Dr. M.T. SOMASHEKARA

International Horseshoers' Monthly Magazine ,1907

The Journey Dr. M.T. SOMASHEKARA, Here is a collection of my motivational and directional messages on authoring academic books. They answer the questions why should a teacher in an institution of higher learning involve in authoring an academic book? And How to go about authoring keeping in mind the expectations from the book's perspective readers and the expectations from the prospective publishers? And in addition to these there is one more chapter (9th one) namely "9. Responses from Professors of Eminence, Teachers, Friends and Team Members on the Initiative and on the Motivational and Directional Communications". The messages in the well-organized chapters undoubtedly clear all inhibitions in the mind of a teacher aspiring to become an author. The book has thus turned out to be a reference guide consisting of the right set of prescriptions for budding authors of academic books to realize their dream of becoming an author.

It's a Buddy's World Bud Gilham,2008-06-24 Ever wondered if other parents have the same thoughts? Remember the time your child painted the family dog? Ever wondered how other's feel about losing a loved one? Well so have I. It's a Buddy's World is based on real life events, both personal and the tales of others. The book actually started with articles I published in magazines and news papers. My readers commented on wanting more, and some actually thanked me for making them feel better. I have tried to include a broad selection of topics which I hope you will enjoy and, in some cases, take to heart. Curl up and relax, and let me warm your heart and stimulate the " Hmmm, I wonder...", side of you. I promise at least some will bring a knowing smile to your face, while others will bring forth feelings of empathy. As that old saying goes : "Keep smiling, it makes people wonder what you have been up to". I hope I can help you smile, at least for a while.
