*Power Surge & Balancing Midlife: A Guide to living our best life* Dr. Tracey Redwood, 2025-05-13 How can we thrive in midlife, whether married or single, especially while caring for children and families? How do we juggle work, home life and personal time? *Power Surge & Balancing Midlife* is an insightful and empowering blend of personal anecdotes, relatable experiences, and compelling scientific evidence. It explores the unique journey of women in midlife, emphasising the significance of prioritising physical, mental, and spiritual well-being to navigate this transformative phase. Midlife can be both a challenge and an opportunity for renewal, whether it emerges gradually or hits suddenly. This inevitable stage allows for deep reflection on life's meaning, happiness, and fulfilment. Each chapter begins with an inspirational quote and offers actionable strategies to help women find meaning and direction. Practical tools and exercises are provided to encourage readers to take small everyday steps forward. Written in a warm, conversational tone, *Power Surge & Balancing Midlife* blends scientific insights with recommendations for further reading. It inspires women, to face life's challenges with courage, embrace their unique wisdom, and discover their individual life purposes. A practical guide, it's a trusted companion for women seeking balance and fulfilment at this pivotal stage of life.

*The Gold Mind* Carmichael Lewis, 2021-12-02 The greatest discovery of my generation is that a human being can alter his life by altering his attitudes," philosopher, William James. Changing the way, you think is easy in theory, but in practice can be a little more tricky. Many of us go through life simply existing, hoping for good things to happen to us, and for change to happen automatically and without effort. It's time to stop living passively and take action. It is time to create opportunities and make things happen. It is time to live a happier, healthier lifestyle, and set reachable, sustainable goals. *The Gold Mind* will tell you how to do that. It will tell you how to change your perspective on your future, family and friends, and even your finances. By altering our perspective from negative to positive, we invite into our lives only positive things. We're able to identify opportunities, and look at our failures as lessons. By employing a positive attitude, we become more pleasant to be around, and we even start to change the people close to us, for the better. We can build confidence, and build our potential. Whatever your situation, *The Gold Mind* will help you master your own mind, take matters into your own hands, and improve your life. "To change your reality, you have to change your mentality

*Zero Sugar / One Month* Becky Gillasp, 2024-01-02 Experience the benefits of eliminating sugar from your diet It's no

secret that cutting sugar from your diet can yield overall improvements in your longterm wellness. But that knowledge does little to prevent us from wanting to eat it, and many of us might find ourselves turning to sugar more than we would like. Removing sugar from your diet requires action, and that requires motivation and a new perspective. This 30-day handbook gives you those necessary elements. Whether you're looking to eliminate sugar from your diet altogether, or achieve a new relationship with less dependence on it, this guide is for you. Zero Sugar / One Month provides quick-reference guides that share the ground rules, what to eat when sugar is off the table, how to temptation-proof your life, and a timeline of what to expect. Each day offers timely tips, targeted action steps, and fun and inspiring testimonials to guide you through emotional ups and downs, build confidence, and keep you moving forward one day at a time. You can do it!

**Retire from Your First Pay Check** Joseph Silva, 2019-03-31 Whether you are sixteen or ninety-two, motivation is always a part of life to do better and to accomplish everything you deserve. If you are ready to break the mold of the "haves and the have-nots" to help yourself and your children have a brighter future, the ideas in this book will help you achieve that goal. Retire from Your First Paycheck gives you an overview of investing not only in yourself but also the financial market. It will give you the knowledge you need to not live paycheck to paycheck and to enjoy the bright future you dream of.

**The Mental Game of Trading** Jared Tendler, 2021-04-09 A step-by-step system for mastering trading psychology. Think about your most costly and recurring trading mistakes. Chances are that they're related to common errors, such as chasing price, cutting winners short, forcing mediocre trades, and overtrading. You've likely tried to fix these errors by improving your technical skills, and yet they persist. That's because the real source of these mistakes is not technical—they actually stem from greed, fear, anger, or problems with confidence and discipline. If you are like most traders, you probably overlook or misunderstand mental and emotional obstacles. Or worse, you might think you know how to manage them, but you don't, and end up losing control at the worst possible time. You're leaving too much money on the table, which will either prevent you from being profitable or realizing your potential. While many trading psychology books offer sound advice, they don't show you how to do the necessary work. That's why you haven't solved the problems hurting your performance. With straight talk and practical solutions, Jared Tendler brings a new voice to trading psychology. In The Mental Game of Trading, he busts myths about emotions, greed, and discipline, and shows you how to look past the obvious to identify the real reasons you're struggling. This book is different from anything else on the market. You'll get a step-by-step system for discovering the cause of your problems and eliminating them once and for all. And through real stories of traders from around the world who have successfully used Tendler's system, you'll learn how to tackle your problems, improve your day-to-day performance, and increase your profits. Whether you're an independent or institutional trader, and regardless of whether you trade equities, forex, or cryptocurrencies, you can use this system to improve your decision-making and execution. Finally, you have a way to reach your potential as a trader. Now's the time to make it happen.

Diamond Boy Savann T. Mey,2008-11-26 Diamond Boy is a unique story of an ordinary child who applies his fathers teachings to help him overcome and move around tight and extraordinary situations. His father was gone most of his growing-up life, and his stepmothers health was deteriorating . Diamond, being the oldest son, takes it upon his shoulder the burden of keeping his broken siblings together, doing all that he can to help out at home. Away from home, pressure from peers, bullies, trouble-makers and gangsters alike. Diamond used his fathers old wisdom and knowledge to get out of any predicament and to prepare himself to reach for the sky with the dream that his father had taught him to dream. Working hard with only one purpose in mind, lifes fix, he never lost sight of his vision, and at the end, Diamond succeeded while all his other schoolmates lives take different coursesfrom straight As and good girls turned bad to working the streets to support their habits and more.

*You Can Do It* Michael E. Bernard,2009-11-29 From the founder of You Can Do It! Education, a program for promoting student social-emotional wellbeing and achievement that is being used in thousands of schools, a guide to supporting struggling students. California State University professor and educational psychologist Michael Bernard shows parents how to help their children succeed in school to the very best of their abilities. You Can Do It! reveals the various types of underachieving students, tells how to prevent problems before they start, explains which parenting techniques work and which don't, as well as what attitudes and motivational skills children need to learn.
