

Thomas Paine Human Rights

Thomas Paine

Rights of Man Thomas Paine, 1791 One of the great classics on democracy, *Rights of Man* was published in England in 1791 as a vindication of the French Revolution and a critique of the British system of government. In direct, forceful prose, Paine defends popular rights, national independence, revolutionary war, and economic growth—all considered dangerous and even seditious issues. In his introduction Eric Foner presents an overview of Paine's career as political theorist and pamphleteer, and supplies essential background material to *Rights of Man*. He discusses how Paine created a language of modern politics that brought important issues to the common man and the working classes and assesses the debt owed to Paine by the American and British radical traditions. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Rights of Man Thomas Paine, 1791

The Rights Of Man Thomas Paine, 1791 Thomas Paine's *Rights of Man* argues that human rights are inherent. As such, they cannot be conferred on citizens by their governments because to do so would mean that these rights can be revoked by that same government. Paine further suggests that government is responsible for protecting the rights of men, and therefore, the interests of governments and citizens are united. Within this context, Paine argues that revolution is acceptable when the rights of men are not respected or defended by their governments. Originally published in two volumes in 1791 and 1792, Paine's discourse reflected on the French Revolution, and positioned the uprising as an attack against a corrupt governing system, rather than a personal attack on the king himself. As a result of his arguments in favour of revolution and social welfare, Thomas Paine was tried and convicted of seditious libel against the Crown of England, and sentenced, in absentia, to hanging. Resident in France at the time of his British trial, Paine never returned to England. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Rights of Man Thomas Paine,1915

Rights of Man, Common Sense, and Other Political Writings Thomas Paine,1998-07-16 'An army of principles will penetrate where an army of soldiers cannot . . . it will march on the horizon of the world and it will conquer.' Thomas Paine was the first international revolutionary. His *Common Sense* (1776) was the most widely read pamphlet of the American Revolution; his *Rights of Man* (1791-2) was the most famous defence of the French Revolution and sent out a clarion call for revolution throughout the world. He paid the price for his principles: he was outlawed in Britain, narrowly escaped execution in France, and was villified as an atheist and a Jacobin on his return to America. Paine loathed the unnatural inequalities fostered by the hereditary and monarchical systems. He believed that government must be by and for the people and must limit itself to the protection of their natural rights. But he was not a libertarian: from a commitment to natural rights he generated one of the first blueprints for a welfare state, combining a liberal order of civil rights with egalitarian constraints. This collection brings together Paine's most powerful political writings from the American and French revolutions in the first fully annotated edition of these works. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Essential Works of Thomas Paine Thomas Paine,2023-12-03 In *The Essential Works of Thomas Paine*, readers are presented with a curated collection of foundational texts that shaped revolutionary thought in the late 18th century. This anthology encompasses Paine's fiery eloquence seen in classics such as *Common Sense* and *The Rights of Man*, deftly combining persuasive rhetoric with incisive political analysis. Paine's literary style is characterized by its clarity and directness, engaging a lay audience yet resonating deeply with the philosophically inclined. The collection reflects the Enlightenment ideals of reason and liberty, situating Paine amidst contemporaneous thinkers advocating for independence and social justice. Thomas Paine, an English-American political philosopher and writer, emerged as one of the foremost champions of democratic ideals during a pivotal period in history. Paine's early life experiences, including his struggles as an impoverished worker and his relationships with revolutionary figures, informed his passionate advocacy for the rights of the common man. His distinctive ability to articulate complex ideas in accessible language propelled his works into the consciousness of a nation yearning for change. This compendium is an indispensable resource for those wishing to understand the intellectual underpinnings of modern democracy. With its ageless themes of freedom and equality, *The Essential Works of Thomas Paine* is a must-read for anyone interested in the origins of democratic thought and the impact of activism on societal transformation. In this enriched edition, we have carefully created added value for your reading experience: - A comprehensive Introduction outlines these selected works' unifying features, themes, or stylistic evolutions. -

The Author Biography highlights personal milestones and literary influences that shape the entire body of writing. - A Historical Context section situates the works in their broader era—social currents, cultural trends, and key events that underpin their creation. - A concise Synopsis (Selection) offers an accessible overview of the included texts, helping readers navigate plotlines and main ideas without revealing critical twists. - A unified Analysis examines recurring motifs and stylistic hallmarks across the collection, tying the stories together while spotlighting the different work's strengths. - Reflection questions inspire deeper contemplation of the author's overarching message, inviting readers to draw connections among different texts and relate them to modern contexts. - Lastly, our hand-picked Memorable Quotes distill pivotal lines and turning points, serving as touchstones for the collection's central themes.

Rights of Man, Common Sense, and Other Political Writings Thomas Paine, 1998-07-16 Thomas Paine was the first international revolutionary. The Thomas Paine Collection Thomas Paine, 2020-09-15 Three works by the political theorist and Founding Father whose impassioned arguments sparked a watershed moment in the progress of democracy. Common Sense: Originally published anonymously in 1776, this landmark political pamphlet spread across the colonies like no document of its kind had ever done before. It was read aloud in town squares and affixed to tavern walls. Both a plainly stated case for separation from Great Britain and a stirring call to action, Common Sense played a decisive role in America's march toward revolution. Rights of Man: This forceful rebuke of aristocratic rule and persuasive endorsement of self-governance became one of the most influential political statements in history. Thomas Paine asserts that human rights are not granted by the government but inherent to man's nature. He argues that the purpose of government is to protect those rights, and if a government fails to do

so, its people are duty-bound to revolution. The Age of Reason: In this philosophical treatise on theology, Paine rejects the notion of divine revelation, saying "it is revelation to the first person only, and hearsay to every other." He proceeds with a detailed analysis of the Bible's inconsistencies and historical inaccuracies to conclude that it cannot be a divinely inspired text. Arguing against all forms of organized religion, he declares nature itself to be the only true testament to the existence of a divine creator.

Common Sense Thomas Paine, 1856

Common Sense - Thomas Paine Thomas Paine, 2025-07-14 *Common Sense* is a seminal political pamphlet that profoundly influenced the American Revolution by articulating the case for independence from British rule. Thomas Paine challenges the legitimacy of monarchy and hereditary succession, advocating instead for the establishment of a democratic republic grounded in natural rights and popular sovereignty. Written in clear, persuasive prose, the work addresses a broad audience, making complex political ideas accessible and urgent in the context of 18th-century colonial America. Since its publication in 1776, *Common Sense* has been celebrated for its powerful rhetoric and its role in galvanizing colonial public opinion toward revolution. Its exploration of themes such as liberty, justice, and the responsibilities of citizenship secured its place as a foundational text in American political thought. Paine's arguments resonate beyond his era, inspiring movements for self-determination and democratic governance worldwide. The enduring relevance of *Common Sense* lies in its challenge to established authority and its call for active participation in shaping political destiny. By confronting the tensions between tyranny and freedom, Paine's work encourages readers to critically assess the structures of power and to envision societies based on equality and shared rights. Through its direct appeal to common people, *Common Sense* remains a powerful reminder of the impact that ideas can have in driving historical change.

The rights of man by Thomas Paine Thomas Paine, 1951

The Rights of Man Paine, 2017-01-23 Thomas Paine's *The Rights of Man* (*Rights of Man* (1791)), a book by Thomas Paine, including 31 articles, posits that popular political revolution is permissible when a government does not safeguard the natural rights of its people. Using these points as a base it defends the French Revolution against Edmund Burke's attack in *Reflections on the Revolution in France* (1790). It was published in two parts in March 1791 and February 1792. From the part Mr. Burke took in the American Revolution, it was natural that I should consider him a friend to mankind; and as our acquaintance commenced on that ground, it would have been more agreeable to me to have had cause to continue in that opinion than to change it. At the time Mr. Burke made his violent speech last winter in the English Parliament against the French Revolution and the National Assembly, I was in Paris, and had written to him but a short time before to inform him how prosperously matters were going on. Soon after this I saw his advertisement of the Pamphlet he intended to publish: As the attack was to be made in a language but little studied, and less understood in France, and as everything suffers by

translation, I promised some of the friends of the Revolution in that country that whenever Mr. Burke's Pamphlet came forth, I would answer it. This appeared to me the more necessary to be done, when I saw the flagrant misrepresentations which Mr. Burke's Pamphlet contains; and that while it is an outrageous abuse on the French Revolution, and the principles of Liberty, it is an imposition on the rest of the world.

Rights of Man and Common Sense Thomas Paine,1994-10-04 “[Thomas Paine] accepted [no] definitions or frontiers, claiming to be the first of a new breed necessary to save mankind and womankind: a citizen of the world . . . Well beyond his own lifetime it was the power of his pen that restored his vision of the world as it might be . . . America made Thomas Paine—and he helped to make America.” -from the Introduction by Michael Foot The authorities in power in England during Thomas Paine's lifetime saw him as an agent provocateur who used his seditious eloquence to support the emancipation of slaves and women, the demands of working people, and the rebels of the French and American Revolutions. History, on the other hand, has come to regard him as the figure who gave political cogency to the liberating ideas of the Enlightenment. His great pamphlets, *Rights of Man* and *Common Sense*, are now recognized for what they are—classic arguments in defense of the individual's right to assert his or her freedom in the face of tyranny. Everyman's Library pursues the highest production standards, printing on acid-free cream-colored paper, with full-cloth cases with two-color foil stamping, decorative endpapers, silk ribbon markers, European-style half-round spines, and a full-color illustrated jacket. Everyman's Library Classics include an introduction, a select bibliography, and a chronology of the author's life and times.

Thomas Paine. Major Works: Common Sense / The American Crisis / The Rights Of Man / The Age Of Reason / Agrarian Justice Thomas Paine,2017-03-16 Thomas Paine (or Pain; February 9, 1737 [O.S. January 29, 1736] - June 8, 1809) was an English-American political activist, philosopher, political theorist, and revolutionary. One of the Founding Fathers of the United States, he authored the two most influential pamphlets at the start of the American Revolution, and he inspired the rebels in 1776 to declare independence from Britain. His ideas reflected Enlightenment-era rhetoric of transnational human rights. He has been called a corsetmaker by trade, a journalist by profession, and a propagandist by inclination.

Common Sense Thomas Paine,2021-08-19 *Common Sense* Thomas Paine - *Common Sense* is a pamphlet written by Thomas Paine in 1775/1776 advocating independence from Great Britain to people in the Thirteen Colonies. Writing in clear and persuasive prose, Paine marshaled moral and political arguments to encourage common people in the Colonies to fight for egalitarian government

Common Sense Thomas Paine,2022-05-17 In *Common Sense*, published in 1776, Thomas Paine delivers a fervent and impassioned argument advocating for American independence from British rule. Written in accessible language, the pamphlet employs persuasive rhetoric that resonates with the common citizen, stripping away the complex legal jargon of the time. Paine deftly intertwines philosophy and politics, critiquing monarchy and hereditary succession while championing the

principles of democracy and self-governance. By situating his work within the context of Enlightenment thought, he inspires a nascent revolutionary spirit among readers, elucidating the moral imperative for independence in the face of tyranny. Paine, a political theorist and revolutionary, was born in England but found his purpose in America, perhaps motivated by his experiences with oppression and his conviction for human rights. His writings reflect a grassroots understanding of societal structures, as he eloquently articulates the struggles of the common man against the elitist power of monarchy. His unique position as an outsider informed his critical insights, making *Common Sense* not only a call to action but also a defining manifesto for American political thought. This seminal work remains a crucial read for anyone interested in the foundations of democracy and the revolutionary ideals that shaped the United States. Paine's clear, direct style makes complex ideas accessible, captivating a broad audience. *Common Sense* is essential for understanding both the historical context of the American Revolution and the enduring principles of freedom and equality.

The Writings Of Thomas Paine Volume II Rights Of Man Thomas Paine, 2025-03 *The Writings Of Thomas Paine Volume II Rights Of Man* is a seminal work by Thomas Paine that advocates for human rights, democracy, and social justice. Paine argues against the inherent inequalities of monarchy and inherited power, advocating for a government based on popular sovereignty and the rights of individuals. In this volume, Paine discusses the rights of citizens to challenge unjust governance and the importance of civil liberties in a just society. He critiques the systems of power that oppress the masses and emphasizes the necessity of political revolutions to create a fairer society. The work is a direct response to political conditions of the time, offering a radical and progressive view on governance and social structures. Paine's sharp critique of both European and American politics, his call for the rights of common people, and his powerful rhetoric make this work a cornerstone of Enlightenment thought and a key text in the development of modern political philosophy.

Thomas Paine and the Idea of Human Rights Robert Lamb, 2015-05-28 Thomas Paine is a legendary Anglo-American political icon: a passionate, plain-speaking, relentlessly controversial, revolutionary campaigner, whose writings captured the zeitgeist of the two most significant political events of the eighteenth century, the American and French Revolutions. Though widely acknowledged by historians as one of the most important and influential pamphleteers, rhetoricians, polemicists and political actors of his age, the philosophical content of his writing has nevertheless been almost entirely ignored. This book takes Paine's political philosophy seriously. It explores his views concerning a number of perennial issues in modern political thought including the grounds for, and limits to, political obligation; the nature of representative democracy; the justification for private property ownership; international relations; and the relationship between secular liberalism and religion. It shows that Paine offers a historically and philosophically distinct account of liberalism and a theory of human rights that is a progenitor of our own.

Rights of Man Illustrated Thomas Paine, 2021-04-07 *Rights of Man* posits that popular political revolution is

permissible when a government does not safeguard the natural rights of its people. Using these points as a base it defends the French Revolution against Edmund Burke's attack in *Reflections on the Revolution in France* (1790).
