

# Cairo Medievale 2023 Programma

**Nezar AlSayyad, Irene A. Bierman, Nasser Rabbat**

Egyptian Made Leslie T. Chang, 2025-03-28T00:00:00+01:00 Cosa succede alle donne che lavorano in un paese che fatica a conciliare una cultura tradizionalista con le esigenze di un'economia globalizzata? In questo vivido ritratto della società egiziana, reso con grande precisione e approfondito da due anni di full immersion nel paese, Leslie T. Chang segue l'esperienza di tre donne che con tenacia e perseveranza vivono e lavorano in un contesto che spesso ne ostacola i progressi esistenziali e professionali. A causa delle forti oscillazioni della politica economica, di un sistema educativo in crisi e di un sistema familiare in cui le aspettative matrimoniali sono ancora molto conservatrici, le storie di Riham, Rania e Doaa mostrano il difficile e precario equilibrio a cui sono costantemente costrette le donne egiziane. L'autrice osserva con i propri occhi i rischi e i pregiudizi a cui sono esposte, intrecciando alle loro storie quella di un intero paese e degli eventi che l'hanno plasmato: i tempi di una gloriosa industria manifatturiera, della colonizzazione e dell'indipendenza, la diffusione dell'islam e un secolo di sconvolgimenti politici e di promesse di liberazione fin qui sostanzialmente tradite. Leslie T. Chang è una giornalista statunitense di origini cinesi impegnata da anni a raccontare la vita delle donne nei paesi in via di sviluppo. Dal 2011 al 2016 ha vissuto e lavorato al Cairo, in Egitto, e in precedenza in Cina come corrispondente per The Wall Street Journal. Ha scritto anche per il New Yorker, il New York Review of Books e il National Geographic. È stata premiata con il PEN USA Literary Award, l'Asian American Literary Award, il Tiziano Terzani International Literary Prize, il Quality Paperback Book Club New Visions Award e l'Alicia Patterson Foundation Fellowship.

Making Cairo Medieval Nezar AlSayyad, Irene A. Bierman, Nasser Rabbat, 2005-03-25 During the nineteenth century, Cairo witnessed once of its most dramatic periods of transformation. Well on its way to becoming a modern and cosmopolitan city, by the end of the century, a 'medieval' Cairo had somehow come into being. While many Europeans in the nineteenth century viewed Cairo as a fundamentally dual city-physically and psychically split between East/West and modern/medieval-the contributors to the provocative collection demonstrate that, in fact, this process of inscription was the result of restoration practices, museology, and tourism initiated by colonial occupiers. The first edited volume to address nineteenth-century Cairo both in terms of its history and the perception of its achievements, this book will be an essential text for courses in architectural and art history dealing with the Islamic world.

**Making Cairo Medieval** Nezar AlSayyad, Irene A. Bierman, Nasser Rabbat, 2005-03-25 During the nineteenth century,

Cairo witnessed once of its most dramatic periods of transformation. Well on its way to becoming a modern and cosmopolitan city, by the end of the century, a 'medieval' Cairo had somehow come into being. While many Europeans in the nineteenth century viewed Cairo as a fundamentally dual city-physically and psychically split between East/West and modern/medieval-the contributors to the provocative collection demonstrate that, in fact, this process of inscription was the result of restoration practices, museology, and tourism initiated by colonial occupiers. The first edited volume to address nineteenth-century Cairo both in terms of its history and the perception of its achievements, this book will be an essential text for courses in architectural and art history dealing with the Islamic world.

**Popular Culture in Medieval Cairo** Boaz Shoshan,1993-09-23 This is the first book-length study of popular culture in a medieval Islamic city. Dr. Shoshan draws together a wealth of Arabic sources to explore popular religion against the background of the growing influence of Sufism, an important biography of Muhammad that was suppressed by the learned, and the origins and popular practices of the annual Nawruz festival. He also assesses the political beliefs and economic expectations of the Cairene commoners and the complex relationship between the culture of the elite and that of the people of Cairo.

**Medieval Cairo** Susan Jane Staffa,1968
