been defeated in his attempt to rule over Talamh, and over Breen—for now. With the enemy cast out and the portal sealed, this is a time to rest and to prepare. Breen spreads her wings and realizes a power she's never experienced before. It's also a time for celebrations—of her first Christmas in both Talamh and Ireland, of solstice and weddings and births—and daring to find joy again in the wake of sorrow. She rededicates herself to writing her stories, and when his duties as taoiseach permit, she is together with Keegan, who has trained her as a warrior and whom she has grown to love. It's Keegan who's at her side when the enemy's witches, traitorous and power-mad, appear to her in her sleep, practicing black magick, sacrificing the innocent, and plotting a brutal destruction for Breen. And soon, united with him and with all of Talamh, she will seek out those in desperate need of rescue, and confront the darkness with every weapon she has: her sword, her magicks—and her courage...

*The Awakening* Nora Roberts, 2020-11-24 #1 New York Times bestselling author of the epic *Chronicles of The One* trilogy, returns with the first in a brand new trilogy where parallel worlds struggle between magick and technology. Breen Kelly had always been a rule follower. So when her father left when she was twelve years old, promising to return, she waited. Now, more than a decade later, she needs to move forward. She can wait no longer. A summer trip to Ireland seems like the perfect next step. She never dreamed it would lead her through a portal to another world,

Her twin daughters are approaching puberty and her interior design business is expanding. So when Nick enters her life, she has to remember why she's too busy for a little lust. Which is difficult considering he's the contractor hired to redo her office. Besides, his tattoos and MMA past make him a poor candidate for a woman who's trying to level out her life. Nick thinks Victoria's hot but doesn't want to get involved with a woman who has kids, much less one that's been hurt by a man. Too much baggage. He's sworn off relationships, tending to stick with one-night stands. Victoria is a client, one he doesn't want to cross the line with, but the more he's near her, the quicker his resolve weakens.
