

From Doon With Death

Ruth Rendell

From Doon with Death Ruth Rendell, 1988 When Margaret Parsons disappears, Inspector Burden tries to reassure her frantic husband that she will be back by morning. Privately, though, he is certain Margaret has run off with another man. But then the missing woman's body is found, strangled and abandoned in a nearby wood. And when Mr. Parsons lets the police into his home, a startling discovery leads everyone to question just who Margaret Parsons really was . . .

From Doon with Death - a New Lease of Death Ruth Rendell, 1964

From Doon with Death Ruth Rendell, 1964 50th anniversary edition of the first Inspector Wexford novel, with an introduction by Ian Rankin and a new afterword by Ruth Rendell. An ordinary life. An extraordinary death. The trampled grass led to the body of Margaret Parsons. With no useful clues and a victim known only for her mundane life, Chief Inspector Wexford is baffled until he discovers Margaret's dark secret -- a collection of rare books, each inscribed from a secret lover and signed only as 'Doon'. Who is Doon? And could the answer hold the key to Wexford solving his first case?

From Doon with Death Ruth Rendell, 2012-11-21 Dazzling psychological suspense. Razor-sharp dialogue. Plots that catch and hold like a noose. These are the hallmarks of crime legend Ruth Rendell, “the best mystery writer in the English-speaking world” (Time magazine). *From Doon with Death*, now in a striking new paperback edition, is her classic debut novel—and the book that introduced one of the most popular sleuths of the twentieth century. There is nothing extraordinary about Margaret Parsons, a timid housewife in the quiet town of Kingsmarkham, a woman devoted to her garden, her kitchen, her husband. Except that Margaret Parsons is dead, brutally strangled, her body abandoned in the nearby woods. Who would kill someone with nothing to hide? Inspector Wexford, the formidable chief of police, feels baffled -- until he discovers Margaret's dark secret: a trove of rare books, each volume breathlessly inscribed by a passionate lover identified only as Doon. As Wexford delves deeper into both Mrs. Parsons' past and the wary community circling round her memory like wolves, the case builds with relentless momentum to a surprise finale as clever as it is blindsiding. In *From Doon with Death*, Ruth Rendell instantly mastered the form that would become synonymous with her name. Chilling, richly characterized, and ingeniously constructed, this is psychological suspense at its very finest. Praise for *From Doon with Death* “One of the most remarkable novelists of her generation.”—People “She has transcended her genre by her remarkable imaginative power to explore and illuminate the dark corners of the human psyche.”—P.D. James

Inseparable Emma Donoghue, 2010-05-25 From a writer of astonishing versatility and erudition, the much-admired literary critic, novelist, short-story writer, and scholar ("Dazzling"—The Washington Post; "One of those rare writers who seems to be able to work on any register, any time, any atmosphere, and make it her own" —The Observer), a book that explores the little-known literary tradition of love between women in Western literature, from Chaucer and Shakespeare to Charlotte Brontë, Dickens, Agatha Christie, and many more. Emma Donoghue brings to bear all her knowledge and grasp to examine how desire between women in English literature has been portrayed, from schoolgirls and vampires to runaway wives, from cross-dressing knights to contemporary murder stories. Donoghue looks at the work of those writers who have addressed the "unspeakable subject," examining whether such desire between women is freakish or omnipresent, holy or evil, heartwarming or ridiculous as she excavates a long-observed tradition of (inseparable) friendship between women, one that is surprisingly central to our cultural history. Donoghue writes about the half-dozen contrasting girl-girl plots that have been told and retold over the centuries, metamorphosing from generation to generation. What interests the author are the twists and turns of the plots themselves and how these stories have changed—or haven't—over the centuries, rather than how they reflect their time and society. Donoghue explores the writing of Sade, Diderot, Balzac, Thomas Hardy, H. Rider Haggard, Elizabeth Bowen, and others and the ways in which the woman who desires women has been cast as not quite human, as ghost or vampire. She writes about the ever-present triangle, found in novels and plays from the last three centuries, in which a woman and man compete for the heroine's love . . . about how—and why—same-sex attraction is surprisingly ubiquitous in crime fiction, from the work of Wilkie Collins and Dorothy L. Sayers to P. D. James. Finally, Donoghue looks at the plotline that has dominated writings about desire between women since the late nineteenth century: how a woman's life is turned upside down by the realization that she desires another woman, whether she comes to terms with this discovery privately, "comes out of the closet," or is publicly "outed." She shows how this narrative pattern has remained popular and how it has taken many forms, in the works of George Moore, Radclyffe Hall, Patricia Highsmith, and Rita Mae Brown, from case-history-style stories and dramas, in and out of the courtroom, to schoolgirl love stories and rebellious picaresques. A revelation of a centuries-old literary tradition—brilliant, amusing, and until now, deliberately overlooked.

From Doon With Death Ruth Rendell, 2010-01-26 THE 60TH ANNIVERSARY EDITION WITH A NEW INTRODUCTION BY KATE HAMER 'If crime fiction is currently in rude good health . . . this is in no small part thanks to Ruth Rendell' IAN RANKIN 'A classic mystery, as true to life now as it was half a century ago' MAIL ONLINE 'Ruth Rendell's mesmerising capacity to shock, chill and disturb is unmatched' THE TIMES AN ORDINARY LIFE. AN EXTRAORDINARY DEATH. The trampled grass led to the body of Margaret Parsons. With no useful clues and a victim known only for her mundane life, Chief Inspector Wexford is baffled until he discovers Margaret's dark secret - a collection of rare books, each inscribed from a

secret lover and signed only as 'Doon'. Who is Doon? And could the answer hold the key to Wexford solving his first case?

From Agatha Christie to Ruth Rendell S. Rowland, 2000-12-19 From Agatha Christie to Ruth Rendell is the first book to consider seriously the hugely popular and influential works of Agatha Christie, Dorothy L. Sayers, Margery Allingham, Ngaio Marsh, P.D. James and Ruth Rendell/Barbara Vine. Providing studies of forty-two key novels, this volume introduces these authors for students and the general reader in the context of their lives, and of critical debates on gender, colonialism, psychoanalysis, the Gothic, and feminism. It includes interviews with P.D. James and Ruth Rendell/Barbara Vine.

Bowker's Guide to Characters in Fiction 2007 , 2008-02

Ruth Rendell Omnibus 2 Ruth Rendell, 1996-10

Clues from the Couch Laird R. Blackwell, 2022-06-07 The detective story--the classic whodunit with its time-displacement structure of crime--according to most literary historians, is of relatively recent origin. Early in its development, the whodunit was harshly criticized for its tightly formula-bound structure. Many critics prematurely proclaimed the death of the whodunit and even of detective fiction altogether. Yet today, the genre is alive, as contemporary authors have brought it into modern times through a significant integration of elaborate character development and psychology. With the modern psychological detective story emerging from the historical cauldron of detective fiction and early psychology, the genre continues to develop a complexity that reflects and guides the literary sophistication needed. This book, the first of its kind, analyzes over 150 whodunit novels and short stories across the decades, from *The Moonstone* to the contemporary novels that saved the genre from an ignominious death.

Death in the Time of Ice Kaye George, 2024 Nominated for Best Historical Mystery in the 2014 Agatha Awards. Enga Dancing Flower knows her Neanderthal tribe is in trouble. The dark seasons are becoming longer, and the mammoth herds are fleeing south. When the tribal leader is found stabbed to death, the new leader thinks Enga did it. Expulsion and certain death loom. Enga must find the murderer to save her tribe - and herself.

A New Lease Of Death Ruth Rendell, 2010-02-23 Readers of PD James, Ann Cleeves and Donna Leon will love this mesmerising and bone-chilling thriller from multi-million copy and SUNDAY TIMES bestselling author Ruth Rendell. You'll be hooked from page one! 'If crime fiction is currently in rude good health, its practitioners striving to better the craft and keep it fresh, vibrant and relevant, this is in no small part thanks to Ruth Rendell.' -- Ian Rankin 'One of the best novelists writing today' - PD James '[Ruth Rendell has a] peerless skill in blending the mundane, commonplace aspects of life with the potent

murky impulses of desire and greed, obsession and fear' - Sunday Times 'As usual, brilliant, yes murder but also a lot more, guilt, jealousy and a surprise at the end!!' -- ***** Reader review 'The writing is masterful and the plot excellent' -- ***** Reader review 'Relished every page' -- ***** Reader review ***** SOME CASES ARE IMPOSSIBLE TO BURY. It's impossible to forget the violent bludgeoning to death of an elderly lady in her home. Even more so when it's your first murder case. Wexford believed he'd solved Mrs Primero's murder fifteen years ago. It was no real mystery. Everyone knew Painter, her odd-job man, had done it. There had never been any doubt in anyone's mind. Until now... Henry Archery's son is engaged to Painter's daughter. Only Archery can't let the past remain buried. He wants to prove Wexford wrong... When he starts probing the lives of the witnesses questioned all those years ago, he stirs up more than old ghosts. Wexford's first case was From Doon with Death. Have you read it? His work continues in Wolf to the Slaughter.

The Georgia Historical Quarterly ,1923

Handbook of Death and Dying Clifton D. Bryant,2003-10-01 Dying is a social as well as physiological phenomenon. Each society characterizes and, consequently, treats death and dying in its own individual ways—ways that differ markedly. These particular patterns of death and dying engender modal cultural responses, and such institutionalized behavior has familiar, economical, educational, religious, and political implications. The Handbook of Death and Dying takes stock of the vast literature in the field of thanatology, arranging and synthesizing what has been an unwieldy body of knowledge into a concise, yet comprehensive reference work. This two-volume handbook will provide direction and momentum to the study of death-related behavior for many years to come. Key Features More than 100 contributors representing authoritative expertise in a diverse array of disciplines Anthropology Family Studies History Law Medicine Mortuary Science Philosophy Psychology Social work Sociology Theology A distinguished editorial board of leading scholars and researchers in the field More than 100 definitive essays covering almost every dimension of death-related behavior Comprehensive and inclusive, exploring concepts and social patterns within the larger topical concern Journal article length essays that address topics with appropriate detail Multidisciplinary and cross-cultural coverage

Death Notes Ruth Rendell,1986-08-12 Sir Manuel Camargue, yesterday one of the most celebrated musicians of his time, today floats face down in the lake near his sprawling English country house. The consensus is accidental death -- but Inspector Wexford knows the stench of murder most foul when he smells it. Particularly in the company of two suspects -- one, the victim's fiancée, who is too young to be true, the other his daughter who may be no kin and even less kind . . .

From Doon With Death Introduction

In the digital age, access to information has become easier than ever before. The ability to download From Doon With Death has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download From Doon With Death has opened up a world of possibilities. Downloading From Doon With Death provides numerous advantages over physical copies of

books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading From Doon With Death has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download From Doon With Death. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload

their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading From Doon With Death. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading From Doon With Death, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In

conclusion, the ability to download From Doon With Death has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About From Doon With Death Books

1. Where can I buy From Doon With Death books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online

bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a From Doon With Death book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of From Doon With Death books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning:

- Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
 6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
 7. What are From Doon With Death audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the

book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read From Doon With Death books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
