Benjamin L. Gladd

The Message of Jesus to Our Modern Life Shailer Mathews, 1915

Handbook on the Gospels (Handbooks on the New Testament) Benjamin L. Gladd, 2021-06-01 A leading New Testament scholar provides an easy-to-navigate resource for studying and understanding the Gospels. Written with classroom utility and pastoral application in mind, this accessibly written volume summarizes the content of each major section of the biblical text to help students, pastors, and laypeople quickly grasp the sense of particular passages. The series, modeled after Baker Academic's successful Old Testament Handbook series, focuses primarily on the content of the biblical books without getting bogged down in historical-critical questions or detailed verse-by-verse exegesis. The book covers all four Gospels and explores each major passage, showing how Jesus is the central figure of each plot. It also unpacks how the Old Testament informs the Gospels.

The Holy Bible, Containing the Authorized Edition of the New Testament, A.D. 1611 and the Revised Edition of A.D. 1881, Arranged in Parallel Columns; with Complete Concordance, 1887

The Student's New Testament Compilation, 1928

Discovering Faith David Solano, 2013-04-01 Everyone believes in something. We trust gravity to keep us on the ground, our stool to keep us off the floor, and the sun to rise tomorrow. We don't even think about it. But trusting in someone we cannot see is really difficult. It's bad enough trying to trust people we think we know. This book is for anyone willing to gather in a coffee shop or sports bar--wherever friends can talk about such issues. Issues we discuss in the park, hallway, or lunchroom. Deep questions we ponder when our phone is on vibrate. These studies look at people from the Bible who have considered connecting with the God-human Jesus--and what they discovered. So if you're willing to take another (or first-time) look, grab your favorite drink and jump in.
