**Aspiring to Inspiring Before Expiring** Paul Chong, 2022-09-14 You would remember an old school poem “What is life if full of care, We have no time to stand & stare . . . ” which led on the author’s mind to the notion of sharing & caring in life. Beyond Boundaries Dr. Hari Chinthakunta, 2025-05-19 This book, titled Beyond Boundaries, begins with the powerful insight: “Where ego ends, the mind bends”—a spark that gently shifts the way life is seen. It is not merely a book—it is a mirror reflecting what lies beneath fear, pride, and control. When ego softens, clarity begins to unfold. Life appears without filters—free from pressure, judgment, distraction, or confusion. Stillness, strength, and peace emerge—not from effort, but

from presence and awareness. It is not about becoming something new—but remembering what has always been within. Inspired by the timeless teachings of His Holiness Sri Vidyanarayana Theertha, these pages carry no loud promises. Rather, they open a gentle path toward truth, simplicity, and inner freedom. This is not the end—but the beginning. Not a destination, but a return—to what is real, whole, and eternally present in all.

**A Symphony of Silence: An Enlightened Vision 2nd Edition** George A. Ellis, 2015-05-01 The first edition of A Symphony of Silence: An Enlightened Vision was inspired by the desire to share with humanity, through multiple voices, the ineffable beauty we experience in our lives when the veil of ignorance is pulled back and the wonder of our essential nature is revealed.. The voices emerging from these pages add vitality and validity to our shared experience of the silence of the transcendent. It is not something beyond our reach, but a reality that has always been with us, quietly awaiting an opportunity to unfold. In this second edition of A Symphony of Silence, several new voices are added to the chorus of the first edition. A Catholic priest tells us of using TM as part of his inspired vision of the power of love to transform the lives of abused and destitute children from the streets of South America. The founding director of an orphanage and school in Uganda, who likewise brings TM to children in need, describes to us his compassionate resolve to eradicate suffering within his community. A poet expresses for us in verse the joy of a seeker reaching for the light. A scientist and his colleagues show us the power of TM to reduce stress and alleviate PTSD in the field of law enforcement. An actor, director, producer, and entrepreneur, explores with us his innovative projects for inner city students through “Edutainment.” Women, who for decades dedicated themselves to introducing the TM program to their multicultural community, share with us delightful and very personal stories. A pioneering social activist brings us into the conversation he had with Maharishi in 1968 at a conference in Squaw Valley, California. He talked candidly with Maharishi about the need to introduce TM as a tool to bring inner freedom to the inner cities, helping to fulfill the quest for true civil rights. The voices in A Symphony of Silence create a glimpse into the vast impact that Maharishi has on many lives throughout the world.

Let's march together in Unity to the Beat of God's Heart and keep in line with the Perpetual Rhythm of His Divine Grace and Mercy. When we are out of sync with God, we are also out of sync with life. So let's keep in step and blend our voices in perfect harmony. Let us walk together in love, peace, harmony, and unity.....With No Strings Attached, and no batteries inserted!
