**Vengeance and Vampires: The Complete Series** Alicia Rades, 2019-05-31 USA TODAY BESTSELLING AUTHOR Alicia Rades presents a thrilling urban fantasy adventure where witches cast dark magic and shifters battle vampires. This complete paranormal series bundle includes all four books in the Vengeance and Vampires series. I'm Rachel Collins, low witch and raven shifter in hiding. I spend my days tending the cash register at a local magic shop and my nights patrolling the streets for vampires with a death wish. Until the night I spot the mark of the Soulless on some lowly vampire's wrist. The Soulless answer to Valkas, the original vampire and the most ruthless of them all. They're the same bloodsuckers who murdered my parents and kidnapped my sister. I want answers—and maybe a little revenge. Along comes Venn, a handsome, protective wolf shifter who takes my breath away. We're both after the same guy, and as much as it kills me to ask for help, I kind of need it. Heaven help me. The dark, dangerous road we're traveling together will either free my sister or get me killed. Thousands of copies sold! Hunt vampires, team up with witches, and fall in love with shifters in this fast-paced supernatural series. Resilience Alicia Rades,2018-11-27 This slayer's about to save the world. I'm a witch, shifter, self-proclaimed vampire slayer, and more than a little ticked off. The Soulless took my sister, and I'm determined to find where the elite group of vampires is hiding. But before I can go after her, I get a warning from a high witch. There's a vamp after a dark and dangerous artifact, one that would allow him to control magic and sell it to the highest bidder. I must pursue him if I hope to survive my sister's rescue. I have no idea what I've gotten myself into. All I know is that my friends and I have to get to the artifact first... even if it means facing our worst nightmares to stop him. \*\* Don't miss the second installment of this fast-paced paranormal urban fantasy series, featuring vampires, witches, and shifters. Order today to continue the exciting adventure!

**Feelings of a Poet** Zyon D. Smiley,2008-07-22 An African proverb states, When a man knows his proverbs, he can reconcile his differences. A similar sentiment can be said about poetry; if a man knows his poetry, he can overcome heavy burdens and add flavor to life experiences. The poems in this book were born out of my experiences with romance, love, joy, happiness, pain, fear, sadness and anxiety emotions all people experiences. The poetry in this book is far more than just words. These words are a life force captured from moments in time, much like images caught on a video tape or music recorded on a cd. This book looks at intimate daily experiences and the natural world around us. Reflect, meditate, and ponder to look for hidden truth and meaning in each poem. Step into the world of in depth feelings, along with the ecstasy of expression.

**Expressive Characters** Hazel Monroe,AI,2025-03-10 Expressive Characters explores the vital role of facial expressions, body language, and exaggeration in bringing comic characters to life. It argues that a strong grasp of human emotion and anatomy, combined with artistic skill, is essential for crafting compelling, relatable characters. Readers will discover how subtle changes—like the angle of an eyebrow—can dramatically alter an expression's meaning and how a character's posture can reveal their inner thoughts. This book uniquely blends art instruction with insights from psychology and anatomy, providing a holistic approach to character design. Through visual examples, anatomical diagrams, and case studies, the book guides readers from foundational principles to advanced techniques. Beginning with human anatomy and emotional expression, the book progresses to analyzing facial expressions, then explores body language, and culminates with the art of exaggeration for heightened impact. Aspiring comic artists, illustrators, and animators will find this a practical guide to mastering expressive characters, vital for effective visual storytelling.
