**George Eliot**

*The Antichrist and a Cup of Tea* Tim Cohen, 1998 THE ANTICHRIST AND A CUP OF TEA presents the fascinating saga of the British Monarchy's centuries-long endeavor to establish a New World Order, and gives hard evidence to suggest the identity of the coming AnitChrist. This is THE FOREMOST book on the subject of the AntiChrist in the world today, and is also highly endorsed. NOTE: The AntiChrist and a Cup of Tea is additionally a royal biography on Charles, Prince of Wales (i.e., Prince Charles of Wales).

**Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been “Spiritualized” for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today’s Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, “Is the Bible only about Israel?” And, if so, how does it affect our Eschatology today? This book answers these hard questions...

*Mystery Babylon The Great-er London - Second Addition* Barry Gumm, 2017-05-01 In this work Barry Gumm has focused on Biblical numerology, Astronomy and traditional astrology science. He focuses on specific chapters in the Book of Revelation. In his work he uses the above methods to define the future date of the end of the age. As an evangelical theologian I acknowledge the Bible places significance on numbers (7 - perfection, 10 -complete, 40 - in all directions (North, South, East and West - High, Deep, Wide and Long) complete). Much has been written about the truth there are no numbers in the Hebrew and Greek character set \_ that context determines if a character is a letter or a number. A well known example

is the Greek word for Our Lord Jesus (6k. iasou - - 1 - 10, a - 8, 5 - 200, 0 -70, u - 400) 5 - 200 = 888). The Bible uses numbers for perfection, completeness, unity, divisions as mentioned. Astronomy has been noted the alignment of planets in our solar system and the effect of star definition on human condition, affairs and relationships. Barry's work clearly defines his concept and calculation on end times. We know from the Holy Scripture we are in the end times - especially when it is evident that attitudes to our Christian civilization, heritage and way of life are being disestablished (Romans 1:18-32); 1 Timothy 6:3-10; 2 Timothy 3:1-9; 2 Peter 2:1-22; 3:1-10). Barry has spent a great deal of his work examining the evils of the love of money mentioned in the above references.

*The Watchmen's Cry* Obadiah Frank, 2004-10 Modern Bible scholars teach that the Church will be miraculously kept from Tribulation in an event called the Rapture, yet the Bible is strangely quiet about such an event This fascinating book finally makes the study of the last days understandable. Using clear explanations, the notion that the church will be raptured before the time of the Great Tribulation is proven a dangerous deception. The key to understanding Bible prophecy is revealed, and the fascinating reason why this key has been kept hidden for generations only to be recently made known is explained.

*Return of the Stargods* Richard Vizzutti, 2003 Return of the Stargods reveals how the ancient alien gods of old will soon return to establish a New World Order of satanism. The book also takes the reader though the Bible showing a vast amount of scriptures that the churches ignore or will not deal with. Scriptures reveal that there is a fifth column that lives among us that are working against God's children in establishing a New World Order as an ultimate goal. They are the ones among us that are waiting for their father to return to them as the beast who will crush all opposition to his rule. But this will not take place until the Rapture of the church takes place first. The Bible is also very clear that a government of fallen angels now runs this earth. They run all aspects of our matrix reality and remain hidden behind a shadow government. There are strong indications in scripture that here is also royalty of non-humans called the Reptilians and Nephilim that rule over us. They are the ones that have come from hell to transform themselves into rulers of this world. The Return of the Stargods makes a good case for all this strangeness by using scripture and not just opinions and hearsay. This book is very deep and not meant for shallow Christians that believe in Church doctrine and not Bible doctrine. This book is a must for those Christians that want a deeper understanding of endtimes and spiritual warfare. It will teach you how to see all the people around us for what they really are so that we can best protect ourselves from these predators. Return of the Stargods is an introduction to the reality that lies outside the box. If you are a discerning Christian who regards scripture as the final authority and not church, then this book is a must read!
