Emeli Sande: Read All About It John Dingwall,2014-03-17 Since her win at the Brit Awards in 2012 for Our Version of Events, Emeli Sandé has gone from strength to strength. From writing songs for artists, including including Alicia Keys, Gabrielle, Leona Lewis, Alesha Dixon, and Cheryl Cole; to performing at the Opening and Closing ceremonies at the London 2012 Olympic Games. Author, John Dingwall, talks to Emeli, her parents, her sister, schoolteachers and those who have been involved in her career. He details her childhood, her first record deal and how she was initially rejected by Gary Barlow - who told her she was never going to be a star. Emeli Sandé - Read All About It describes an artist's struggle to the top, from her early collaborations with the likes of Wiley, Tinie Tempah, and Professor Green, before making it as an artist in her own right.

Emeli Sande - The Biography David Nolan,2013-09-02 Thrust into the international spotlight at the 2012 Olympic Games thanks to her moving performances of 'Abide with Me' at the opening ceremony and 'Read All About It (Part III)' at the closing ceremony, Emeli Sandé is now an international superstar. However, her breakthrough came much earlier, in August 2011, with the release of her first single, 'Heaven', which peaked at number two on the UK Singles Chart. Since then Emeli has been unstoppable, releasing her debut album 'Our Version of Events' in 2012 to critical acclaim - an album which went on to be the UK's bestseller in 2012. What many don't realise is that Emeli is more than just a singer. An Avid pianist and songwriter from an early age, Emeli has co-written songs for a huge number of artists including Tinie Tempah, Alesha Dixon, Cheryl Cole, Professor Green, Leona Lewis and even Susan Boyle. And while music has always been her first love, Emeli is a firm believer in the importance of education, and was studying for a degree in medicine at Edinburgh University before deciding that music had to take precedence. Winning the Critics' Choice Brit Award in 2012 has confirmed the young Scottish singer as one of the great musical talents of a very talented generation, and while publicly 2012 was a hugely

successful year for Emeli, privately it was too, as she married her long-term boyfriend Adam Gouraguine in his home country of Montenegro. Journalist David Nolan delves deep to paint a complete picture of the life of this talented musician, from her childhood in rural Scotland to Olympic glory, and offers a glance at what be next for this prodigious talent. This is a must-read for any fan.
