*Gallows Hill* Darcy Coates, 2022-09-06 It's time to come home... The Hull family has owned the Gallows Hill Winery for generations. Their wine wins awards. Their business prospers. Their family thrives. People whisper that the curse has awakened once more. The sprawling old house has long been perched on top of a hill overlooking the nearby town, jealously guarding the estate's secrets. It's been more than a decade since Margot Hull last saw her childhood home. She was young enough when she was sent away that she barely remembers its dark passageways and secret corners. But now she's returned to bury her parents and reconnect with the winery that is her family's legacy—and the bloody truth of exactly what lies buried beneath the crumbling estate. Alone in the sprawling, dilapidated building, Margot is forced to come face to face with the horrors of the past—and realize that she may be the next victim of a house that never rests...

And it's starting to whisper... Essie Singh has defined herself by her ambitions, a fiercely independent woman whose only soft spot is her husband, Sanjay. She never imagined herself as a mother. It was never a part of the plan. But then she finds out she's pregnant. As her difficult pregnancy transforms her body and life into something she barely recognizes, her husband spends the nights pacing in the attic, slowly becoming a stranger, and the house begins to whisper. As Essie's pregnancy progresses, both her and Sanjay's lives are warped by a curse that has haunted her family for generations, leaving a string of fatherless daughters in its wake. When she's put on bedrest, Essie trades the last aspects of her carefully planned life for isolation in what should be a welcoming home, but she isn't alone. There's something here that means to take everything from her...

Her ability to help ghosts move on from the mortal world has made her a threat to Artec, a powerful corporation intent on trapping the tortured dead for profit. They've been tracking her for years and now, finally, there's nowhere left for her to run. Artec fears Keira and everything she's capable of. They will stop at nothing to eliminate her—including sending armed men after everyone she holds dear. Desperate and quickly running out of time, Keira races to hone her abilities as she searches for a way to destroy the twisted organization for good. But at least now she's no longer alone. Her friends have offered to follow wherever she leads, even if that means a direct strike deep into the heart of Artec's central base...and to the certain death waiting for them there.
