Still Reading Romance Josefine Smith, Kathleen W. Taylor Kollman, 2025-04-01 In a world that commodifies feminism, is adapting romance novels for small and big screen projects, and the Romance Writers Association is evolving to a more inclusive representative group, it is imperative for researchers to reevaluate the cultural assumptions and gender norming work happening in the romance genre. It is time to question the cultural capital of traditional archetypes, explore the experience of romance readers, and question how romance and cultural studies researchers create quantitative, qualitative, and mixed methods research. This work centers around a data set collected with a revised version of Janice Radway's Reading the Romance survey that will be shared with all the authors of this anthology. By having access to this pool, authors will have the opportunity to explore different elements of reader experience and cultural norms in romance fiction, and potentially reflect on changes since Janice Radway's seminal work. The norms and negotiations readers experience while consuming romance is especially interesting as romancelandia becomes a more mainstream part of popular culture with the popularity of Bridgerton and romance series like Ice Planet Barbarians exploding on BookTok. No other book in romance or popular culture studies identifies a data set as the connecting element, and to do so creates an exciting opportunity to create a more inclusive study of popular romance, offer truly interdisciplinary research on the question of how readers read romance, and generate diverse areas of future scholarship. This edited volume explores multiple issues in romance fiction, based on survey data from real romance readers. An updated version of Janice Radway's influential survey looking at romance readers in the early 1980s, this time scholars explore romance readers' habits and attitudes in the twenty-first century. Each contributor in this volume uses the same survey data to make unique statements about gender, intersectionality, popular fiction, and popular culture. By using a common data set but approaching it from different perspectives, this unique volume is able to apply multiple methodologies to the same subject.

The Locker Room Meghan Quinn, 2019-06-17 Have you heard the rumor around campus about the locker room? If you haven't, let me enlighten you: Legend has it if you bring a girl into the sacred after-game domain of the baseball locker room, it will end with a walk down the aisle. One rowdy and naked encounter against the lockers with the girl of your dreams will make her your wife. Translation: baseball players are stupidly superstitious and believe the locker room has magical powers. But not all baseball players are superstitious, me included. So when the girl I've fallen for brushes me off, I start to question

if I need to switch my way of thinking. Maybe it's time I finally hand out a coveted invitation to the locker room. The only question is, will she accept?

The Dugout Meghan Quinn, 2019 Let me ask you a question: If someone is vying for your spot on a team and just so happens to injure you during practice, would you believe it was on purpose? Word around campus is... it was no accident. That injury has cost me everything; my starting position, my junior year - and the draft. Now, I'm a senior fresh off recovery, struggling to find my groove, until the day I run into a nervous, fidgety, girl with freckles, in the dining hall. They call Milly Potter The Baseball Whisperer, The Diamond Wizard, and The Epitome of All Knowledge. She believes in baseball. She breathes it. She's the queen of an infamous dynasty, but no one actually knows who she really is, and she plans to keep it that way. One mishap in the panini line, one miscommunication in the weight room, and many failed attempts at an apology equal up to one solid truth -- Milly Potter never wants to speak to me again -- no matter how good my forearms look. Little do we both know, she's about to become more than just my fairy ballmother...-- Back cover.

The Lineup Meghan Quinn, 2019-11-30 Want to know a secret? It's about that girl over there. Don't look, but she's the one in the power suit-with the long, black hair and the serious expression, the one I'm about to go on a date with . . . Yeah, according to her, she accidentally donated an obscene amount of money to my charity - The Lineup - to win said date but I found out the truth. Miss. Button Up Blouse has a secret, passionate crush on me. I didn't know her name until two days ago, despite the friends we have in common. Was I oblivious? Probably. Was I blind to it? Definitely. But I'm no fool, I see it now. The High Heel Harlot wants more than just a date with Jason Orson, she wants to be able to claim the best butt in baseball as hers. Here's another secret . . . she has no idea I know.

The Strike Out Meghan Quinn, 2020-12-29 It started with one night out with the boys. She was the hot diner waitress putting herself through school. I was the rich, arrogant player everyone misjudges. On paper we didn't match. Yet all it took was one day. One single day to change her mind. She wasn't planning to spend her day off with me. She wasn't supposed to fall for my charm. But one day, one smile, turned into several nights of her calling out my name. I'm not the guy she should end up with. I'm jealous, possessive. Not here for a long time - just a good time. She's changed me. But, for some reason, I feel her slipping through my fingers and no matter what I do, I fear I'm going to strike out with the one and only girl I've ever fallen for.

The Setup Meghan Quinn, 2020-09-09 I've fallen victim to a heinous act. An act so vile, so downright dirty, that I'm not sure as a twenty-year-old man I'll ever recover. Brace yourself, because what I'm about to tell you might have you gasping in secondhand horror. Ready? Here it goes . . . I've recently become the pawn of a meddling mom. Yes . . . A MEDDLING MOM--who's been trying to set me up all summer. Now, I understand it's not a crime for a mother to want her child to fall in love, but when she makes it her relentless MISSION, the heinous act should be classified as a misdemeanor at least. Of course, my mom, the evil matriarch in the devil's leggings, made her final stab at finding a girl for me days before I went back to college. And I hate to admit it, but she saved a doozy for last. A titan in black skinny jeans. A boss of nonchalance. And a girl who would not only turn my life upside down, but do it while juggling a soccer ball, looking effortlessly gorgeous around campus, and is one hundred percent against relationships. Of any sort. Thanks, Mom.

Sla je slag Meghan Quinn, 2021-06-03 Deel 3 van de Brentwood-serie: vol humor, knappe honkbalspelers, bijdehante dames, liefdesverdriet én sexy romantiek. Alle delen los van elkaar te lezen. Dottie Domico had in haar studententijd een flinke crush op de knappe en populaire baseballspeler Jason Orson. Ze was alleen altijd te verlegen om hem aan te spreken. Inmiddels is Dottie afgestudeerd en heeft ze een succesvolle carrière. Door een miscommunicatie met haar assistent wordt Dottie per ongeluk ingeschreven voor een online veiling voor het goede doel. Wat er te winnen valt? Een date met Jason Orson. Jason Orson snapt er niets van als hij hoort dat ene Dottie Domico ontzettend veel geld heeft gedoneerd voor een date

met hem, maar die date vervolgens afzegt. Er moet wel sprake zijn van een misverstand. Hij gaat langs op Dotties werk in de hoop erachter te komen waarom ze hem probeert te ontlopen. Kan hij de gesloten Dottie zover krijgen zich een keer van haar kwetsbare kant te laten zien? De Brentwood-serie van Meghan Quinn is ontzettend verslavend en grappig. Andere delen zijn Op slag verliefd en Van slag. Alle delen zijn los van elkaar te lezen.

Op slag verliefd Meghan Quinn, 2020-09-10 Deel 1 van de Brentwood-serie: vol humor, knappe honkbalspelers, bijdehante dames, liefdesverdriet én sexy romantiek. Alle delen los van elkaar te lezen. Maar Emory houdt hem op afstand. Haar vorige vriendje heeft haar heel diep gekwetst, en ze zit niet te wachten op een nieuwe relatie. Ze wil liever gewoon vrienden zijn met Knox, al verklaren haar vriendinnen haar voor gek. Zal het Knox lukken om haar ervan te overtuigen dat ze perfect bij elkaar passen? De Brentwood-serie van Meghan Quinn is ontzettend verslavend en grappig. Het volgende deel in de serie heet Van slag. Alle delen zijn los van elkaar te lezen. Reviews: 'Meghan Quinn heeft mij absoluut positief weten te verrassen. De personages bevatten diepgang en zelfspot maar laten ook hun kwetsbare kant zien. Bovendien bevat het verhaal een verrassende wending. Op slag verliefd is een echte aanrader voor iedereen die van het genre New Adult houdt!' - @jenniferleest 'Vanaf de eerste paar bladzijden ben ik weg van de humor van Meghan Quinn en verliefd op haar mannelijk hoofdpersonage!' - @kwanteinwonderland 'Ik denk dat ik een nieuwe favoriete auteur heb als het gaat om NA-romances! Met humor, de leukste personages en een fijne dosis steamyness is dit gewoon een hartverwarmend verhaal dat je wilt lezen!' - @marleen_favoritez
