Edna O'Brien

Girls in Their Married Bliss Edna O'Brien, 1964 The third book of Edna O'Brien's acclaimed Country Girls trilogy *Girls in Their Married Bliss* continues the tale of Kate and Baba, two ambitious Irish country girls in search of life. Romantic Kate seeks love, while pragmatic Baba will take whatever she can get. Together they set out to conquer Dublin and the world. Under the big city's bright lights, they spin their lives into a whirl of comic and touching misadventures, wild flirtations, and reckless passions. But love changes everything. And as their lives take unexpected and separate turns, Baba and Kate must ultimately learn to go it alone.

The Country Girls Trilogy Edna O'Brien, 2018-11-15 Edna O'Brien's beloved and controversial modern classics reveal the lives and loves of two girls in rural 1950s Ireland (with a foreword by Eimear McBride). 'The taboo-breaking, the fabulous prose - there's no one like Edna O'Brien ... Beautiful.' Anne Enright 'Surprising and beautiful and courageous .. A beacon. ' Megan Nolan 'Brilliant and brave.' Ann Patchett 'Glittering energy.' Colm Tóibín ONE OF THE BBC'S '100 NOVELS THAT SHAPED OUR WORLD' Caitheleen 'Kate' Brady and Bridget 'Baba' Brennan are growing up in a repressive Irish village after World War II. Kate is a romantic, looking for love; Baba is a reckless survivor. After being expelled from convent school, they dream of the bright lights of Dublin - and are rewarded with bad luck and bad sex; marry for the wrong reasons; but continue to fight the expectations forced upon 'girls' of every era to become brave new women. Edna O'Brien's debut novels revolutionised Irish literature in the 1960s. Banned by the authorities as 'indecent' and burned by the clergy, they were notorious for their frank portrayal of sexual desire: but scandal turned to fame, and made this glorious coming-of-age tale an instant classic that inspires and delights readers to this day.

Narrating Irish Female Development, 1916-2018 Jane Elizabeth Dougherty, 2024-12-31 *Narrating Irish Female Development, 1916-2018* studies narratives of Irish female and feminized development, arguing that these postmodern narratives present Irish female maturation as disordered and often deliberately disorderly. The first full-length study of the Irish female coming of age story, the book develops a feminist psychoanalytic narratology, derived from the belated oedipalization of Joyce's bildungsheld, to read these stories. This study argues that all Irish maturation stories are shaped by

the uneven and belated maturation story of the Irish republic itself, which took as its avatar the Irish woman, whose citizenship in that republic was unrealized, as indeed was her citizenship in an Irish republic of letters. Dougherty takes the writing of Irish women as seriously as other critics have taken Joyce's work.

Fine Meshwork Dan O'Brien, 2020-02-28 In a 1984 interview with longtime friend Edna O'Brien, Philip Roth describes her writing as "a piece of fine meshwork, a net of perfectly observed sensuous details that enables you to contain all the longing and pain and remorse that surge through the fiction." The phrase "fine meshwork" can apply not only to O'Brien's writing but also to the connective threads that bind her work to others', including, most illuminatingly, Roth's. Since the publication of their first controversial novels in the 1950s and 1960s, Roth and O'Brien have always argued against the isolation of mind from body, autobiography from fiction, life from art, and self from nation. In *Fine Meshwork*, Dan O'Brien investigates the shared concerns of these two authors, now regarded as literary icons in their home countries. He traces their fifty-year literary friendship and the striking parallels in their books and reception, bringing together what, at first glance, seem to be quite disparate milieus: the largely feminist and Irish scholarship on O'Brien with Jewish and American perspectives on Roth. In doing so, and in considering them in a transnational context, he argues that the intertwined nature of their writing symbolizes the far-ranging symbiosis between Irish literature and its American—particularly Jewish American—counterpart.

Edna O'Brien Kathryn Laing, Sinéad Mooney, Maureen O'Connor, 2006 As part of Pegasos, Kuunsankosken Kaupunginkirjasto of Finland presents a biographical sketch about the Irish writer Edna O'Brien (1932-). O'Brien has written plays, children's books, essays, screenplays, and nonfiction about Ireland. Some of O'Brien's works include *Country Girls* (1960), *The Love Object* (1968), *Night* (1972), *Mother Ireland* (1976), and *A Fanatic Heart* (1984).

London Irish Fictions Tony Murray, 2012-01-01 Examines the specific role that the metropolis plays in literary portrayals of Irish migrant experience as an arena for the performance of Irishness, as a catalyst in the transformations of Irishness and as an intrinsic component of second generation Irish identities.

Wild Colonial Girl Maureen O'Connor, Lisa Colletta, 2006-06-09 Since the 1960 publication of her first novel, *The Country Girls*, award-winning Irish writer Edna O'Brien has been both celebrated and maligned. This book situates her in Irish contexts that allow for an appraisal of her contribution to Irish women's literary tradition while attesting to the potency of writing against patriarchal conventions.
