Dave Carder

Anatomy of an Affair Dave Carder, 2017-09-05 When it comes to adultery, never say, “It won’t happen to me.” Just when you think your marriage is safe from adultery is when you may be the most vulnerable. With eye-opening stories, clinical insights, and up-to-date data, Dave Carder reveals what adulterers learned the hard way—and what they want the rest of us to know to save us the pain. Dave Carder, counselor and author of the bestselling *Torn Asunder* (100,000 in print), is a sought-after expert on issues of adultery. Here he helps you make your marriage adultery-proof by showing you: How attractions can lead to affairs Ways you may be vulnerable to affairs The common ingredients of adultery How to restore intimacy to your marriage How to make wise, protective decisions Marriage is too sacred to be taken casually. Affairs are a very real threat, and they can destroy lives and families. For this reason, *Anatomy of an Affair* should be on every church leader’s and marriage counselor’s required reading list, and in the home of every married couple. Includes charts and assessments to understand and guard against affairs. This book is the revised edition of *Close Calls* (2008)

Anatomy of an Affair: Melissa Martineau Alexander, 2015-03-25 In truth, I'm the culprit of something vile. Something that I was raised never to do. Something that is just plain wrong. ...excerpt from *Anatomy Of An Affair* Part II Lily Wentworth grew up the daughter of seventies rock legend, Hugo Wentworth, and avoided the trappings fellow children of rock succumb to. By her late thirties, Lily had a loving husband, beautiful young daughter and tended bar at Sanctuary, her father's eclectic bar and showcase for musical artists, both old and new. All she needed was the picket fence and the picture was complete, right? Wrong! Lily's been holding a secret...a BIG one that she's ready to confess! She had an affair; a passionate and obsessive one with Kyle O'Reilly. The twist? Kyle's best friend is her husband. What makes a person commit an act so selfish and self-destructive? Even Lily doesn't understand. In order to move forward and face current circumstances in her life, she believes the answers will be found if she sits and tells you her story; all the ugly truths of her past that led her to do the unthinkable. Is she expecting your sympathy? No, but maybe...just maybe...Lily can find what she desperately needs to change her life. To do that, she must go back to the beginning and break it all down. Step by step, she will uncover the reasons and you will learn the secrets behind...the anatomy of an affair.
