If Pigs Could Fly Gen Griffin,2017-03-01 Nothing ever stays calm in Possum Creek for long. After watching her husband make-out with another woman during her best friend's wedding, Katie has been forced to acknowledge that her own happily ever after is more like a B-rated horror movie than a fairy tale. Katie loves her daughter more than life itself, but she's pretty sure that Ian loves his Xbox more than he loves either one of them. Addison, the man Katie's been secretly in love with from the safety of the friend-zone for most of her adult life, thinks she's pathetic. At least, that's what his girlfriend told her. Katie doesn't know what her future holds, but she knows it's past time for a change. She's done wasting her life trying to please Ian while silently lusting after Addy. She's ready to move on and leave her feelings for both of them in the past. Addison Malone thinks the dust has finally settled after his sister's wedding. He couldn't be more wrong. The evidence in a rash of burglaries that have struck Possum Creek and the surrounding area make it apparent that he and his friends are being betrayed by someone they've always considered one of their own. When Katie makes it clear that she's ready to walk away from him forever, Addison is left scrambling to fix their relationship while he's still trying to get to the bottom of the crime spree.

Detective Jelani is a tough, veteran cop, who earned his stripes in the rough-and-tumble streets of St. Louis before relocating to Miami. His younger partner, Detective Madigan, is brash and confident. But they were not prepared to become embroiled in a series of cosmic events they could never have dreamt of. In a world where the angels of heaven and the angels of hell bring their ageless battle to Earth, how will these men and their families overcome such insurmountable challenges? As has been the case since the beginning of time, God and His heavenly host are facing off with Satan and his hellish host. Caught in the middle is Thumos, possibly the most powerful angel ever created. He is a warrior angel, quickened by God for one thing: battle. And he has seen plenty of that through the centuries. No one can match his prowess, not even the Archangels. But Thumos has become a disgruntled warrior of God, and after standing by for long enough, he can take it no more. The earthly world of these two Miami detectives will collide with the heavenly world of Thumos and the consequences could change it all.
