Alex Erickson

Death by Coffee Alex Erickson, 2015-05-26 When Krissy Hancock and her best friend Vicki decide to open a bookstore café in their new town of Pine Hills, they decide to call it Death by Coffee, after Krissy's father's most famous mystery novel. Little do they know how well the name fits... On their very first day of business, Brendon Lawyer huffily takes his coffee...to the grave. It seems he had a severe allergy to peanuts...but how could there have been nuts in his coffee? And who stole his emergency allergy medication? Fortunately, Krissy's love of puzzles and mysteries leads her not only to Officer Paul Dalton, but also to many of her new neighbors, who aren't terribly upset that the book is closed on Brendon. But one of them is a killer, and Krissy needs to read between the lies if she wants to save her new store—and live to see how this story ends...

Death by Espresso Alex Erickson, 2018-06-26 A sleuthing bookseller has her hands full with a hyperactive wedding planner, a meddlesome mother-of-the-bride—and murder... Bookstore-café owner Krissy Hancock has plenty to keep her occupied outside business hours, like preparing for her best friend's wedding. She's meeting Vicki's parents at the Pine Hills, Ohio, airport—it's the least she can do as maid of honor, even if her relationship with Mr. and Mrs. Patterson is a bit strained. Besides, her own dad is coming in on the same flight. But there are a few additional arrivals, too. Her father's brought a date—and the Pattersons, both actors, seem to have an entire entourage trailing behind them. Uninvited guests are a headache—especially when one turns out to be, allegedly at least, the most important wedding planner in all the world. Though Vicki and Krissy have already made arrangements for a small, simple party, Vicki's snobby drama queen mother has her own ideas. Cathy the wedding planner is raring to go, possibly energized by the chocolate-covered espresso beans she compulsively munches. But while the caffeine keeps her awake, it doesn't keep her alive—and after Cathy chokes on an espresso bean after being hit in the head, Krissy has to find out who ended her supposedly stellar career...

Death by Tea Alex Erickson, 2015-12-01 A book club meeting turns murderous in this mystery in the national bestselling series... Mystery lovers have descended on Pine Hills for this year's book club competition, to be held at Krissy Hancock's bookstore café. But the killer in their midst seems determined to outwit all the armchair sleuths—and send Krissy to the remainder bin forever. Just before two dueling book clubs are set to square off, one of the competitors turns up dead—bludgeoned with the silver teapot that was to serve as the prize. Suspicion immediately falls on Krissy, who was seen skulking around town in dark clothes on the night of the murder. To clear her name and find the real killer, Krissy turns to an

old flame, Officer Paul Dalton. But even Paul can't ignore the trail of evidence that seems to point in her direction. And with Krissy's personal nemesis, Officer John Buchanan, working overtime to pin the murder on her, it will take an amazing feat of detective work to close the book for good on an elusive killer...

But this road trip will be more dangerous than they expected ... Coffee lovers are gathering from far and wide at the hotel, and Krissy, Rita, and Vicki are excited. At first Krissy suspects heatstroke, but the red marks around the man's throat tell a more sinister story. The victim, it turns out, had brewed up all kinds of enemies thanks to his cheating ways—both romantic and financial. Krissy's not keen to get involved, but her friend Rita's boyfriend, Johan, seems to be mixed up in the mayhem. For Rita's sake, Krissy wants to help filter out the real killer. With an older Rita now part of Krissy's writing group—and another member with police experience—she starts digging up gossip, talking to the victim's local coffee klatsch, and trying to find real clues amid the old rumors. But things just seem to grow muddier as she fights to identify whodunit . . .

This time, she's both suspect and target... In a small town like Pine Hills, reputation counts for a lot. And for reasons that Krissy Hancock can't figure out, someone is trashing hers. Cockroaches in the bookstore's coffee, spiteful reviews, vandalism—Krissy is being framed for every bit of bad news around. Her boyfriend, local cop Paul Dalton, is on the case, but before they can source the saboteur, Krissy is in the frame for murder, too. The murder weapon was a teapot full of Krissy's favorite spiced chai, and all the local gossips are spilling the tea about her supposed involvement. But the real culprit has a grudge that's been simmering for years. And unless Krissy can uncover the truth before the killer's rage boils over again, it won't just be her business in hot water—her life will be on the line too . . .

But when it comes time for Gabe Johnson to take the reins of the business, the world of books has changed, and the combination of the Internet and inner city rents forces the store to close. But instead of folding his hand, Gabe decides to risk everything he has and reopen the shop—and, in a sense restart his life—in a small town on the shores of Lake Michigan. Haunted his entire life by an obsession with a former lover, he finds her again only to be faced with yet another even more difficult challenge that threatens the well-being of the revival of the bookstore as well as the fate of his rekindled relationship. But now, with *Love, Death & Rare Books*, he celebrates an industry that has brought us the written word and his novel is a paean to the independent bookseller.
