Perestroika Tony Kushner, 1994 This is the second part of Tony Kushner's award-winning play (Angels in America: A Gay Fantasia on National Themes) entitled Perestroika. In this play, the characters first introduced in the first part, Millennium Approaches, move from the opportunistic 1980s to a new sense of community in the 1990s as they struggle to overcome catastrophic loss.

Angels in America, Part Two Professor Tony Kushner, 2017-01-18 ANGELS IN AMERICA has proved to be a watershed drama, the most lyrical and ambitious augury of an era since Tennessee Williams's The Glass Menagerie. John Lahr, The New Yorker The most influential American play of the last two decades. Patrick Healy, The New York Times Daring and dazzling! The most ambitious American play of our time: an epic that ranges from earth to heaven; focuses on politics, sex and religion; transports us to Washington, the Kremlin, the South Bronx, Salt Lake City and Antarctica; deals with Jews, Mormons, WASPs, blacks; switches between realism and fantasy, from the tragedy of AIDS to the camp comedy of drag queens to the death or at least absconding of God. A monumental, subversive, altogether remarkable masterwork...Details of specific catastrophes may have changed since this Reagan-era AIDS epic won the Pulitzer and the Tony, but the real cosmic and human obsessions—power, religion, sex, responsibility, the future of the world—are as perilous, yet as falling-down funny, as ever." -Linda Winer, Newsday A vast, miraculous play... provocative, witty and deeply upsetting... a searching and radical rethinking of American political drama. - Frank Rich, New York Times A victory for theater, for the transforming power of the imagination to turn devastation into beauty. - John Lahr, New Yorker "An enormously impressive work of the imagination and

intellect, a towering example of what theater stretched to its full potential can achieve.” -Philadelphia Inquirer Angels in America is the finest drama of our time, speaking to us of an entire era of life and death as no other play within memory. It ranks as nothing less than one of the greatest plays of the twentieth century. - John Heilpern, New York Observer “Some playwrights want to change the world. Some want to revolutionize theater. The Notion of Progress in Kushner's "Angels in America" Sarah Wenzel,2019-06-07 Seminar paper from the year 2011 in the subject American Studies - Literature, grade: 1,3, University of Würzburg (Philosophische Fakultät I), course: Race, Gender and Identity in Postmodern American Theater, language: English, abstract: How are Kushner's characters in Angels in America dealing with the new challenges in the changing postmodern world of the 1980s? Which position does the play take towards the ambivalence of progress? These questions are now to be analysed in the following term paper. Therefore the two positions contra and pro progress are closely examined and carefully weighed up against each other. Not to go beyond the scope of this term paper, only the main points of the notion of progress in Angels in America are worked out and exemplary substantiated. [Y]our ambivalent about everything, Belize characterizes Louis suitably in one of their discussions about politics and society. As this quotation is linked to one character of Tony Kushner's Angels in America, which consists of the two books called Millennium Approaches and Perestroika, one could surely transfer this statement to the whole play. Ambivalence plays a main role within the drama and consequently throws up many significant questions. One of them deals with the notion of progress. Kushner takes up the theme of progress and throws light on its ambivalent character. Progress,

especially in today's postmodern era, can be connected to something positive, considering the amount of knowledge and new technologies, which make life easier. Moreover personal progress implies strive for improvement, which is inherent in every human being. Nevertheless a progressing world is a world in which things are getting faster and often uncontrollable. Traditions and old values die, while individualisation and isolation grow, which leads to the rise of uncertainty.

Performing the Role of Belize in the Play Angels in America: Perestroika by Tony Kushner Joel Oramas, 2014 This paper will document my process in creating the role of Belize from *Angels in America: Perestroika* by Tony Kushner. This production was directed by Tim Altmeyer and took place in the Constans Theater at the University of Florida. The performance dates were March 28 through April 6, 2014. The document is separated into three portions. The first portion discusses the research behind the play. This includes the period in which the play takes place, a portion of the history on the character's occupation, and the analysis of the text. The next portion documents the successes and challenges of the rehearsal process. This includes my training in contemporary acting, character movement, and personalization through knowledge of the occupation. The last portion documents my use of the Michael Chekhov technique throughout the performance process.
