palimpsests literature in the second degree is a 1982 book by  
 french literary theorist g rard genette over the years the  
 book s methodological proposals have been confirmed as  
 effective operational definitions and have been widely  
 adopted in literary criticism terminology the book is also  
 highly regarded for his wide and far reaching  
 conceptualization of parody in the book genette coined the  
 term paratext which has since become widespread to denote
