

El Tango De Roxanne

Joel Whitburn

Global Tangos Melissa A. Fitch, 2015-02-25 *Global Tangos: Travels in the Transnational Imaginary* argues against the hackneyed rose-in-mouth clichés of Argentine tango, demonstrating how the dance may be used as a way to understand transformations around the world that have taken place as a result of two defining features of globalization: transnationalism and the rise of social media. *Global Tangos* demonstrates the cultural impact of Argentine tango in the world by assembling an unusual array of cultural narratives created in almost thirty countries, all of which show how tango has mixed and mingled in the global imaginary, sometimes in wildly unexpected forms. Topics include Tango Barbie and Ken, advertising for phone sex, the presence of tango in political upheavals in the Middle East and in animated Japanese children's television programming, gay tango porn, tango orchestras and composers in World War II concentration camps, global tango protests aimed at reclaiming public space, the transformation of Buenos Aires as a result of tango tourism, and the use of tango for palliative care and to treat other ailments. They also include the global development of queer tango theory, activism, and festivals. *Global Tangos* shows how the rise in social media has heralded a new era of political activism, artistry, solidarity, and engagement in the world, one in which virtual global tango communities have indeed become very "real" social and support networks. The text engages some key concepts from contemporary critics in the fields of tourism studies, geography, dance studies, cultural anthropology, literary studies, transnational studies, television studies, feminism, and queer theory. *Global Tangos* underscores the interconnectedness of cultural identity, economics, politics, and power in the production, marketing, distribution, and circulation of global images related to tango—and, by extension, Latin America—that travel the world.

CineMusic? Constructing the Film Score David Cooper, Christopher Fox, Ian Sapiro, 2020-12-15 What has been described as second generation film musicology is both building on, and challenging the orthodoxies of, the pioneering work of scholars who published in the final two decades of the twentieth century. *CineMusic? Constructing the Film Score* is representative of this new scholarship, approaching the construction of the film score from a number of perspectives, from the primarily practical to the more abstract and theoretical. The films that form the basis of these reflections are similarly diverse, from art-house to mainstream, classical to postmodern. This volume includes essays by established and upcoming scholars and practitioners as well as interviews with two of the UK's most influential film composers—Trevor Jones

(Mississippi Burning, Brassed Off!, Notting Hill, The League of Extraordinary Gentlemen) and Michael Nyman (The Draughtsman's Contract, The Piano, Gattaca, The Libertine). An afterward by Anahid Kassabian proposes a number of areas that are ripe for further exploration.

Superheroes and Excess Jamie Brassett, Richard Reynolds, 2021-11-29 Finding the superhero genre in need of further investigation from philosophical standpoints that value excess as a creative drive, rather than denigrate it as a problem to be resolved, this book opens up discussions that highlight different approaches to 'the creative excess of being' as expressed through the genre. While superheroes are an everyday, culturally dominant phenomena, philosophical methods and investigations have a reputation for lofty superiority. Across 13 chapters, this book facilitates a collision between the superhero genre and the discipline of philosophy, resulting in a voyage of exploration where each illuminates the other. The contributions in this book range from new voices to recognized scholars, offering superhero studies a set of critical interventions that are unusual, conceptually diverse, theoretically grounded and varied in practice. These chapters consider 'excessive' traits of superheroes against schools of thought that have attempted to conceptualize and understand excess by analysing texts and figures across a variety of mediums, such as The Fantastic Four, Captain America, The Vision, Logan, Black Panther and Super Hero Girls. With its unique approach to the superhero genre, this book will be an invaluable read for students and scholars working on comic studies, transmedia studies, cultural studies, popular culture and superhero studies.

CHI 2005 Wendy Kellogg, Shumin Zhai, Carolyn Gale, Gerrit C. Veer, 2005

The Billboard Albums Joel Whitburn, 2006 A 50-year history of the rock era, including every album that made The Billboard 200 chart - over 25,000! This amazing reference source provides an artist-by-artist listing of every album that charted in Billboard from 1956 through December 31, 2005. It includes all the chart data including peak chart position, total weeks charted, chart debut date, total weeks at #1, #2 or #3 positions, original record label and number, and more! Also features many bonus sections, including a top 500 artists ranking, chronological listing of all #1 albums, the top 100 albums of all time, top artists by decade, albums of longevity, and more. Includes album cover photos, artist biographies, and many other statistics.

We Reach for the Light Emma Scott, 2024-12-23 Wahrhaft Böses kann nur von wahrhafter Liebe besiegt werden Der sensible Künstler Cole hat die Hoffnung auf Erfolg schon fast aufgegeben, als die mitternächtliche Begegnung mit einem Wesen der Nacht alles verändert. Er ahnt nicht, dass seine Seele in Gefahr ist. Denn der Dämon Ambri entfacht in ihm ein kreatives Feuer, dass er so nie kannte - und noch viel mehr. Auch Ambri bleibt nicht unberührt von Cole. Obwohl er den Auftrag hat, Cole zu korrumpieren, kann er sich den Gefühlen nicht entziehen, die der junge Maler in ihm weckt. Aber den Mächten der Finsternis wurde eine reine Seele versprochen, und sie kommen, um diese einzufordern ... »Diese betörende

Geschichte zweier gequälter Seelen, die miteinander Heilung und Frieden finden, eine Geschichte, die all die komplizierten und wundervollen Emotionen auslöst, die ich beim Lesen fühlen möchte.« SUNNY SHELLY READS Abschlussband der ANGELS & DEMONS-Dilogie

iPod J. D. Biersdorfer, 2003 Explains how to use the portable music player with a Windows PC or a Macintosh computer to perform functions including play music, store personal contact and calendar information, and use as a portable FireWire drive.
