

I Ll Walk With God Lyrics

Sandra Richards

God's Miracles In My Life; Model Father of 70 Million People ,

Mario Lanza Derek Mannering,2015-02-12 Blessed with one of the great tenor voices of all time, Mario Lanza (1921-1959) rose to spectacular heights in a film, recording, and concert career that spanned little more than a decade. Groomed at the outset for a career on the opera stage, Lanza instead flourished in Hollywood where his films, most notably *The Great Caruso*, broke box-office records the world over and influenced the careers of countless musicians. To this day, the Three Tenors cite him as an inspiration for their own careers on the classical stage. Lanza's recordings for RCA sold in the millions, and he remains the crossover artist supreme. But his tremendous success was derailed by his self-destructive lifestyle, and by age thirty-eight he was dead, with his extraordinary promise left unfulfilled. Newly revised and updated for its first U.S. edition, *Mario Lanza: Singing to the Gods* is the definitive account of the remarkable life and times of one of the twentieth century's most beloved singing stars. This richly detailed work also contains a selection of rare photographs, several of which are drawn from Lanza's estate. With the support of Lanza's daughter, Ellisa Lanza Bregman, the tenor's colleagues, and his closest friend, Terry Robinson, Derek Mannering has chronicled a fascinating and unforgettable life. From the fabulous successes of the early MGM years through the disastrous walkouts and cancellations that sent Lanza's career into freefall, Mannering objectively and movingly reveals the story of a great star torn apart by his own troubled psyche and undisciplined lifestyle.

A Spiritual Armada R. Leland Smith,2008-09-15 Throughout recorded history we find that man has struggled to find a sense of lasting peace and contentment. His search has opened many varied avenues of discovery to little avail. Many approaches have held out a glowing promise of peace, false hopes and contentment only to fade in a brief span of time despite his efforts to build a stable fortress to guard against the threat of loss and vanquish this situation has prevailed throughout the centuries despite man's attempts to alter the human condition. This vexation has been made manifest physically, mentally, and spiritually.

Lyrics of the Afro-American Spiritual Erskine Peters,1993-04-20 Under the rubric spirituals are subsumed sorrow songs, jubilee songs, shout songs, chants, homilies, mantras, affirmations, and collective, personal, and historical allegories. Their lyrics tell an impassioned story of an embattled people, while presenting a theology of salvation; in general, they encompass crucial aspects of the Afro-American world view. This research collection contains lyrics of 978 spirituals, including some variants, culled from numerous anthologies and collections. Codes are provided to guide the researcher to an original source with musical notations. The songs are organized in nine thematic categories as follows: lyrics of sorrow, alienation, and desolation; consolation and faith; resistance and defiance; deliverance; jubilation and triumph; judgment and reckoning; regeneration; spiritual progress; and transcendence. Each thematic section is prefaced by an interpretive statement, and the volume introduction discusses the historical background and analyzes the basic poetics of the spirituals with regard to structure, prosody, and figures of speech. Selective bibliographies of song collections and historical and theoretical works are included as well. The lyrics are indexed by title and by first line, and a general index provides access to topics, themes, persons, and places. The spirituals are pervasive in Afro-American life, and this collection will be a basic resource for researchers in all aspects of Afro-American culture, religion, and history, and useful, as well, for musicologists.
